## How We Began

Tyler Junior College was established in 1926 as part of the Tyler Public School System. The College gave residents of the Tyler area access to higher education, offering limited courses in the traditional liberal arts and pragmatic courses in public school music and home economics.

The College had a small student body during its early years. In the 1930's, as the country struggled through the Depression, only 200 students were enrolled at the College.

However, the prosperity of the 1940's signaled major changes. In 1945, Tyler voters overwhelmingly approved a measure to create a junior college district and issued \$500,000 in bonds for the College. The expansion of the College included new facilities and new full-time faculty members. One of those new members taught a radio course that became the first of many vocational courses that would be offered. The College's growth came at an appropriate time for local residents and for many veterans who returned to Tyler to seek new opportunities and realized that those opportunities were linked to higher education.

Tyler Junior College has continued to expand since its "rebirth" in the 1940's. An athletics program, established soon after the junior college district was created,

gave student-athletes a chance to excel on the football field or basketball court as well as in the classroom. Residence halls were built on campus in the 1950's. By the 1960's, new facilities had to be created to house the College's increasing vocational and technical programs that complemented traditional courses in the sciences, humanities and fine arts.

The Tyler Junior College District is now composed of six independent school districts: Chapel Hill ISD\*, Grand Saline ISD, Lindale ISD, Tyler ISD\*, Van ISD\*, and Winona ISD.

Today, Tyler Junior College has more courses offered in any single major division than were offered in the entire curriculum in 1926. Just as the courses have diversified, so have the students. Although students who reside in the Tyler Junior College District are entitled to priority in enrollment, students from throughout Texas and the United States attend Tyler Junior College. The College now has an enrollment of approximately 8,100 full- and part-time students each regular semester who pursue a variety of degree and certificate programs. And some 15,000 continuing education students each year take advantage of the educational opportunities offered by the College.

---

*\*Portions are not in TJC District.*

*"The out-of-classroom experiences that are provided in student activities can be the most rewarding and memorable of a student's college career. Our area provides students opportunities for involvement, leadership, entertainment, and enrichment."*

# What We Are

## Statement of Purpose

The primary purpose of Tyler Junior College is to provide quality education at minimal cost to students varying in interests, aptitudes, talents, needs and goals. The College offers equal opportunity to all students meeting admissions requirements. Specific objectives include:

### Educational

To provide two years of fully transferable college credit courses designed to develop logical, creative and objective thinking and to stimulate intellectual curiosity by exposing students to the various academic disciplines.

To provide two-year technical programs in order to prepare students to gain occupational competency as technical personnel in industry, business, government or as owner-operators of their own establishments.

To provide two-year programs in paramedical and other health professions to train students to meet the needs for personnel in the health-related services of the community.

To provide programs of vocational education for adults who need training or re-training in order to increase occupational competency.

### Cultural

To cultivate the knowledge and appreciation of human achievements in the arts and sciences by providing convocations, by offering elective and adult education courses that stimulate interest in the arts and by encouraging students to participate in cultural activities.

### Social

To encourage the exercise of friendliness and other social virtues by providing opportunities for students to gather at conveniently located student lounges and by offering a well-planned, diversified program of extracurricular activities, planned and implemented by both the student body and the faculty.

### Civic

To encourage effective student government in order to create in each student an intelligent interest in the governmental processes and to prepare him or her for responsible citizenship. The community is also encouraged to use the facilities of the College.

### Physical

To provide programs of physical development and of competitive sports in order to encourage good habits of physical and mental health and to stimulate interest in recreation and good sportsmanship.

## Accrediting

Tyler Junior College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate in arts degree, the associate in applied science degree and certificates of proficiency.

*"Students are beginning to discover that computers are a valuable tool for their education. I want to introduce our students to the boundless learning opportunities available through computers."*

**Martha Hogan**

*Instructor, Mathematics/Director,  
Computer Learning Services  
B.S., Iowa State University  
M.S., The University of Texas at Tyler*

# What We Look Like

## Buildings and Facilities

Tyler Junior College stands on a 73-acre campus, dotted with stately hardwood trees, and includes 30 buildings with eight residence halls.

**The Robert M. and Louise H. Rogers Student Center** houses the College bookstore, dean of students office, student activities office, residential life office, recreational facilities, a multi-purpose meeting room, lounges, College dining hall, counselors and health services.

**H.E. Jenkins Hall** houses academic classes, the offices of the administration, admissions and business. **Potter Hall** is also used for classrooms and offices.

Students with interests in the arts and sciences will most likely make use of four buildings. **The Aleck Genecov Science and Arts Building** provides facilities for lab sciences, art classes and offices. **The Wise Auditorium Fine Arts Building** contains special rooms for music, art, drama and speech, as well as a large theatre. **The Watson W. Wise and Emma Wise Cultural Arts Center** houses the programs of music, speech and drama, in addition to offices, classrooms, practice rooms and performance facilities. **Hudnall Planetarium** is used to reinforce classroom instruction and meet the needs of the entire community, ranging from adults to kindergarteners.

**The George W. Pirtle Technology Center** has five buildings which contain special classrooms and labs for technical courses, and the **Mechanical Trades Building** contains classroom and workshop facilities. **The Bonna Bess Vaughn Conservatory** features a large, fully-equipped greenhouse conservatory with a reception area and also includes classrooms and offices.

**The Regional Training and Development Complex (RTDC)**, the home of continuing education, the Small Business Development Center and the Tyler Area Business Incubator, is a 84,000-square-foot facility which provides quick start-up, fast turnaround, low cost training programs for business and

industry. The complex is located at 1530 S SW Loop 323, Tyler.

Established as a center for research and academic support, the **Vaughn Library and Learning Resources Center** houses a library of more than 77,000 volumes, a complete media center with audio and video production facilities, a modern computer learning center, and electronically equipped study carrels with audio and/or video channels to supply students with information in their courses.

**The Tyler Museum of Art**, a beautifully-designed structure, is operated through the cooperation of the College and the Junior League of Tyler.

Both **Wagstaff Gymnasium** and the **Health and Physical Education Center** provide recreational facilities. **Wagstaff Gym** provides modern facilities for programs in intercollegiate athletics, as well as general programs. **The Health and Physical Education Center** offers comprehensive fitness facilities including a gymnasium, an aerobics studio, a weight room, racquetball courts, an aquatics area, a band hall, a dance studio and other physical education facilities.

The College's eight air-conditioned residence halls offer suites for four students sharing a bathroom and two bedrooms. All halls have full-time coordinators to provide student development activities and operational supervision. **Bateman Hall** houses 150 students, making it the largest on campus. Both **Hudnall Hall** and **Claridge Hall** are home to approximately 90 students. **Sledge Hall** and **Holley Hall** house 60 to 70 students. **Lewis, Vaughn** and **West Hall** board about 50 students each. All the halls, except Bateman and Hudnall, have external courtyards.

Other administrative offices, including financial aid, campus police and the faculty senate, are located temporarily in the **Administrative Annex**, pending completion of the **Administrative Service Center**.

*Attitude is as much a part of success as effort!  
The belief that 'I can' combined with the  
determination that 'I will' are the forerunners  
of 'I did!'"*

**Charles W. Mancil**

*Instructor, Physical Education/Women's Basketball Coach  
A.A., South Georgia College  
B.S., M.Ed., Valdosta State College*

# What We Expect

## Admission

All materials required for admission to Tyler Junior College should be on file in the admissions office prior to registration. A new applicant whose file is incomplete at the time of registration will be allowed to enroll on conditional status pending completion of the admission file. **No student will be permitted to re-enroll until admission requirements have been met.** Students are encouraged to submit applications as early as possible in order to facilitate the early advisement process.

Admission to Tyler Junior College does not guarantee admission to a specific vocational-technical program.

The number of students admitted to each allied health program each year is limited, and admission to any of these programs requires separate application directly to the director of a specific program as early as possible in advance of the fall semester. Programs which require separate application include dental hygiene, medical laboratory technician, associate degree nursing, radiologic technology, respiratory therapy, long term health care administration, optician technician, emergency medical technology and vocational nursing.

**All beginning freshmen will be tested in basic skills and will be placed in classes in accordance with their performance.**

**Responsibility rests upon the student applicant for insuring that all necessary materials have been submitted for admission.**

## State Mandated Testing Requirements

### Texas Academic Skills Program (TASP)

The Texas State Education Code requires that all students "... who enter public institutions of higher education in the fall of 1989 and thereafter must be tested for reading, writing and mathematics skills." This includes all "... full-time

and part-time freshmen enrolled in a certificate or degree program ..." any non-degree student prior to the "accumulation of nine or more (college) credit hours or the equivalent."

**Performance on the test will not be used as a condition of admission to Tyler Junior College. Results of the test will be used for course placement only.**

This official test is given only on the specified test dates. Test fees must be paid by student.

### Exemptions:

- a. Student who has completed 3 or more semester hours of college credit before the fall semester of 1989.
- b. Student who is going into a certificate program with less than 9 semester hours of general education requirements.
- c. Students who have had local placement tests may obtain up to 15 semester hours credit before having to take the TASP test.

## Methods of Admission

Tyler Junior College gives equal consideration to all applicants for admission without regard to race, creed, color, national origin, sex, age, marital status or physical handicap.

### 1. High School Graduate

An official high school transcript showing date of graduation and passing of the TEAMS test for those subject to TEAMS testing. Students whose transcripts do not show TEAMS testing results must have special approval, based upon placement tests.

### 2. Admission by Examination (General Educational Development Test)

Applicants whose high school class has graduated and who wish to enroll in Tyler Junior College may be considered. Applicants must present satisfactory scores on the GED test prior to admission and proof that their high school

class has graduated. High school class graduation may be waived for special cases.

### 3. Admission of Transfer Students

Students may be accepted on transfer from other regionally accredited colleges and universities when eligible to return to their former institutions. (See page 27 for more information.)

A student seeking to transfer to Tyler Junior College must:

- a. Present a transcript from the last college or university attended. Students who wish to apply for a degree or certificate from Tyler Junior College must furnish official copies of transcripts from **all** colleges or universities attended.
- b. Continue on scholastic probation at Tyler Junior College if he/she has been placed on probation at another institution.
- c. Not seek to be admitted to Tyler Junior College if he/she is on enforced scholastic withdrawal from another institution. Residents of the Tyler Junior College District may apply to the dean of admissions for special consideration.

A student transferring from another collegiate institution is not at liberty to disregard his collegiate record and apply for admission on the basis of his high school record or a part of his college record.

### 4. Special Admissions

- a. Students who did not graduate from high school, but whose high school class has graduated may be admitted conditionally upon the approval of the admissions committee after taking placement tests in the Counseling Center.
- b. Early Admission Students: Special high school students are accepted during their senior year upon recommendation of their high school counselor or principal and with the permission of their parents. These students may take one or two courses each semester. Credit for the courses will not be released until the student graduates from high school and furnishes Tyler Junior College with a transcript showing date of graduation.

c. Allied Health Programs: In addition to admission to Tyler Junior College, students must fill out appropriate application to the particular allied health program in which they are interested. Enrollment into these programs is limited due to clinical facilities available.

d. Transient students will be allowed to enroll at Tyler Junior College. They will be required to furnish one of the following:

- (1.) a letter of good standing from the last school attended, or
- (2.) proof that they have received a degree from an institution of higher education.
- (3.) Copy of TASP scores or TASP-exempt status.

If these students desire to remain at Tyler Junior College or apply for a degree, financial aid, or benefits of any type, they must furnish all transcripts from any institution attended.

A form will be available in the admissions office for the student to complete so the information can be verified.

### 5. International Students

#### The following requirements apply to international students:

Immigrant and refugee students—Students must submit verification of immigrant card or I-94 Refugee Permit.

Non-immigrant alien students—The following requirements apply to all students holding visa category A-L issued by Immigration and Naturalization Service:

- a. Application and all documents should be on file at least 60 days prior to registration.
- b. Official copy of transcript for the last four years of secondary school. The official transcript must be an original copy translated into English and must show each course completed and grade earned. Students who have attended an American college or university do not need to submit a high school transcript.
- c. Official copy of transcript from each college or university attended. All foreign transcripts must be certified English translations.

d. Proof of English proficiency. Furnish one of the following:

- (1.) Test of English as a Foreign Language (TOEFL); minimum acceptable score is 525.
- (2.) Completion of an English Language School or program of recognized standing with proficiency attained equivalent to above TOEFL score as approved by office of admissions.
- (3.) Other proof of English proficiency equivalent to above TOEFL score as approved by office of admissions.

e. Immunization requirements for international students (immigrant, refugee and non-immigrant alien).

- (1.) Freedom from infectious tuberculosis should be ascertained by:
  - (a) Tuberculin test (5 T.U. PPD, Mantoux technique) required within six months prior to admission.
  - (b) Posterior/anterior chest x-ray is required prior to admission if tuberculin test had a positive reaction.

(2.) Types of immunizations:

- (a) Diphtheria (within 10 years)
- (b) Tetanus (within 10 years)
- (c) Poliomyelitis (Types I, II & III)
- (d) Mumps
- (e) Measles
- (f) Rubella

f. Proof of financial ability to stand all expenses for the college year. We have no scholarship or financial aid available for foreign students nor do we issue work permits for them. This means that the student must show his/her ability to stand all expenses for the college year (Form I-134).

g. Proof of hospital and accident policy to cover hospitalization is required.

h. Compliance with all requirements and procedures established for visa category by Immigration and Naturalization Service.

## 6. Admission Test Scores Requirement

All freshman students who have completed less than 15 semester hours are strongly encouraged to submit scores of the American College Testing Program (ACT) or the College Board (formerly SAT). Such scores are used for

counseling and placement purposes.

Beginning students will be required to take placement tests in English, Mathematics and Reading for proper placement in courses at Tyler Junior College. Information on these tests may be obtained by contacting Tyler Junior College counseling services.

The American College Testing Program and the College Board tests are scheduled at Tyler Junior College and other conveniently located testing centers in Texas and elsewhere. A list of the testing centers may be found in the Student Information Bulletins of the testing services. The Student Information Bulletins, registration forms and the current year's testing dates may be obtained from the Tyler Junior College testing center or from high school or college counselors or registrars.

It is recommended that transfer students with less than 15 semester hours of credit submit scores from either the American College Testing Program or the College Board.

Students residing in the Tyler Junior College District are entitled to priority in enrollment. Others are admitted if facilities are available, but the college reserves the right to limit the enrollment of students residing outside the Tyler Junior College District whenever in its judgment facilities are not available for additional students.

**See TASP requirement on page 11.**

**7. Credit for courses in which a passing grade has been earned** may be transferred to Tyler Junior College from colleges and universities accredited through one of the following regional associations:

Middle States Association of Colleges and Schools/Commission on Higher Education

New England Association of Schools and Colleges

North Central Association of Colleges and Schools

Northwest Association of Colleges and Schools

Southern Association of Colleges and Schools/Commission on Colleges

Southern Association of Colleges and  
Schools/Commission on  
Occupational Education Institutions  
Western Association of Schools and  
Colleges/Accrediting Commission  
for Senior Colleges  
Western Association of Schools and  
Colleges/Accrediting Commission  
for Community and Junior Colleges

It is the policy of Tyler Junior College  
not to transfer credits received from any  
United States institution not so ac-  
credited. **However, students who have  
gained proficiency through completion  
of course work from non-accredited  
institutions should consult a counselor  
regarding credit by examination.**

On receipt of an official transcript from  
an accredited institution, the grade point  
average will be computed based on all  
courses attempted. **Repeated courses  
will not be deleted from computation of  
cumulative grade point average in  
calculating honors.**

Course-by-course evaluation will be  
completed by the admission office staff,  
as needed for degree or program  
planning. Individual courses transferred  
will not be posted on the Tyler Junior  
College permanent record, but a  
summary of the total hours accepted  
from other institutions will be a part of  
the permanent record.

## Tuition and Fees

Tuition rates at Tyler Junior College are low  
because the College is partially supported  
by the State of Texas. Tuition is due in full at  
the beginning of the semester. Any other  
plan must be by special arrangement with  
the financial services office. A registration  
fee of \$10.00 will be charged to all  
students. An additional fee of \$10.00 is  
charged for late registration—enrollment  
after the regularly scheduled registration  
days. A fee of \$5.00 will be charged for all  
returned checks. If the check was  
presented in payment of tuition and fees,  
the return will also result in a \$10.00 late  
registration fee.

A fee of \$5.00 will be charged each time  
a student changes his or her schedule  
after registration.

### Residents of the TJC District

Tuition: \$8.00 per semester hour with  
a minimum total tuition charge  
of \$25.00.

Student service fee: \$3.00 per semester  
hour

### Texas Residents from outside of the TJC District

Tuition: \$8.00 per semester hour with  
a minimum total tuition charge  
of \$25.00.

Surcharge fee: \$10.00 per semester  
hour.

Student service fee: \$3.00 per semester  
hour

In-district, in-state and out-of-state  
residency is determined by using the  
guidelines published by the Coordinating  
Board in "Rules and Regulations—  
Residence Status." **Twelve months as a  
non-student is the minimum length of  
time required to establish residency.**

"Legal place of residence" is defined as  
the place where you, your parents or  
guardian live for the required length of  
time at the time of enrollment.

**In-District student:** A Texas resident  
(or dependents) who physically resides in  
property subject to ad valorem taxation by  
the Tyler Junior College District the  
required length of time (12 months).

**Out-of-District student:** A Texas  
resident who does not physically reside  
within the geographic boundaries of the  
Tyler Junior College District.

### Waiver of Non-Resident Tuition

The difference in the rate of tuition for  
non-resident and resident students may be  
waived for a person and dependent who  
own property and reside in property which  
is subject to ad valorem taxation by the  
Tyler Junior College District [Section  
130.003(b)(4), *Texas Education Code*].

A person (or dependents) requesting  
such a waiver shall verify property owner-  
ship with the admissions office at the time  
of registration.

### Non-Texas Residents

Students whose residence is outside the  
state of Texas and who are thereby classi-  
fied as non-residential students according  
to the definition provided by the statutes of

the State of Texas are charged a special non-resident tuition rate.

Tuition: \$25.00 per semester hour with a minimum total tuition charge of \$200.00.

Surcharge fee: \$10.00 per semester hour.

Student service fee: \$3.00 per semester hour

## Student Service and Special Fees

### Student Service Fee

All students are subject to a \$3.00/hour charge to cover the cost of student services. This fee may not exceed \$90 in one semester or summer session.

### ID Cards

Each student at Tyler Junior College will be issued an identification card at registration. This card will be presented for admission to College activities, entrance to certain College areas, use of library and learning resources, and participation in other College functions requiring identification. The card should be obtained during registration or the first two weeks of school. If the card is lost or not obtained during this period, a \$5.00 late/lost card fine will be assessed. The card is a lifetime card, to be re-validated each semester.

### Special Fees

1. In accordance with the requirements of the statutes of the State of Texas, students are charged a semester laboratory fee of \$15.00 for laboratory courses in which supplies are required.
2. A fee of \$15.00 is paid by students at the time of graduation.
3. Music fees per semester—individual lessons:

	One 30-Minute Lesson Per Week	Two 30-Minute Lessons Per Week
Piano	\$50.00	\$75.00
Voice	50.00	75.00
Violin, Violoncello	50.00	75.00
Guitar	50.00	75.00
Woodwind Instrument	50.00	75.00
Brass Instrument	50.00	75.00
Practice Room (four hours per week)		\$4.00

4. A posting fee of \$25.00 is paid by students in the following situations:
  - a. Credit by examination
  - b. Credit for life experience

## Tyler Junior College Refund Policy

### Complete Withdrawal:

Refund payments will be mailed to the student's permanent address as listed in the registrar's office approximately 4-6 weeks after the end of the refund period applicable. Late registration, registration and change fees are non-refundable.

### Fall and Spring Semesters

Prior to the first class day	100%
During the first five class days	80%
During the second five class days	70%
During the third five class days	50%
During the fourth five class days	25%
After the fourth five class days	None

### Summer Semesters

Prior to the first class day	100%
During the first, second or third class day	80%
During the fourth, fifth or sixth class day	50%
After the sixth class day	None

### Reduction in semester hours:

Students who reduce their semester credit hour load by officially dropping a course or courses and remain enrolled at Tyler Junior College will have applicable tuition and fees refunded according to the following schedule:

### Regular Session

During the first twelve class days	100%
After the twelfth class day	None

### Summer Session

During the first four class days	100%
After the fourth class day	None

**Tuition, fees, and other expenses are subject to change by vote of the Tyler Junior College Board of Trustees or the legislature of the State of Texas.**

*"As a counselor, I am committed to assisting the Tyler Junior College students in their career exploration and career placement efforts. I believe that career placement is very important, like that of good academic instruction."*

**Booker Harlan**

*Counselor/Director, Career Development and Placement  
B.A., M.Ed., Prairie View A&M*

# How We Help You

## Financial Aid

Students needing financial assistance are encouraged to complete an application well in advance of registration for the semester they wish to attend. **To apply for financial aid, each year a student must complete the Application for Federal Student Aid (AFSA).** This application takes 4-6 weeks to process.

**Important Dates**—Although an application for financial aid may be submitted at any time during the term, priority is given to students who complete their file with the office of student financial aid and scholarships by the dates recommended below:

Fall Semester—June 1

Spring Semester—November 1

**Students whose files are completed after these dates cannot be assured of funding availability for registration purposes.**

A student may apply for financial aid before being admitted to Tyler Junior College. However, the awarding of aid is contingent upon acceptance for admission. Funding not used to pay tuition and fees, books, or room and board charges will be disbursed to the student approximately 45 days after classes begin.

Students and/or parents may also be required to submit a copy of their most recent federal income tax form. Any applicant who is married, born before January 1, 1967, orphaned or a ward of the Court, a veteran of the U.S. armed forces, or has legal dependents other than a spouse **may** be considered self supporting. An affidavit of independence signed by the student and his or her parents or guardian must be submitted in addition to the other required application materials.

All applicants who have attended other colleges or universities are required to submit a Financial Aid Transcript (FAT) whether or not financial aid was applied for or received at the other institution.

**Course Load Requirements**—For eligibility in Federal Programs (Pell Grant, SEOG, College Work-Study and Stafford Student Loan), students must be enrolled in a degree or certificate program for at least six credit hours. Students who attend only in the summer session may not be eligible for financial aid. Contact the office of student financial aid and scholarships for details.

Some of the scholarships, grants, loans, and job opportunities available to students are outlined in the following paragraphs. Contact the office of student financial aid and scholarships for detailed information about any program and deadlines for applying.

## Scholarships

### Presidential Scholarships

Presidential Scholarships of \$2,000 per year or \$4,000 over two years are awarded each year to incoming freshmen who demonstrate academic excellence, leadership in extracurricular high school and community activities, and rank in the first 10 percent of their graduating high school classes. The College currently has 38 Presidential Scholarships.

Priority for the selection of these Presidential Scholarships is given to students who meet the above criteria, have been admitted to the College and have filed TJC's application for scholarship with the director of student financial aid and scholarships by March 15. Applications for the scholarship are available through high school counselors.

To maintain the scholarship, a 3.5 cumulative grade point average must be maintained. These scholarships are funded through the various endowments available to Tyler Junior College.

Mrs. Royce E. (Petey) Wisenbaker Presidential Scholarship

### **Dean's Scholarships**

Dean's Scholarships of \$1,000 per year or \$2,000 over two years will be awarded each year to incoming freshmen who demonstrate academic excellence, leadership in extracurricular high school and community activities and rank in the first 15 percent of their graduating high school classes.

To maintain the scholarship, a 3.0 cumulative grade point average must be maintained. Applications for the scholarship are available through high school counselors.

### **Dean's Scholarships**

Brady P. Gentry Dean's Scholarships (5)  
Mr. and Mrs. A.W. Riter, Jr. Dean's Scholarships (2)  
Dorothy Fay White and J.E. White Dean's Scholarships (3)  
Mabel Williams Dean's Scholarship

### **Valedictorian's Scholarships**

Valedictorians (defined as highest-ranking student) of accredited Texas high school graduating classes are eligible for a freshman-year tuition and fees. A letter or certificate of verification from the student's high school principal must be presented.

### **College/Endowed**

A limited number of Tyler Junior College funded and endowed scholarships and grants are available to those who qualify on merit and/or need. The amounts and number of these awards will vary each year depending on available funding and the student's need. Generally, to receive consideration for academic scholarships, applicants must present outstanding academic ability and appropriate application.

Academic scholarships are awarded for one year at a time. Recipients must enroll in a minimum of 12 hours each semester. These scholarships are generally not available during the summer sessions. In all instances, where the student's need is

met with federal or state funds, any scholarship or grant awarded may be adjusted to meet federal/state audit guidelines.

## Athletic Scholarships

Athletic scholarships are awarded by the Tyler Junior College athletic program according to Conference and NJCAA guidelines. Applications may be made to the Tyler Junior College athletic office.

## Annual Scholarships and Awards

Listed below are the names of scholarships that have been awarded to Tyler Junior College students within the past two years. Many of the individuals or organizations named below have created or contributed significantly to scholarship opportunities for Tyler Junior College students. The list includes scholarships awarded by the **Tyler Junior College Foundation** and administered by the Tyler Junior College Scholarship Committee as well as scholarships awarded and administered by outside agencies.

For application information, contact the office of student financial aid and scholarships.

## Grants

### Pell Grant

The Pell Grant program is a federally funded program designed to provide eligible students with a "foundation" of financial aid to assist with the costs of attending college. To be considered for a Pell Grant, a student must be an undergraduate, not have received a bachelor's degree, and submit a Student Aid Report (SAR).

### Supplemental Educational Opportunity Grant (SEOG)

The SEOG program provides assistance for eligible undergraduate students who show exceptional financial need, are making satisfactory academic progress toward their educational goal and are enrolled for at least six credit hours. First priority is given to full time students receiving a Pell Grant. Students must submit a Student Aid Report (SAR) each year to the office of student financial aid and scholarships for any SEOG funding consideration. Funding is limited.

### Texas Public Educational Grant (TPEG)

The TPEG program is a state financial aid program to assist students enrolled at state supported colleges. This grant is available to students enrolled in at least six credit hours. However, priority is given to full time students. Students must apply each year for the TPEG by submitting an SAR. Funding is limited..

### **Texas Public Educational—State Student Incentive Grant (TPE-SSIG)**

The TPE-SSIG program is a state program. To qualify, students must show financial need and be making satisfactory academic progress toward their educational goal. This grant is awarded by eligibility based on a first-come, first-served basis. Students must apply each year for the TPE-SSIG, by submitting an SAR. Preference is given to full time students. Funding is limited.

## **Loans**

### **Stafford Student Loan (SSL)**

Stafford Student Loans may be made both by private lending institutions (banks, credit unions, insurance companies) and by the State of Texas, through the Hinson-Hazlewood College Student Loan Program. The interest on Stafford Student Loans is eight percent. Repayment on Stafford Student Loans begins six months after the student is no longer enrolled on at least a one-half time basis. There is a \$50 minimum monthly repayment and a maximum ten-year repayment period for these loans. In accordance with federal guidelines, all students must attend a pre-loan counseling session prior to the release of any check. Additionally, students are also required to attend an exit loan counseling session prior to graduating or exiting the institution. Contact the office of student financial aid and scholarships for further information.

### **Emergency Short Term Loans**

Tyler Junior College has established a limited Emergency Short Term Loan program to meet emergency needs of students who qualify. Loans are limited to the amount of tuition and fees and bear no interest; however, there is a \$15.00 loan processing fee. Students need to apply a week before registration in order for the loan to be processed. Contact the office of student financial aid and scholarships for more information.

## **Employment**

### **College Work Study (CWS)**

The College Work Study program provides part-time employment for students with financial need and who want to earn part of their educational expenses while they are going to school. Total earnings are determined by financial need and time available to work. Students must apply each year for College Work Study by submitting a Student Aid Report (SAR).

### **Student Assistants**

#### **Employment Program (NWS)**

Part-time employment for students who do not have financial need is available on campus. The wage rate and the average hours worked per week are similar to the College Work-Study program.

### **Off Campus Employment**

Various part-time employment opportunities are available in the Tyler community. Contact the counseling office for placement assistance. The wage rate varies with each job and financial need is not a requirement of employment.

## **Satisfactory Academic Progress Requirement**

Students who receive financial aid are required to make measurable progress toward the completion of their course of study. For a detailed description of the requirements, contact the student financial aid and scholarships office.

All inquiries regarding financial aid should be addressed to:

Director of Student Financial  
Aid and Scholarships  
Tyler Junior College  
P. O. Box 9020  
Tyler, Texas 75711

## **Vocational Rehabilitation Program**

The Texas Rehabilitation Commission (TRC) offers assistance for tuition and fees to students who are vocationally handicapped as a result of a physically or mentally disabling condition. This assistance is generally limited to students not receiving other types of aid. For informa-

tion contact: Texas Rehabilitation Commission, Tyler District Office, 1517 West Front Street, Tyler, Texas 75703.

## **Bureau of Indian Affairs**

The Bureau of Indian Affairs offers educational benefits to American Indian students. Interested students should contact the regional Bureau of Indian Affairs Office regarding eligibility: Bureau of Indian Affairs, 1100 Commerce-Room 2044, Dallas, Texas 75202.

## **Tuition Exemption Program**

In addition to the scholarships, grants, loans, and employment opportunities already mentioned, the State of Texas and Tyler Junior College offer a number of exemptions from tuition and fee charges. They are not related to family income or "financial need," nor do they require the completion of a regular financial aid application. Contact the student financial aid and scholarships office or admissions office for more information.

## **Veterans' Services**

### **Veterans' G.I. Bill of Rights**

Tyler Junior College is approved for veterans' training.

Veterans may consult the veterans' coordinator for information and assistance in applying for benefits.

### **Veterans' Dependents' Aid**

The federal government has set up provisions in Public Law 634 whereby certain veterans' dependents may be eligible for a subsidy while pursuing their education. Orphans of service personnel and dependents of veterans with service-connected disability may find themselves eligible.

### **Satisfactory Progress**

The Veterans Administration must be notified of unsatisfactory progress the second semester a student has not made a 2.0 average. Veterans should contact the admissions office for additional information.

## **Hazlewood Act**

Texas veterans who have exhausted their educational benefits may attend Tyler Junior College under the Hazlewood Act. All students qualifying for the Hazlewood veterans benefit will be exempt from tuition and educational related fees. Student service fees and late charges will be the responsibility of the student and are to be collected at registration.

### **Requirements:**

1. Qualify as a Texas resident
2. Was a Texas resident at the time of entrance into the service
3. Have an honorable discharge
4. Have a copy of discharge papers (DD 214) on file in the financial services office
5. Present proof of ineligibility for any other federal assistance

For further information, contact the coordinator of veterans' services in the admissions office.

*"I chose TJC because of its convenient location and it's economically suitable."*

# College Regulations

## Responsibility for Admission Requirements

Students are responsible for meeting all admission requirements including furnishing the necessary transcripts of their work. Failure to meet all requirements within a reasonable period of time after registration may cause them to be dropped from all work for which they have been enrolled.

Tyler Junior College reserves the right to refuse admission or readmission to any applicant who does not comply with admissions procedures or where evidence exists that the applicant probably would be incompatible with the aims and objectives of the College or where, in the judgment of the College, the applicant's presence on campus would not be in the best interest of the applicant or the College. An applicant who has a record of numerous arrests for violations of the law or whose conduct consistently has demonstrated anti-social behavior can be accepted only if the College is fully satisfied that his/her admission will be in the best interest of both the applicant and the College. Any person who does not agree with the above policy has the right of due process.

## Late Registration

Students should register at the scheduled times in order to have the widest choice of courses and to make the registration procedure more uniform. Students may be permitted to enroll during the scheduled late registration period, as space permits, but a late registration fee of \$10.00 will be charged. They will be responsible for making up all work missed.

## Adding and Changing Courses

After fees have been paid, adding or changing courses will be approved only for the most pressing of reasons. Compelling reasons for changing or adding courses might involve a change of degree plan or conflict of classes. The final date for changing courses can be found in

the College calendar. A change-of-schedule fee of \$5 will be charged each time a change is processed.

## Policy for Auditing a Course

When space is available, permission to audit a course may be granted to students who have been admitted to the College and who either already have credit in the course or do not wish credit for the work.

Students auditing a course may not, under any circumstances, claim credit for the course. **Registration of such students will occur on the last day of late registration or on the date specified in the College calendar.** A student who is registered for a course may not change from credit to audit in the course during audit registration or at any time during the semester.

## Charges for Auditing a Course

Charges are the same as for regular registration. *Persons 65 years of age or older may audit credit courses without tuition charges on a space-available basis.*

## Quantity of Work Rule

Students enrolled in 12 or more semester hours of work are considered full-time students. The standard amount of credit work for each student in the regular session is 15 or 16 hours a semester exclusive of physical activity courses.

The standard amount of credit work for each student in the summer session is six hours a summer term.

## Withdrawal

A student desiring to withdraw from school must submit a withdrawal petition to the registrar's office and is subject to the College's administrative policies.

## Reinstatements

A student who has been withdrawn from a course may be reinstated with the approval of the appropriate instructional dean. The student must initiate the reinstatement request within seven calendar days of the official date of drop by personally contacting the instructor involved.

## Attendance

Regular class attendance is fundamental for the success of the student; therefore, a student must report promptly and regularly to all classes. Students who are not in attendance enough to be certified to the state will be dropped from the rolls of that class.

## Student Absences on Religious Holy Days

A student may be excused from classes for a religious holy day **provided**, not later than the 15th day after the first day of the semester, the student notifies in writing each instructor of each class that he/she will miss for a religious holy day. Each instructor will arrange a schedule for work to be made up.

"Religious holy day" means a holy day observed by a religion whose places of worship are exempt from property taxation under SECTION 11.20, TAX CODE.

## Scholastic Probation

When a student's cumulative record indicates that he/she is failing to make satisfactory progress, he/she is considered to be scholastically deficient and is placed on scholastic probation. Scholastic probation is a conditional permission for a student to continue in college.

Satisfactory progress is defined as follows:

A student must maintain a cumulative "C" average (2.0) on all work completed and/or accepted in transfer at Tyler Junior College. Completed courses are those which receive grades of "A", "B", "C", "D", "F" or "WF".

A student who fails to achieve a "C" average upon completing 12 hours will be notified of his/her probationary status. Students who have completed 12 hours will have their status reviewed after each

long semester\*. It is recommended that students on probation see a counselor concerning ways in which they might improve their academic standing.

Should a student fail to achieve a cumulative 2.0 grade point average at the end of a second consecutive semester, the student will receive notification that he/she must report for counseling before registering again.

If a student fails to achieve a cumulative 2.0 grade point average at the end of the third consecutive semester, he/she will be placed on academic suspension. Students who have a "C" average for the immediately preceding semester will be allowed to continue on probation, **although the cumulative average will be below 2.0**. Students on probation for the third consecutive semester who do not have a "C" average for the immediately preceding semester will not be allowed to attend Tyler Junior College for the next long semester.\*

After a semester on suspension, students will be allowed to re-enroll on probation. These students will remain on probation until they earn a cumulative grade point average of 2.0 or better.

**Students who have been on suspension from Tyler Junior College or another college, who are allowed to register at Tyler Junior College, must make a "C" average in all courses attempted that semester, or they will be suspended for one year.**

A student suspended for scholastic reasons may appeal his/her suspension to the admission appeal committee.

Students requesting transfer to Tyler Junior College will be evaluated by the same criteria applied to Tyler Junior College students.

The student is held responsible for knowing College regulations regarding the standard of work required to continue in the College as well as the regulations dealing with scholastic probation and enforced withdrawal.

---

*\*For the purpose of determining compliance with the policies of academic suspension, the two summer terms will be the equivalent of one long semester.*

## Grades and Reports

Students receive grade reports every eight weeks. The standing of the student in each course is determined by his class performance and by regular examinations. Two hours is considered a reasonable amount of time for average students to spend in preparation for each hour of class work.

**Challenge of a final course grade must be initiated no later than the first ten days of the long semester\* following the awarding of the grade in compliance with the "Academic Grievance Resolve" in the Student Handbook.**

## Grading System

- A—** 4 grade points per semester hour, an EXCELLENT performance.
- B—** 3 grade points per semester hour, a GOOD performance
- C—** 2 grade points per semester hour, a FAIR performance
- D—** 1 grade point per semester hour, a POOR performance, but a passing grade\*
- F—** 0 grade points per semester hour, a FAILING grade
- I—** 0 grade points, INCOMPLETE due to illness or other unavoidable circumstances, must be completed within 30 days after the beginning of the following semester, or grade will be F
- IP—** 0 grade points, IN PROGRESS (neither passing nor failing), student must register and pay for course again the next semester. Grade used for developmental courses only
- W—** 0 grade points, WITHDRAWN from course while passing, prior to the 11th week of semester, or 2nd week of a summer term
- WF—** 0 grade points, WITHDRAWN from course while failing, after 11th week of a semester, or 3rd week of a summer term
- CR—** Credit by Examination or Advanced Placement

---

*\*Some programs require a "C" or better as a passing grade.*

## President's List

To qualify for the President's List, a student must complete a minimum of 12 hours of college level courses (100 or above) and have a 4.0 grade point average (all "A's").

## Dean's List

To promote high standards of scholarship, the College has established the Dean's List, which is published at the end of each semester. To qualify for the Dean's List, a student must complete a minimum of 12 semester hours of college level courses (100 or above) and have a 3.3 grade point average with no "D's", "F's" or "WF's".

## Graduating with Honors

To graduate with honors a student must complete all required courses of his/her appropriate degree. Grade point average is based on all accumulated course work of college level courses (100 or above) attempted.

**Highest Honors—**4.0 grade point average.

**High Honors—**3.6 grade point average.

**Honors—**3.3 grade point average.

### **Semester Grade Point Average (SGPA):**

Average will consist of the total of all course work completed for a given semester. The total number of grade points earned will be divided by the number of semester hours attempted.

### **Cumulative Grade Point Average**

**(CGPA):** Average will consist of the total of all college level work completed and/or accepted in transfer at Tyler Junior College, excluding courses below the 100 level. The total number of grade points earned in college level courses will be divided by the number of semester hours of college level courses attempted.

### **Degree Grade Point Average (DGPA):**

Average will consist of the total of all course work counted toward a specific degree plan at Tyler Junior College, excluding courses below the 100 level. The total number of grade points earned in college level courses will be divided by the number of semester hours of college level courses attempted. Only hours and grade points earned in the last passing grade will

be used to calculate degree grade point average. This grade point average will be used on the **degree plan only to determine eligibility for graduation.**

## Numbering of Courses

One semester hour represents one class hour per week for 16 weeks; for example, one course meeting three hours a week for 16 weeks carries credit of three semester hours.

Courses designated as developmental will not count as elective or degree credit toward any degree. Courses in this catalog which are developmental have three digit numbers which begin with "0".

Courses are numbered as follows (except in nursing): The first digit of the number indicates the college year in which the course is taken; the second digit in the number indicates the semester of the year in which the course is taken; the final digit indicates the credit value of the course in semester hours. Thus, English 123 indicates that the course is the first year, second semester English with a credit value of three semester hours.

All descriptive titles of courses are followed by two numbers in parentheses. The first of these numbers gives the number of class hours each week while the second number gives the number of hours of laboratory each week. For example, the notation (3-2) indicates that a course has three hours of class meetings and two hours of laboratory weekly.

## Transfer Credit

Credit for courses in which a passing grade has been earned may be transferred to Tyler Junior College from colleges and universities accredited through one of the following regional associations:

- Middle States Association of Colleges and Schools/Commission on Higher Education
- New England Association of Schools and Colleges
- North Central Association of Colleges and Schools
- Northwest Association of Colleges and Schools
- Southern Association of Colleges and Schools/Commission on Colleges
- Southern Association of Colleges and Schools/Commission on Occupational Education Institutions
- Western Association of Schools and Colleges/ Accrediting Commission for Senior Colleges
- Western Association of Schools and Colleges/Accrediting Commission for Community and Junior Colleges

It is the policy of Tyler Junior College not to transfer credits received from any United States institution not so accredited. However, students who have gained proficiency through completion of course work from non-accredited institutions should consult a counselor regarding credit by examination.

On receipt of an official transcript from an accredited institution, the grade point average will be computed based on all courses attempted. **Repeated courses will not be deleted from computation of cumulative grade point average in calculating honors.**

Course-by-course evaluation will be completed by the admissions office staff, as needed for degree or program planning. Individual courses transferred will not be posted on the Tyler Junior College permanent record, but a summary of the total hours accepted from other institutions will be a part of the permanent record.

Students planning to transfer Tyler Junior College course work to another college or university are advised to contact the transfer institution to determine its transfer policy. Tyler Junior College has established transfer agreements with all area colleges and universities. Course transfer information is available from faculty advisors through instructional deans or counselors. The decision to accept Tyler Junior College courses in transfer and/or to apply those courses to individual degree plans is made by the receiving institution. Students should always consult the college catalog and proper officials of that institution.

## Student Load

A student may enroll in one or more courses. A standard load is considered to be five solid courses (three or four semester hours credit each) plus physical education activity and freshman orientation (first semester). Organizations such as band and choir may be added without special permission. Students desiring to take more than 20 hours per semester are required to present an outstanding record on courses already completed, and obtain the permission of their instructional dean for the overload.

## Records and Transcripts

Students shall have access to their official education records and shall have the opportunity to challenge such records if they deem them inaccurate, misleading or otherwise in violation of their privacy or other rights. Except for directory information, Tyler Junior College will not release personally identifiable data from student records to other than a specified list of exceptions without a written consent of the student. Even a release of information to parents requires a student's written consent.

In compliance with the Family Educational Rights and Privacy Act of 1974 (PL-93-380), as amended, the following information is provided concerning student records maintained by Tyler Junior College; and upon request, this act is available for review in the office of the registrar:

Area in which student records are maintained:

1. **Academic records:** registrar's office, continuing education office and faculty offices
2. **Placement and testing records:** counseling office
3. **Financial records:** business office and financial aid office
4. **Medical records:** College nurse office

## Review of Record

Any student has the right to inspect and review the content of his/her records, to obtain copies at the student's own expense, to receive explanations or interpretations of the records and to request a hearing to challenge the content. Access to the records may be requested on a form available from the official in charge of the particular record.

**Challenging of a grade must occur within the first ten days of the long semester immediately following awarding of the grade.**

**Informal Review:** Follow the procedure as outlined for review of record. An official will summarize action taken on a review request form. This should be signed and dated by the review official and maintained with student's records.

**Formal Review:** If the informal review does not clarify the question of accuracy of record-keeping the student may request a formal review. The Academic Appeals Committee will hear challenges concerning these records.

## Family Rights and Privacy Act

In compliance with the Family Educational Rights and Privacy Act of 1976, (P.L. 93-380, section 513), as amended (P.L. 93-568, section 2), information classified as "Directory Information" may be released to the general public without the consent of the student.

Tyler Junior College hereby designates the following student information as public or "Directory Information": Name, address, telephone number, dates of attendance, class, previous institution(s) attended, major field of study, awards, honors (includes Dean's List), degree(s) conferred (including dates), past and present participation in officially recognized sports and activities, physical factors (height, weight of athletes) and date and place of birth.

A student may request that the above directory information be withheld from the public by making written request to the Registrar's Office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for non-disclosure must be completed every fall, spring and summer session or term enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of "Directory Information" indicates individual approval for disclosure.

## Change of Name or Address

A student who changes his/her residence or mailing address is expected to notify the registrar of this change immediately. **If a change of residency is implied, documentation must be furnished.** Any communication from the College which is mailed to the name and address on record is considered to have been properly delivered and the student is responsible therefor.

## Student Consumer Information

Information not found in this catalog regarding Tyler Junior College may be found in the student activities office.

# Residence Life

It is the goal of the College that students living on our campus should be provided with an academically healthy atmosphere, appropriate social outlets and a safe and secure environment within which they can achieve their educational goals and develop into responsible citizens. To help accomplish these goals, Tyler Junior College maintains a modern residential living system of eight residence halls which house more than 600 students. Each living unit is air-conditioned and features suites of four people in two bedrooms sharing bathroom facilities. All rooms have basic furniture and smoke alarms for the safety of residents. Each hall has limited laundry and kitchen facilities for residents' use.

Students living in College housing have opportunities to participate in student government at the hall level and enjoy proximity to many College activities and events. Programs are provided in the halls on a regular basis for the information of students and include areas such as health issues, including drugs, eating disorders, and basic health care; assertiveness skills and relationship dynamics; social activities for hall residents; and study skills and career planning workshops.

A full-time professional hall coordinator and several student resident assistants live in each of our living units to provide supervision and direction for residents. They are responsible for the daily operation of the hall, provision of programs for resident students, and individual assistance to students on both academic and personal issues. The residence staff holds active membership in both the regional and national college housing associations.

Assignment to College housing includes a full seven-day meal plan in the College dining hall. Only full-time students who carry 12 semester hours or more are eligible for College housing. Assignments are very limited and it is suggested that applications be submitted at least six months prior to the semester for which housing is desired. Both a complete application form and a deposit are required to be considered for assignment.

Applications submitted without the required deposit will be returned without action. Applications for College housing are available upon request from the residential life office. Once assigned to a specific hall, payment is due on August 1 for fall semester and on January 1 for spring semester. Summer housing costs and dates vary according to availability.

More information about the residential life program, including current costs, is available from the residential life office located in the Rogers Student Center or by calling 214-531-2524.

Tyler Junior College gives equal consideration to all applicants for College housing without regard to race, creed, color, national origin, sex, age, marital status, or physical handicap.

## College Dining Hall

The College Dining Hall provides meals for all students enrolled at the college on a variety of payment plans from one meal to a seven-day meal plan for an entire semester.

Students desiring more information should contact the director of food services.

## Health Services

Health services provides facilities for limited health care. Proper care is provided in case of minor illnesses; first aid assistance is rendered when needed, and individuals are referred to appropriate sources when more definitive care is necessary. All costs related to hospitals, services of a physician and medications not furnished by health services must be paid by the student.

Student Medical insurance coverage is available at a reasonable rate from a private carrier. More information about health programs, including student insurance, can be obtained in the health services office. Health services is located in the Rogers Student Center.

# Student Activities

Extracurricular activities at Tyler Junior College are varied, and designed to afford full- and part-time students with opportunities for enjoyment and enrichment. These activities are intended both to augment class work and to provide relaxation from studies.

The excitement of athletic events, the quiet pride of candlelit initiations, the exhilarating camaraderie of a club project—these are all part of the College's extracurricular activities. A community college as well as a traditional junior college, TJC seeks in its numerous beyond-the-classroom activities to serve not only the students on campus, but also the township and the entire East Texas area. For more information on student activities see the *Tyler Junior College Student Handbook*.

Following is a sampling of some of the major extracurricular activities at the College:

## Apache Band

The Apache Band which is the official College band and accompanies the Apache Belles, is open to all qualified students. The stage band and concert band are select groups of band students from the Apache Band chosen to play a variety of music.

### ★ TJC Trivia ★

The now world-famous Apache Belles originally started out as the "Apache Roses." It wasn't until December of 1947 that the new title was officially adopted.

## Apache Belles

A select women's organization, the group presents performances for half-time entertainment at college and professional games and entertains on other occasions.

Throughout the year, special study is given to good taste in clothing, makeup, manners and general personal improvement.

## Concert Choir

Open to all students who wish to sing, the choir represents the College in concerts on and off campus.

## Harmony and Understanding

A select group of singers from the concert choir, Harmony and Understanding sings modern popular music.

## The Madrigal Singers

The Madrigal Singers, a select group of singers from the concert choir, present music from the classical and baroque eras.

## Student Senate

The Student Senate is the primary programming and governmental organization for the general student body. The Senate Executive Council is made up of nine officers elected by the students. Both freshman and sophomore senators are elected each year. The Senate encourages leadership and personal growth. Exciting activities for all students are planned by the Senate throughout the College year.

## Athletic Program

The College athletic program includes intercollegiate sports for men in football, basketball and tennis and for women in basketball and tennis.

## Clubs and Organizations

Other student activities include clubs and organizations which are intended to include the diverse interests of the students. The following list of organizations are presently active on the campus. A more complete description of the purposes and activities of each organization is included in the *Student Handbook*.

Biology Society of Tyler Junior College  
Cheerleaders  
Chi Alpha  
Epsilon Delta Pi  
Electronics Club  
Eta Epsilon  
Fire Protection  
Future Farmers of America  
Geological Society  
Gospel Choir  
Home Economics  
Horticulture Club  
Intergreek Council  
International Student Organization  
Las Mascaras Speech and Dramatic Club  
Delta Psi Omega  
Law Enforcement Student Association  
Mu Lambda Tau  
Phi Theta Kappa  
Physical Education Club  
Resident Assistants Association  
Psychology/Sociology Club  
Racquetball Club  
Respiratory Therapy  
The Student American Dental Hygienists' Association  
Soccer Club  
Texas Society of Professional Surveyors  
Tyler Junior College Nursing Student Association  
Tyler Junior College *News*  
Tyler Junior College *Touchstone*  
The Apache Rodeo Club  
Tennis Tech  
Chi Alpha  
College Republicans

## Religious Student Centers

Association of Baptist Students  
Baptist Student Union  
Tri C  
Wesley Foundation

## Fraternities

Alpha Omega  
Phi Delta Sigma  
Delta Theta Chi  
Sigma Delta Nu  
Kappa Kappa Psi  
Alpha Sigma Chi  
Kappa Delta Upsilon  
Eta Phi Epsilon

## Sororities

Alpha Delta Sigma  
San Souci Sorority  
Tau Beta Sigma  
Tau Kappa  
Zeta Phi Omega

*Fraternities and sororities give students a sense of belonging and provide many enjoyable social activities as well as performing community services.*

# Counseling and Advising

Academic advising is provided to new students, education majors, scholastic probation students and to those whose major is undecided. Testing and tutorial services for students, as well as information concerning transferability of course work, is available. Counselors assist students with personal problems and concerns and provide referral information when requested. In addition, counselors help students to evaluate their interests and abilities and to set academic and career goals.

Counseling services provides services to currently enrolled and prospective students during both day and evening hours.

Prior to registration, new students are required to participate in the testing and advisement process, regardless of student classification, after having satisfied Tyler Junior College admissions requirements.

All returning students with chosen majors are advised by faculty advisors within the division of a student's program of study. Returning or readmission students should consult with their faculty advisor well in advance of registration to avoid possible advisement delays.

## Testing

### Admissions Test Score Requirement

All freshman and transfer students who have completed less than 15 semester hours are strongly encouraged to submit scores of the American College Testing Program (ACT) or the College Board (formerly SAT) well in advance of actual enrollment.

Beginning students will be required to take placement tests in English, Math and Reading for proper placement in courses at Tyler Junior College. Information on these tests may be obtained by contacting the Tyler Junior College counseling services.

## Credit by Examination

### College Level Credit by Examination (CLCBE)

Tyler Junior College recognizes the fact that many students, independent of the college environment, have achieved the goals and objectives of certain college courses. In accordance with that belief, Tyler Junior College has adopted policies and procedures whereby students may receive college credit for that knowledge and/or experience or may be enrolled in classes commensurate with the academic level to which they belong.

Credit earned through CLCBE procedures will apply toward the graduation requirements of Tyler Junior College. Credit will also be given for acceptable advance placement scores of the College Board (AP), College Level Examination Program (CLEP), Defense Activity for Non-Traditional Educational Support (DANTES), certain specific departmental institutional tests, credit by life work experience and additional tests as determined by the institution. Students are eligible to receive a maximum of 15 semester hours credit through CLCBE procedures providing they are concurrently enrolled at Tyler Junior College and complete a full semester of academic work in the classroom setting. Upon successful completion of any CLCBE experience, a grade of **CR** will be awarded and will not affect the grade point average. Tyler Junior College does not guarantee the transfer of credit awarded through College Level Credit by Examination (CLCBE) to other institutions; therefore, those individuals who desire to transfer credit should contact the institutions of choice for such information.

**There is a \$25 fee for posting credit by examination to college records.**

For further information about the College Level Credit by Examination Program, contact the Tyler Junior College testing center.

## Career Development/ Placement

Career development and placement services available for students include exploration of career options, computer-based interest assessments, occupational information, senior colleges and transfer information.. Placement services available include: job search information, referrals for part-time and full-time employment, employee information through specific program director liaisons, campus interviews, and computer-based resume writing program. Frequent seminars are conducted on resume writing, job search strategies, and interview techniques throughout the year.

For more information, contact Tyler Junior College Career Development and Placement , 214-531-2390.

## Support Services

Tyler Junior College provides a variety of support services for students with special needs and capabilities. Programs have been developed to assist the student with weak academic skills, a physical/learning disability and the non-traditional student considering "re-entry" into education or employment.

For more information, contact Support Services in the Rogers Student Center.

## Vaughn Library and Learning Resources Center

The Vaughn Library and Learning Resources Center holds a Library collection, the interactive computer learning center, and an instructional videotape collection. In addition, book collections for the health sciences, legal assistants, and other programs are here.

Books from the library are checked out using a current ID card. Reference books, microfilms, and magazines stay in the library, but copy machines can be found on each floor. Software in the interactive computer learning center includes word-processing, database, and spreadsheet applications. Also, computer-assisted-

instruction programs in chemistry, English, history, foreign language, and other areas are here. Tapes from the video collection can be viewed on the second floor. Video programs for the instructional television (ITV) courses can be viewed here, checked out for watching at home, or for Tyler residents, seen on Channel 30 of the local cable.

## Success Oriented Studies

Success Oriented Studies (SOS) refers to courses and certain services in academic development for underprepared students. Assistance in basic skills such as reading, writing, mathematics and personal development is available through both semester-length developmental courses and shorter term individualized programs of study.

For more information, contact the Success Oriented Studies office on the second floor of the Vaughn Library and Learning Resources Center.

## Summer Freshman Orientation

Summer freshman orientation sessions are available to students who wish to complete the freshman orientation requirement and register early for the fall semester. Students who participate in one of the summer freshman orientation sessions learn about the college courses available, discuss college and career plans with counselors, faculty advisors and other professionals and complete registration procedures for the fall semester.

For additional information, contact Tyler Junior College counseling services.

### ★ TJC Trivia ★

The oldest continuous academic organization on campus is Las Mascaras, the dramatic club, founded in 1926.

"Today almost every profession works with computers in some way, from the car mechanic to the lawyer. It is my ambition to take the mystery out of computers and make learning about them fun for my students."

**Jill Betts**

*Instructor, Computer Science*

A.A., Tyler Junior College

B.S., M.S., Texas A&M University

# What We Offer

## Degrees, Certificates and Graduation

### General Requirements for all Degrees

The following general requirements must be met by all students receiving associate degrees:

1. **The student must apply for a degree in a specific concentration by the published deadline.**
2. The student must complete 62 acceptable credit hours of work with an average grade of at least "C".
3. Fifteen of the last 21 credit hours must be completed at Tyler Junior College. At least 15 credit hours of work must be of sophomore level.
4. Students who graduate in the spring are required to attend the commencement exercises unless excused.
5. **A student should apply for a degree within a year of when he/she last attended Tyler Junior College.**

### Associate in Arts Degree

The associate in arts degree is designed to give students breadth of knowledge in the liberal arts, promote critical thinking that is fundamental to higher education and allow students to take specific courses in a discipline. Students working toward the associate in arts degree will take essential core requirements that will allow them to transfer to a senior college. Tyler Junior College offers the associate in arts degree to students completing the general requirements for all degrees, the general degree requirement for the associate in arts degree and those courses required for concentrations in the disciplines listed after the general degree requirements.

The general degree requirements for the associate in arts degree are:

1. **English 113 and 123** (6 credit hours)
2. **History 213 and 223** (6 credit hours)  
Students may substitute one of these courses with another American or state history course. Students should check with the history department of the senior college to which they intend to transfer.
3. **Government 213 and 223** (6 credit hours)
4. **Health and Physical Education 111** and one additional HPE activity course.
5. **College level math** (3 credit hours)  
If mathematics is not listed as a specific requirement in a concentration, a minimum of three credit hours of college level mathematics will be required for graduation

NOTE: In all Associate in Arts degree plans, several disciplines are suggested as electives. *Social science* includes history, government, economics, sociology and psychology. *Humanities* include philosophy, literature, foreign language, music, theatre, art, journalism, speech, dance and Bible. *Natural science* includes chemistry, biology, geology, physics, astronomy and mathematics. *Laboratory science* includes chemistry, biology, geology, physics and astronomy.

## Concentration in Agriculture

1. Complete general degree requirements.
2. Complete these specific requirements:

### **Biology** (4 credit hours)

From BIO 114C, 124C, 124B, 114M, 124M

### **Agriculture** (12 credit hours)

### **Mathematics** (3 credit hours)

From MTH 113 or higher level mathematics course

### **Speech** (3 credit hours)

From SPH 113, 113A or 223A

**Electives to total 62 hours. Students should check senior college requirements.**

Suggested electives from chemistry, agriculture, biology, English, humanities, social science, health and physical education.

## Concentration in Art (Suggested for Fine Arts and Commercial Art Majors)

1. Complete general degree requirements.
2. Complete these specific requirements:

### **Art** (18 credit hours)

To include 113D, 123D, 113E, 123E, 213 and 223

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from mathematics, laboratory science, social science, English, humanities, health and physical education.

## Concentration in Behavioral Science (Majors in psychology, sociology and social work)

1. Complete general degree requirements.
2. Complete these specific requirements:

### **English Literature** (3 credit hours)

Any sophomore literature

### **Biology** (8 credit hours)

### **Mathematics** (6 credit hours)

### **Humanities, Social Sciences** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from social science, humanities, natural science, health and physical education.

## Concentration in Business Administration

1. Complete general degree requirements.
2. Complete these specific requirements:

### **Business** (14 credit hours)

BUS 113B, 214, 224, 213L or approved elective\*

### **Computer Science** (3 credit hours) CS 113V

### **Economics** (6 credit hours) ECO 213, 223

### **English Literature** (3 credit hours) A sophomore literature course.

### **Humanities/Behavioral Science** (6 credit hours) SPH 113A Approved Elective\*

### **Laboratory Science** (8 credit hours) Astronomy, Biology, Chemistry, Geology or Physical Science

### **Mathematics** (6 credit hours) MTH 113K and MTH 123K

\*Business Approved Elective: See your program advisor.  
Humanities/Behavioral Science Approved Electives:  
PHI 213, SOC 223A.

Students who intend to transfer to a university and seek the baccalaureate degree in business administration should consult with a program advisor, inquire of the university course requirements, and plan a degree accordingly.

## Concentration in Computer Science

1. Complete general degree requirements.
2. Complete these specific requirements:

### **Computer Science** (12 credit hours)

From CS 113A or 113L, 113P, 123E, 213A, 213F, CS 223C, or MTH 123D

### **Laboratory Science** (4 credit hours) From \*Biology, \*Geology, +Chemistry or +Physics

### **Mathematics** (6 credit hours) From MTH 113A, \*MTH 113K, \*MTH 123K, +MTH 113B, +MTH 213A, +MTH 213B

### **Accounting** and/or additional **Laboratory Science** and/or additional

### **Mathematics** (6/8 credit hours) From \*BUS 214, \*BUS 224 and/or from \*Biology, \*Geology, +Chemistry or +Physics and/or from \*MTH list above or higher level course.

### **Humanities, Social Science** or

### **\*Economics** (6 credit hours)

**Electives to total 62 hours.**

\*Recommended for business oriented degree.  
+Recommended for scientific or engineering oriented degree.

**Student should check senior college requirements.**

NOTE: For other Computer Science degrees, see pages 43 and 44 of this catalog.

## Concentration in Engineering

1. Complete general degree requirements.
2. Complete these specific requirements:

**Mathematics** (12 credit hours)

To include MTH 213A, 213B, 223C

**Engineering** (6 credit hours)

EGR 213, 223A

**Physics** (8 credit hours)

From PHY 124A, 224A and 214A

**Chemistry** (4 credit hours)

CHM 114

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from mathematics, laboratory science, humanities, social science, health and physical education.

## Concentration in Fine Arts

*(Speech/Drama/Theatre Arts/  
Dance/Art/Music)*

1. Complete general degree requirements.
2. Complete these specific requirements:

**English Literature** (3 credit hours)

Any sophomore literature

**Mathematics, Foreign Language,  
Laboratory Science** (12 credit hours)

**Speech/Drama/Theatre Arts/Dance/  
Art/Music** (15 credit course hours)

From any one area

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from humanities, social science, natural science, health and physical education.

## Concentration in Health and Physical Education

1. Complete general degree requirements.
2. Complete these specific requirements:

**Health and Physical Education**

Activity courses (4 credit hours)

To include HPE 111

Theory/Teaching courses (12 credit hours)

**Mathematics** (6 credit hours)

MTH 113 and another Math such as MTH 113A

**Laboratory Science** (8 credit hours)

Suggested courses are BIO 114D and BIO 124D

**Humanities, Social Science** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from natural science, social science, humanities, health and physical education.

## Concentration in Home Economics

1. Complete general degree requirements.
2. Complete these specific requirements:

**Home Economics** (12 credit hours)

**Mathematics, Laboratory Science or**

**Foreign Language** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from social science, laboratory science, humanities, home economics, health and physical education.

## Concentration in Journalism

*(Advertising, Broadcast News,  
Magazine Journalism, News/Public  
Affairs Reporting, Public Relations,  
Radio, Television, Film)*

1. Complete general degree requirements.
2. Complete these specific requirements:

**English Literature** (3 credit hours)

Any sophomore literature

**Journalism** (12 credit hours)

To include JRN 113C, 213 and 223.

**Mathematics, Laboratory Science or**

**Foreign Language** (12 credit hours)

**Humanities and**

**Social Science** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from humanities, social science, mathematics, health and physical education.

## Concentration in Liberal Arts

*(Majors in History, Foreign Language,  
Government, Economics, Literature  
and Pre-Law)*

1. Complete general degree requirements.
2. Complete these specific requirements:

**English Literature** (3 credit hours)

Any sophomore literature

**Humanities or**

**Social Science** (12 credit hours)

To include HST 113A and 123A

**Foreign Language, Laboratory Science or**

**Mathematics** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from humanities, social science, laboratory science, mathematics, health and physical education.

## Concentration in Mathematics

1. Complete general degree requirements.
2. Complete these specific requirements:

**Mathematics** (15 credit hours)

To include MTH 213A, 213B, 223C

**Laboratory Science** (8 credit hours)

**\*Computer Science** (3 credit hours)

From MTH 123D or CS 113P or 123V or 213F or 223C

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from English, mathematics, natural science, social science, foreign language, health and physical education.

*\*See the catalog of the senior college of your choice.*

## Concentration in Music

1. Complete general degree requirements.
2. Complete these specific requirements:

**Music** (35 credit hours)

including (12) Theory-MU 113T, 123T, 213T, 223T

(4) Sight Singing and Ear Training-MU 111T, 121T, 211T, 221T

(12) Private lessons (instrument and/or voice)

(4) Ensemble (band, choir, etc.)

(3) Literature-MU 113L or MU 123L

(must be taken during freshman year)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from English, mathematics, natural science, humanities, social science, health and physical education.

*"I wanted to start at a junior college."*

**Lisa Castillo**

*dance major*

## Concentration in Natural Science

*(Majors in Biology, Chemistry, Geology, Physics, Pre-Med, Pre-Dental)*

1. Complete general degree requirements.
2. Complete these specific requirements:

**Chemistry** (8 credit hours)

CHM 114, 124

**Additional Laboratory**

**Science** (8 credit hours)

**Mathematics** (6 credit hours)

MTH 113A, 113B or higher level mathematics

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from English, mathematics, natural science, foreign language, health and physical education.

## Concentration in Speech/Theatre

1. Complete general degree requirements.
2. Complete these specific requirements:

**English Literature** (3 credit hours)

Any sophomore literature

**Speech/Theatre** (15 credit hours)

To include SPH 113C and SPH 123A

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from speech, theatre, humanities, social science, laboratory science, fine arts, health and physical education.

## Concentration in Interdisciplinary Studies

*(Majors in Special Education, Elementary Education, Secondary Education)*

1. Complete general degree requirements.\*
2. Complete these specific requirements:

**English Literature** (3 credit hours)

Any sophomore literature

**Mathematics, Foreign Language,**

**Laboratory Science** (12 credit hours)

(4) courses from 2 of these areas

**Humanities, Social Science** (6 credit hours)

**Electives to total 62 hours. Student should check senior college requirements.**

Suggested electives from social science, humanities, natural science, health and physical education.

## **Associate in Applied Science Degree**

The associate in applied science degree combines general liberal arts courses with specialized, technical courses. Tyler Junior College offers the associate in applied science degree to students completing those courses in the following programs:

Air Conditioning and Refrigeration  
Associate Degree Nursing  
Bank Management  
Child Development  
Computer-Aided Drafting  
Computer Science  
Criminal Justice  
Dental Hygiene  
Electronics  
Emergency Medical Technology  
Farm and Ranch Management  
Fashion Merchandising and Retailing  
Fire Protection  
General Business  
Graphic Arts/Photography  
Legal Assistant  
Management  
Medical Laboratory Technician  
Mineral Lease Records  
Office Technology  
Ornamental Horticulture  
Postal Management  
Radiologic Technology  
Real Estate Management  
Recreation Leadership-Tennis Teaching  
Respiratory Therapy  
Surveying  
Welding

Health science students should check specific graduation requirements for their program.

## **Proficiency Certificates**

Students completing with a minimum of a "C" average all courses in their major in the following degree plans are awarded certificates of proficiency:

Farm and Ranch Management  
Fashion Merchandising and Retailing  
Fire Protection  
Legal Assistant

Management  
Office Technology  
Ornamental Horticulture  
Postal Management  
Real Estate Management  
Recreation: Tennis Teaching  
Surveying  
Welding

Designated certificate programs are:  
Air Conditioning and Refrigeration  
Bank Management  
Child Development  
Computer-Aided Drafting  
Computer Science  
Criminal Justice  
Drafting  
Fashion Merchandising and Retailing  
Fire Protection  
Graphic Arts/Photography  
Long Term Care Administration  
Management  
Medical Office Management  
Microcomputer Repair  
Mineral Land Management  
Mineral Lease Records  
Office Technology  
Optician Technician  
Ornamental Horticulture  
Postal Management  
Real Estate Management  
Surveying  
Welding

In the following health science programs, Certificates of Proficiency will be awarded provided each required course is completed with a minimum grade of "C".

Respiratory Therapy  
Vocational Nursing

## **Certificates of Completion**

Students completing with a minimum of a "C" in each required course will receive a certificate of completion in:

Emergency Medical Technology, BA  
Emergency Medical Technology, Inter.

# Air Conditioning and Refrigeration Curriculum

## First Year

### Semester I

- AC 113** Introduction to AC & Refrigeration
- AC 113A** Fundamentals of Refrigeration
- AC 113D** Fundamentals of Electricity
- AC 113W** Air Conditioning Welding Procedures
- ENG 113** Composition and Rhetoric
- PSY 111** Freshman Orientation

### Semester II

- AC 123A** Commercial Refrigeration
- AC 123B** Blueprint Reading
- AC 123D** Automatic Controls I
- HPE 111** Health Concepts
- ENG 123B** Technical Report Writing
- MTH 123E** Applied Mathematics

### Summer Session I & II (Optional)

- AC 213I** Internship (14 weeks)

## Second Year

### Semester III

- AC 213A** Heating
- AC 213C** Automatic Controls II
- AC 213D** Air Conditioning Systems Design
- Computer Science Elective**
- History or Government**

### Semester IV

- AC 223B** Installation and Maintenance of Air Conditioning Systems
- AC** Elective
- AC** Elective
- MGT 113C** Human Relations in Management
- SPH 223A** Business and Professional Speaking
- MGT 113S** Small Business Management

*AC Electives: AC 113S, AC 213I, AC 223H, AC 223M, AC 223P, AC 223T.*

## (Designated Air Conditioning and Refrigeration Certificate)

### Semester I

- AC 113** Introduction to AC and Refrigeration
- AC 113A** Fundamentals of Refrigeration
- AC 113D** Fundamentals of Electricity
- AC 113W** Air Conditioning Welding Procedures
- AC** Elective

*Approved Electives: BUS 113B, GOV 213, GOV 223, HST 213, HST 223, MGT 113C, MGT 113S, OFT 113T, PSY 213, SOC 213, ECO 223 and MTH 223S.*

*Banking Courses: BM 111W, BM 112S, BM 113, BM 113A, BM 113B, BM 113C, BM 113S, BM 123A, BM 123B, BM 123C, BM 123S, BM 213B, BM 213D, BM 213E, BM 223, BM 223A, BM 223E, BM 223D, BM 223G and BM 223H.*

*\*Prerequisites must be met prior to enrollment. Refer to catalog descriptions.*

*\*\*Banking internship includes twenty hours of supervised work experience each week with a one-hour related weekly seminar. Student is limited to only one internship per semester.*

*(BM 223C, BM 213B, BM 213D, BM 223A and BM 113S require completion of 18 hours of Banking courses before enrollment or permission of local training officer.)*

## (Designated Bank Management Certificate)

### First Year

#### Semester I

**BM** (6 semester hours of Banking courses)

**BUS 113A** Elementary Accounting I

#### Semester II

**BM** (6 semester hours of Banking courses)

**BUS 123A** Elementary Accounting II

#### Summer Session I

**MGT 113B** Principles of Management

**BM** (6 semester hours of Banking courses)

#### Summer Session II

**REM 123A** Real Estate Finance

**BM** (6 semester hours of Banking courses)

# Child Development Curriculum

## First Year

### Semester I

- CD 113** Introduction to Child Development
- CD 113A** Survey of Child Care Management
- CD 113B** Curriculum and Materials in the Child Care Facility
- CD 113C** Health Care and Safety
- ENG 113** Composition and Rhetoric
- PSY 111** Freshman Orientation

### Summer Session I (5 weeks)

- CD 113S** Cooperative Training

### Semester II

- CD 123** The Family and the Community
- PSY 223A or CD 123A** Growth & Development in Early Childhood
- CD 123B** Creative Activities
- CD 123C** Child Health and Nutrition
- PSY 213** Introductory Psychology
- HPE 111** Health Concepts of Physical Fitness

### Summer Session II (5 weeks)

- CD 123S** Cooperative Training

## Second Year

### Semester III

- CD 213** The Special Child
- CD 213A** Preschool Theory and Application
- MTH 113G or MTH 123E**  
Government Elective
- MGT 113S** Small Business Management

### Semester IV

- CD 223** Child Care Issues
- CD 223A** Child Care Facility Management
- CS 113C** Computer Literacy
- Speech Elective
- Sociology Elective

# Computer-Aided Drafting Curriculum

## First Year

### Semester I

- EGR 113** Engineering Design Graphics I
- DFT 113B** Illustration Drawing
- DFT 113G** Introduction to Computer-Aided Drafting
- ENG 113** Composition and Rhetoric
- MTH 123E\*** Applied Mathematics
- PSY 111** Freshman Orientation

### Semester II

- EGR 123** Engineering Design Graphics II
- DFT 123B** Computer-Aided Machine Drafting
- DFT 123E** Computer-Aided Electronics Drafting
- ENG 123B** Technical Report Writing
- Approved Elective
- HPE 111** Health Concepts

## Second Year

### Semester III

- DFT 213A** Computer-Aided Architectural Drafting
- DFT 213P** Computer-Aided Pipe Drafting
- DFT 213S** Computer-Aided Structural Drafting
- SPH 223A** Business and Professional Speaking
- MTH 113T\*** Applied Trigonometry

### Semester IV

- DFT 223B** Map Drafting
- DFT 223C** Plane Surveying
- DFT 223G** Advanced Computer-Aided Drafting
- PHY 113D** Industrial Strength of Materials
- Behavioral or Social Science Elective

*\*Student placement in mathematics classes is based upon the results of tests and subjects completed before admission.*

*Suggested Electives: DFT 223A, DFT 223P, CS 113C, MGT 113B, MGT 113C, GOV 213, GOV 223, HST 213, HST 223, PSY 213, SOC 213.*

## (Certificate of Proficiency in Computer-Aided Drafting)

### Semester I

- EGR 113\*** Engineering Design Graphics I
- CS 113C\*** Computer Literacy
- DFT 113G** Intro to Computer-Aided Drafting
- DFT 123E** Computer-Aided Electronics Drafting
- DFT 213A** Computer-Aided Arch. Drafting I

\*EGR 113 and CS 113C are required courses. DFT 223P may be substituted for any one of the other drafting courses.

### Semester II

- DFT 123B** Computer-Aided Machine Drafting
- DFT 213P** Computer-Aided Pipe Drafting
- DFT 213S** Computer-Aided Structural Drafting
- DFT 223A** Computer-Aided Arch. Drafting II
- DFT 223G** Advanced Computer-Aided Drafting

## (Certificate of Proficiency in General Drafting)

### Semester I

- EGR 113\*** Engineering Design Graphics I
- DFT 113B\*** Illustration Drafting
- DFT 113G\*** Intro to Computer-Aided Drafting
- DFT 123E** Computer-Aided Electronics Drafting
- DFT 213A** Computer-Aided Arch. Drafting I

\*EGR 113, DFT 113B, DFT 113G and DFT 123B are required core courses. DFT 223A, DFT 223B, DFT 223C and/or DFT 223P may be substituted for any other drafting course(s).

### Semester II

- EGR 123** Engineering Design Graphics II
- DFT 123B\*** Computer-Aided Machine Drafting
- DFT 213P** Computer-Aided Pipe Drafting
- DFT 213S** Computer-Aided Structural Drafting
- DFT 223G** Advanced Computer-Aided Drafting

## Computer Science Curriculum\*

### (Microcomputer Option)

#### First Year

##### Semester I

- CS 113A** Introduction to Computers
- CS 113C** Computer Literacy
- CS 113K** Introduction to Computer Operations
- CS 113L** Introduction to Computer Programming Logic
- CS 113M** DOS/Data Entry
- BUS 113A** Elementary Accounting I
- PSY 111** Freshman Orientation

##### Semester II

- CS 123L** Advanced Computer Programming Logic
- CS 213H** Extended DOS
- CS 223J** Data Base Concepts with Programming
- BUS 123A** Elementary Accounting II
- ELC 123K** Introduction to Computer Hardware
- MTH 123E** Applied Mathematics

#### Second Year

##### Semester III

- CS 123T** Lotus 1-2-3
- CS 213B** Systems Analysis
- CS 213F** Computer Programming: QUICK BASIC
- ENG 113** Composition and Rhetoric
- OFT 213C** Comparative Word Processing

##### Semester IV

- CS 123V** Computer Programming: C Language
- CS 223V** Professional Development Seminar  
or **Computer Science Elective**
- ENG 123B** Technical Report Writing  
**Social or Behavioral Science Elective**
- HPE 111** Health Concepts
- SPH 223A** Business and Professional Speaking

Computer Science Electives: CS 113P, CS 113V, CS 123B, CS 123E, CS 123M, CS 213R, CS 223C, CS 223G, Special Topics (CS 113Y, CS 123Y, CS 213Y, CS 223Y).

\*Pending approval from the Texas Higher Education Coordinating Board.

# Computer Science Curriculum\*

## (Programming Option)

### First Year

#### Semester I

- CS 113A** Introduction to Computers
- CS 113C** Computer Literacy
- CS 113K** Introduction to Computer Operations
- CS 113L** Introduction to Computer Programming Logic
- CS 113M** DOS/Data Entry
- BUS 113A** Elementary Accounting I\*\*
- PSY 111** Freshman Orientation

#### Semester II

- CS 123L** Advanced Computer Programming Logic
- CS 213F** Computer Programming: QUICK BASIC
- BUS 123A** Elementary Accounting\*\*
- ELC 123K** Introduction to Computer Hardware
- ENG 113** Composition and Rhetoric
- MTH 123E** Applied Mathematics

### Second Year

#### Semester III

- CS 213A** Computer Programming: COBOL
- CS 213B** Systems Analysis
- CS** Computer Programming Language Elective
- ENG 123B** Technical Report Writing
- Social or Behavioral Science Elective**

#### Semester IV

- CS 223A** Advanced Computer Programming: COBOL
- CS** Computer Programming Language Elective
- CS 223V** Professional Development Seminar or **Computer Science Elective**
- CS** Elective
- HPE 111** Health Concepts
- SPH 223A** Business and Professional Speaking

*Computer Science Programming Language Electives: CS 113P, CS 123E, CS 213R, CS 223C, CS 223G, CS 123V.*

*Computer Science Electives: CS 113V, CS 123B, CS 123C, CS 123M, CS 123T, CS 213, CS 213W, CS 223J, Special Topics (CS 113Y, CS 123Y, CS 213Y, CS 223Y), or Programming Language from above.*

*\*Pending approval from the Texas Higher Education Coordinating Board.*

*\*\*BUS 214 may replace both BUS 113A and BUS 123A. See program advisor.*

## (Designated Computer Science Certificate)

#### Semester I

- CS 113A** Introduction to Computers
- CS 113C** Computer Literacy
- CS 113K** Introduction to Computer Operations
- CS 113M** DOS/Data Entry
- OFT 113R** Business English

#### Semester II

- CS 123B** Computer Operating Systems
- CS 123M** Data Entry II
- CS 123T** Lotus 1-2-3
- CS 213H** Extended DOS
- CS 223V** Professional Development Seminar or Computer Science Elective
- OFT 213C** Comparative Word Processing

*\*Computer Science Electives: CS 113V, CS 213F, CS 223J, Special Topics (CS 113Y, CS 123Y, CS 213Y, CS 223Y)*

# Criminal Justice Curriculum

## (Core Curriculum)

### Semester I

**ENG 113** Composition and Rhetoric  
**HST 213** History of the United States  
**CJ 113\*** Introduction to Criminal Justice  
**CJ 113B\*** Police Systems and Practices  
**CJ 113E\*** Crime in America  
**PSY 111** Freshman Orientation  
**HPE 111** Health Concepts

### Semester II

**ENG 123** Composition and Rhetoric  
**HST 223** History of the United States  
**SPH 223A** Business and Professional Speaking  
**CJ 223C\*** The Courts and Criminal Procedures  
**CJ 223D\*** Fundamentals of Criminal Law  
**CJ 223F** Texas Peace Officer Procedures

## (Law Enforcement Option)

### Second Year

#### Semester III

**GOV 213** American Government  
**MTH 123E** Applied Math or higher math  
**PSY 213** Introductory Psychology  
**CJ 213A\*** Criminal Investigation  
**CJ 213B\*** Legal Aspects of Law Enforcement  
**CJ 213E** Texas Peace Officer Law

#### Semester IV

**GOV 223** American State Government  
**SOC 223** Social Problems  
**CJ 223J\*** Texas Peace Officer Skills  
**CJ 223K** Criminal Justice Internship  
     or Criminal Justice Elective  
**CJ 213C** Criminalistics  
**CS 113A** Introduction to Computers

*Criminal Justice Electives: CJ 113C, CJ 123B, CJ 123D, CJ 213C, CJ 213D, CJ 223B, CJ 223H.*

## (Corrections Option)

### Second Year

#### Semester III

**GOV 213** American Government  
**MTH 123E** Applied Math or higher math  
**PSY 213** Introductory Psychology  
**CJ 213A\*** Criminal Investigation  
**CJ 213B** Legal Aspects of Law Enforcement  
**CJ 123B** Police Role in Crime & Del.

#### Semester IV

**GOV 223** American State Government  
**SOC 223** Social Problems  
**CJ 213D\*** Correctional Systems and Practice  
**CJ 223H\*** Community Resources in Corrections  
**CJ 223K** Criminal Justice Internship  
**CJ Elective**  
**CS 113A** Introduction to Computers

*\*Core Curriculum required for Law Enforcement Officer by Texas Commission on Law Enforcement Officer Standards and Education.*

*Criminal Justice Electives: CJ 113C, CJ 123B, CJ 123C, CJ 123D, CJ 213A, CJ 213C, CJ 223B.*

## (Designated Criminal Justice Certificate)

### First Year

#### Semester I

**CJ 113\*** Introduction to Criminal Justice  
**CJ 113B\*** Police Systems and Practices  
**CJ 123E\*** Crime in America  
**CJ 213E\*** Texas Peace Officer Law  
**CJ 223F\*** Texas Peace Officer Procedures  
**PSY 213A** Social Psychology

#### Semester II

**CJ 223C\*** The Courts and Criminal Procedure  
**CJ 223D\*** Fundamentals of Criminal Law  
**CJ 213A\*** Criminal Investigation  
**CJ 213B\*** Legal Aspects of Law Enforcement  
**CJ 223J\*** Texas Peace Officer Skills  
**SOC 223** Social Problems

# Dental Hygiene Curriculum\*

## First Year

### Summer Session I

- DH 112** Introduction to Dental Hygiene  
**BIO 114D** Anatomy and Physiology

### Semester I

- DH 114** Dental Hygiene Radiography  
**DH 113** Oral Anatomy and Physiology  
**DH 114C** Dental Hygiene Clinic I  
**DH 113D** Oral Histology and Embryology  
**BIO 114A** Microbiology  
**PSY 111** Freshman Orientation

### Summer Session II

- BIO 124D** Anatomy and Physiology  
**HPE 111** Health Concepts

### Semester II

- DH 122** Dental Materials  
**DH 122A** Pathology  
**DH 122B** Oral Pathology  
**DH 123C** Dental Hygiene Clinic II  
**CHM 113D** Elementary Chemistry  
**ENG 113** Composition and Rhetoric

## Second Year

### Summer Session

- DH 212P** Periodontology  
**ENG 123** Composition and Rhetoric

### Semester III

- DH 212** Pharmacology  
**DH 212D** Clinical Nutrition  
**DH 213H** Community Dental Health I  
**DH 213C** Dental Hygiene Clinic III  
**PSY** Elective

### Semester IV

- SOC** Elective  
**DH 221S** Seminar  
**DH 223C** Dental Hygiene Clinic IV  
**DH 223H** Community Dental Health II  
**CS 113A** Introduction to Computers

*\*Pending approval from the Texas Higher Education Coordinating Board.*

## Drafting

*(See Computer-Aided Drafting)*

# Electronics Technology Curriculum

*(Core Curriculum)*

## First Year

### Semester I

- ELC 113** Introduction to Digital Circuits  
**ELC 113L** Introduction to DC and AC Circuits  
**ELC 113M** Introduction to Electronics Technology  
**ENG 113** Composition and Rhetoric  
**MTH 113H** Electronics Math  
**PSY 111** Freshman Orientation

### Semester II

- ELC 123** Microprocessors and Digital Systems  
**ELC 123A** Industrial Electronics and Motor Control  
**ELC 123L** Semiconductor Devices and Circuits  
**ELC 123S** Software Development for Microprocessors  
**MGT 113C** Human Relations in Management  
**ENG 123B** Technical Report Writing

## *(Digital/Microprocessor Option)*

### **Second Year**

#### **Semester III**

**ELC 213A** Microprocessor Applications  
**ELC 213C** Linear Integrated Circuits  
**ELC 213D** Microcomputer Maintenance  
**CS 123V** Computer Programming: C  
**DFT 213F** Drafting for Electronics Technicians  
**Social/Behavioral Science** Elective

#### **Semester IV**

**ELC 223A** Microprocessor Interfacing  
**ELC 223D** Troubleshooting Digital Systems  
**ELC 223R** Robotics and Automated Systems  
**PHY 111** Physics Problems Laboratory  
**PHY 113** Physics Problems  
**SPH 223A** Business and Professional Speaking  
**HPE 111** Health Concepts

## *(Industrial Option)*

### **Second Year**

#### **Semester III**

**ELC 213A** Microprocessor Applications  
**ELC 213C** Linear Integrated Circuits  
**ELC 213T** Electronic Communications  
**CS 123V** Computer Programming: C  
**DFT 213F** Drafting for Electronics Technicians  
**Social/Behavioral Science** Elective

#### **Semester IV**

**ELC 223B** Troubleshooting Electronic Communication Systems  
**ELC 223D** Troubleshooting Digital Systems  
**ELC 223R** Robotics and Automated Systems  
**PHY 113** Physics Problems  
**PHY 111** Physics Problems Laboratory  
**SPH 223A** Business and Professional Speaking  
**HPE 111** Health Concepts

## *(Electrical Power Option)*

### **Second Year**

#### **Semester III**

**ELC 213C** Linear Integrated Circuits  
**ELC 213G** Electrical Power Generation  
**ELC 213P** Electrical Power Measurements  
**CS 123V** Computer Programming: C  
**DFT 213F** Drafting for Electronics Technicians  
**Social/Behavioral Science** Elective

#### **Semester IV**

**ELC 223G** Electrical Power Distribution  
**ELC 223P** Automatic Control of Electrical Power Systems  
**ELC 223S** Electrical Power Signaling Techniques  
**PHY 111** Physics Problems Laboratory  
**PHY 113** Physics Problems  
**SPH 223A** Business and Professional Speaking  
**HPE 111** Health Concepts

## *(Telecommunications Option)*

### **Second Year**

#### **Semester III**

**ELC 213B** Laser/Opto-Electronics  
**ELC 213C** Linear Integrated Circuits  
**ELC 213T** Electronic Communications  
**CS 123V** Computer Programming: C  
**DFT 213F** Drafting for Electronics Technicians  
**Social/Behavioral Science** Elective

#### **Semester IV**

**ELC 223B** Troubleshooting Electronic Communication Systems  
**ELC 223M** Microwave Technology  
**ELC 223T** Telecommunications  
**PHY 111** Physics Problems Laboratory  
**PHY 113** Physics Problems  
**SPH 223A** Business and Professional Speaking  
**HPE 111** Health Concepts

## (Microcomputer Repair Option) One-Year Certificate

### Minisemester I (8 weeks)

- ELC 112A** Introduction to Digital Electronics I  
**ELC 112T** Tools and Instrumentation for PC Technicians  
**ELC 112P** Introduction to PC Architecture

### Minisemester III (8 weeks)

- ELC 122S** Service and Maintenance Procedures  
**ELC 122C** Personal Computer Troubleshooting  
**ELC 122H** Personal Computer Systems

### Minisemester II (8 weeks)

- ELC 112B** Introduction to Digital Electronics II  
**ELC 112C** Introduction to Troubleshooting  
**ELC 112H** Personal Computer Hardware

### Minisemester IV (8 weeks)

- ELC 122E** Troubleshooting Peripheral Equipment  
**ELC 122A** Application Software  
**ELC 122W** Professional Development Seminar or Approved Elective

## Emergency Medical Technology Curriculum (Paramedic Option)

### First Year

#### Semester I

- EMT 114** Emergency Medical Procedures I  
**MR 113** Medical Terminology  
**CHM 113D** Elementary Chemistry  
**BIO 114D** Anatomy and Physiology  
**HPE 111** Health Concepts of Physical Fitness  
**PSY 111** Freshman Orientation

#### Semester II

- EMT 121** Clinical Practice I  
**EMT 123** Mathematics for EMT  
**EMT 124** Emergency Medical Procedures II  
**BIO 124D** Anatomy and Physiology  
**ENG 113** Composition and Rhetoric

### Second Year

#### Semester III

- EMT 211** Clinical Practice II  
**EMT 213** Basic Pharmacology  
**EMT 214** Emergency Medical Procedures III  
**PSY 213** Introductory Psychology  
**SPH 223A** Business and Professional Speaking  
**MGT 113B** Principles of Management

#### Semester IV

- EMT 222** Advanced Clinical Experience  
**EMT 224** Emergency Medical Procedures IV  
**CS 113C** Computer Literacy  
**SOC 223D** Medical Sociology Elective\*

*NOTE: All EMT\* courses must be taken in sequential order.*

*\*Conversational Spanish, SPN 113, is a suggested elective. In selected cases, EMT 224A may be approved as an elective.*

## (EMT Certificate of Completion Programs)

### Basic Program

- EMT 114** Emergency Medical Procedures I

After successfully completing this course, students are eligible to take the state examination for certification as a Registered Emergency Medical Technician by the Texas Department of Health Resources.

### EMT Intermediate Program

- EMT 114** Emergency Medical Procedures I  
**EMT 121** Clinical Practice I  
**EMT 124** Emergency Medical Procedures II

After successfully completing these courses, students are eligible to take the state examination for certification as a Specially Skilled Emergency Medical Technician by the Texas Department of Health Resources.

# Farm and Ranch Management Curriculum

## First Year

### Semester I

**ENG 113\*** Composition and Rhetoric  
**RMG 113** Principles of Soil Management  
**RMG 113C** Farm Buildings and Construction  
**RMG 123A** Agri Economics and Finance  
**RMG 223C** Principles of Agriculture Marketing  
**PSY 111** Freshman Orientation

### Semester II

**ENG 123B\*** Technical Report Writing  
**RMG 113A** Principles of Animal Husbandry  
**RMG 123D** Farm Power Machinery  
**RMG 123F** Principles of Feed Production  
**RMG 123G** Farm and Ranch Appraising  
**HPE 111** Health Concepts

### Summer Session I

**RMG 116S** Ranch Training On-The-Job

## Second Year

### Semester III

**MTH 123E\*** Applied Mathematics II  
**Social/Behavioral Science** Elective  
**RMG 213A** Livestock Rations  
**RMG 214** Farm Shop  
**RMG 223** Animal Health

### Semester IV

**SPH 223A** Business and Professional Speaking  
**RMG 223A** Farm and Ranch Records  
**RMG 223B** Principles of Beef Cattle Production  
**RMG 223D** Principles of Livestock Reproduction  
**RMG 223E** Farm Shop II

*\*Student placement in mathematics and English classes is based upon the results of tests and subjects completed.*

# Fashion Merchandising and Retailing Curriculum\*\*

*(Buying/Merchandising Option)*

## First Year

### Semester I

**FMR 113** Introduction to Retailing  
**FMR 113B** Color Line and Design  
**FMR 113C** Fashion Textiles  
**MGT 113C** Human Relations in Management  
**CS 113C** Computer Literacy  
**PSY 111** Freshman Orientation

### Semester II

**FMR 123** Introduction to Marketing  
**FMR 123B** Fashion Apparel: Manufacturing and Design  
**FMR 123C** Sales Promotion  
**MGT 223** Salesmanship  
**SPH 113A** Fundamentals of Speech  
**HPE 111** Health Concepts

## Second Year

### Semester III

**MGT 223E** Ethics in Business and Management  
**ENG 113** Composition and Rhetoric  
**MTH 123E** Applied Mathematics  
**FMR 213A** Professional Development Training I  
or **Approved Elective**  
**CS 123T** Microcomputers

### Semester IV

**Behavioral/Social Science** Elective  
**MGT 223S** Supervision  
**FMR 223A** Professional Development Training II  
or **Approved Elective**  
**FMR 223B** Retail Mathematics  
**FMR 223E** Retail Buying

*\*\*Pending approval from the Texas Higher Education Coordinating Board.*

# Fashion Merchandising and Retailing Curriculum\*\*

## (Fashion Marketing Option)

### First Year

#### Semester I

- FMR 113** Introduction to Retailing
- FMR 113B** Color Line and Design
- FMR 113C** Fashion Textiles
- MGT 113C** Human Relations in Management
- CS 113C** Computer Literacy
- PSY 111** Freshman Orientation

#### Semester II

- FMR 123** Introduction to Marketing
- FMR 123B** Fashion Apparel: Manufacturing and Design
- FMR 123C** Sales Promotion
- MGT 223** Salesmanship
- SPH 113A** Fundamentals of Speech
- HPE 111** Health Concepts

### Second Year

#### Semester III

- GAP 113A** Basic Graphics
- GAP 113G** Computer Graphics
- ENG 113** Composition and Rhetoric
- FMR 213** Visual Merchandising
- FMR 213A** Professional Development Training I or **Approved Elective**

#### Semester IV

- Behavioral/Social Science** Elective
- MTH 123E** Applied Mathematics
- FMR 223A** Professional Development Training II or **Approved Elective**
- MGT 223E** Ethics in Business and Management
- GAP 123G** Computer Graphics II

\*Fashion merchandising and retailing internship includes 20 hours of supervised work experience each week with a one-hour related weekly seminar. Students are limited to only one internship course per semester.

Approved Electives: MGT 113C, MGT 113S, MGT 223E, BUS 113A, ECO 213, ECO 223, FR 113, FR 123, FR 114, FR 124, SPH 213I, History, Government, SPH 213T, BUS 214, BUS 224, PSY 213, PSY 223, SOC 213, SPN 114, SPN 124, HE 123I, ART 113O, ART 123D, GAP 113A, GAP 113G, GAP 123G.

\*\*Pending approval from the Texas Higher Education Coordinating Board.

## (Designated Fashion Merchandising and Retailing Certificate)

### First Year

#### Semester I

- FMR 113** Introduction to Retailing
- FMR 113B** Color, Line and Design
- FMR 113C** Fashion Textiles

#### Semester II

- FMR 123** Fashion Marketing
- FMR 123B** Fashion Apparel: Manufacturing and Design
- MGT 223** Salesmanship

### Second Year

#### Semester III

- FMR 213** Visual Merchandising and Promotion
- MGT 113B** Principles of Management
- CS 113C** Computer Literacy

#### Semester IV

- FMR 223** Retail Buying
- FMR 223B** Retail Mathematics
- MGT 223E** Ethics in Business Management

# Fire Protection Curriculum

## First Year

### Semester I

**FPT 113** Fundamentals of Fire Protection  
**FPT 113A** Industrial Fire Protection I  
**FPT 113H** Fire Science Chemistry I  
**ENG 113** Composition and Rhetoric  
**MTH 123E\*** Applied Mathematics  
**PSY 111** Freshman Orientation

### Semester II

**FPT 123** Fire Protection Systems  
**FPT 123A** Fire Prevention  
**FPT 123B** Industrial Fire Protection II  
**FPT 123H** Fire Science Chemistry II  
**SPH 223A** Business and Professional Speaking  
**HPE 111** Health Concepts

## Second Year

### Semester III

**FPT 213** Fire Administration I  
**FPT 213A** Building Codes and Construction  
**FPT 213B** Fire and Arson Investigation  
**ENG 123B** Technical Report Writing  
**GOV 223** American State Government  
**Behavioral or Social Science** Elective

### Semester IV

**FPT 223** Hazardous Materials I  
**FPT 223A** Fire Administration II  
**FPT 223B** Fire Fighting Tactics and Strategy  
**FPT 223D** Arson Investigation II  
**CS 113C** Computer Literacy or  
**CS 123T** Microcomputers

*\*Student placement in mathematics classes is based upon the results of tests and subjects completed before admission.*

*Fire Science Electives: FPT 113B, FPT 113C, FPT 113D, FPT 113E, FPT 113F, FPT 113G, FPT 223C and CJ 222.*

*Suggested Electives: History, Government, Sociology, Economics and Geology.*

# General Business Curriculum\*\*

## First Year

### Semester I

**BUS 113B** Introduction to Business  
**BUS 113A** Elementary Accounting I  
**ENG 113** Composition and Rhetoric  
**MGT 113B** Principles of Management  
**OFT 113M** Business Math/Calculators  
**PSY 111** Freshman Orientation

### Semester II

**BUS 123A** Elementary Accounting II  
**CS 113V** Business Computer Applications  
**MTH 123E** Applied Mathematics  
**OFT 123C** Business Communications  
**MGT 113C** Human Relations  
**HPE 111** Health Concepts

## Second Year

### Semester III

**BUS 213L** Business Law  
**BUS 213C** Computer Applications of Accounting  
**CS** Computer Science Elective  
**ENG 123B** Technical Report Writing  
**MGT 123** Principles of Marketing  
**Humanities/Social Science** Elective\*

### Semester IV

**BUS 224** Principles of Managerial Accounting  
**ECO 223** Economic Problems\*  
**MGT 223** Salesmanship  
**MGT 223E** Ethics for Business & Management  
**SPH 223A** Business and Professional Speaking

*\*Conversational Spanish (SPN 113) highly recommended.*

*\*\*Pending approval from the Texas Higher Education Coordinating Board.*

# Graphic Arts/Photography Curriculum

## (Photography Option)

### First Year

#### Semester I

**GAP 113** Basic Photography  
**GAP 113A** Basic Graphics  
**GAP** Elective  
**ENG 113** Composition and Rhetoric  
**MTH 123E** Applied Mathematics  
**PSY 111** Freshman Orientation

**REM 213** Methods in Title Investigation  
**HPE 111** Health Concepts

## Second Year

### Semester III

**ENG 123B** Technical Report Writing  
**REM 213E** Land Title Problems  
**DFT 223B** Map Drafting  
**REM 213L** Oil and Gas Law  
**SPH 223A** Business and Professional Speaking

### Semester IV

**GOV 223** American State Government  
**REM 223E** Contracts and Negotiable Instruments  
**MGT 113C** Human Relations  
or  
**REM 213C** Real Estate Internship  
**REM 223G** Railroad Commission Filings  
**REM 223L** Land Records Management

## *(Designated Mineral Lease Records Certificate)*

### Semester I

**REM 113** Principles of Real Estate  
**REM 113B** Introduction to Land Records  
**REM 123** Real Estate Law  
**REM 223L** Land Records Management  
**REM** Approved Elective

### Semester II

**REM 213L** Oil and Gas Law  
**REM 213E** Land Title Problems  
**REM 223E** Contracts and Negotiable Instruments  
**REM 223G** Railroad Commission Filings  
**REM** Approved Elective or Approved **CS** Elective

*Approved Electives: All Real Estate Courses, CS 113C, CS 113V, CS 123T.*

*Students enrolled in the surveying program at TJC get hands-on experience as they practice taking measurements around campus.*

# Nursing, Associate Degree (ADN) Curriculum

## First Year

### Summer Session II

**ENG 113** Composition and Rhetoric  
**PSY 213** Introduction to Psychology

### Semester I

**NSG 112A\*** Special Topics  
**NSG 117A\*** Nursing I  
**BIO 114D\*+** Anatomy and Physiology  
**PSY 111** Freshman Orientation  
**HPE 111\*\*** Health Concepts

### Semester II

**NSG 129** Nursing II  
**BIO 124D\*+** Anatomy and Physiology  
**SOC 213** Introduction to Sociology

### Summer Session I

**ENG 123** Composition and Rhetoric  
**PSY 223A** Child Growth and Development

## Second Year

### Semester III

**NSG 225** Nursing III (8 weeks)  
**NSG 225A** Nursing IV (8 weeks)  
**BIO 114A\*+** Microbiology

### Semester IV

**NSG 235** Nursing V (8 weeks)  
**NSG 235A** Nursing VI (8 weeks)  
Free Elective (3 semester hours)

*Non-nursing courses may be taken prior to acceptance to the ADN program. All science courses and PSY 223A must have been completed within seven years of the time required in the curriculum or must be repeated.*

*\*Must be taken concurrently with nursing courses scheduled if no previous credit with grade of "C" or better.*

*+Will be completed at TJC when taken after enrollment in the ADN program. Exceptions must be approved by the program director and the dean of science and mathematics.*

*\*\*HPE 111 Health Concepts must be completed before graduation according to college policy.*

*All science courses and PSY 223A must have been completed within seven years of the time required in the curriculum or must be repeated.*

## ADN-LVN Transition Curriculum

### First Year

#### Prerequisites to Second Year

**ENG 113** Composition and Rhetoric  
**ENG 123** Composition and Rhetoric  
**PSY 213** Introduction to Psychology  
**PSY 223A** Child Growth and Development  
**SOC 213** Introduction to Sociology  
**HPE 111\*** Health Concepts

#### Prerequisites to NSG 115

**BIO 114D** Anatomy and Physiology  
**BIO 124D** Anatomy and Physiology

### Semester I, II or Summer Session

**NSG 115** LVN Transition

### Second Year

See Semesters III and IV of traditional curriculum.

*\*\*HPE 111 Health Concepts must be completed before graduation according to college policy.*

*All science courses and PSY 223A must have been completed within seven years of the time required in the curriculum or must be repeated.*

## Nursing, Vocational (VNE) Curriculum

### Semester I (16 weeks)

- VNE 113 Health Maintenance
- VNE 114 Science for VNE
- VNE 114A Med/Surg Nursing I
- VNE 116 Essentials of Nursing

### Semester II (18 weeks)

- VNE 123 Nursing Care of Children
- VNE 123A Maternity Nursing
- VNE 128 Med/Surg Nursing II

### Summer Session (14 weeks)

- VNE 137 Long Term Care Nursing
- VNE 137A Community Health Nursing

## (Evening Curriculum)

### Summer I & II (14 weeks)

- VNE 113 Health Maintenance
- VNE 113E Med/Surg I (evening)
- VNE 114 Science
- VNE 116E Essentials

### Fall (16 weeks)

- VNE 126E Med/Surg II (evening)
- VNE 126F Med/Surg III

### Spring (16 weeks)

- VNE 133E Maternity Nursing (evening)
- VNE 133F Pediatric Nursing (evening)
- VNE 136E Med/Surg IV

### Summer I & II (14 weeks)

- VNE 144E Long Term Care (evening)
- VNE 144F Community Health Nsg. (evening)

## Office Technology Curriculum\*

### First Year

#### Semester I

- BUS 113A Elementary Accounting
- OFT 113F Office Procedures
- OFT 113M Business Math/Calculator
- OFT 113R Business English
- OFT 123T Intermediate Typing
- HPE 111 Health Concepts
- PSY 111 Freshman Orientation

#### Semester II

- BUS 123A Elementary Accounting
- CS 123T Lotus 1-2-3
- OFT 123 Machine Transcription
- OFT 123C Business Communications
- OFT 213W Word Processing
- OFT 213F Advanced Office Procedures

### Second Year

#### Semester III

- BUS 213L Business Law
- ENG 113 Composition and Rhetoric
- MTH 123E Applied Mathematics II
- OFT 223W Word Processing
- OFT 213Y Special Topics (Speedwriting)  
or OFT 213A Specialized Software
- PSY 213 Introductory Psychology

#### Semester IV

- ECO 213 Principles of Economics
- ENG 223B Technical Report Writing  
or ENG 123 Composition and Rhetoric
- OFT 223A Internship or Approved Elective\*
- OFT 223F Administrative Office Management
- SPH 223A Business and Professional Speaking

Approved Electives: OFT 223D, OFT 223Y, SPN 114.

\*Pending approval from the Texas Higher Education Coordinating Board.

## *(Designated Office Technology Certificate)*

### **Semester I**

**BUS 113A** Elementary Accounting  
**OFT 113F** Office Procedures  
**OFT 113M** Business Math/Calculator  
**OFT 113R** Business English  
**OFT 123T** Intermediate Typing  
**OFT 213Y** Special Topics (Speedwriting)  
or **OFT 213A** Specialized Software

### **Semester II**

**BUS 123A** Elementary Accounting  
**CS 123T** Microcomputers  
**OFT 123** Machine Transcription  
**OFT 123C** Business Communications  
**OFT 213W** Word Processing  
**OFT 213F** Advanced Office Procedures

## *(Designated Secretarial Certificate)*

### **Semester I**

**OFT 113M** Business Math/Calculators  
**OFT 113F** Office Procedures  
**OFT 113R** Business English  
**OFT 123T** Intermediate Typing  
**OFT 113S** Elementary Shorthand

### **Semester II**

**OFT 122** Machine Transcription  
**OFT 123C** Business Communications  
**OFT 123W** Word Processing I  
**OFT 123S** Intermediate Shorthand  
**OFT 213F** Advanced Secretarial Procedures

## **Optician Technician Curriculum**

### **First Year**

#### **Semester I**

**OD 114** Ophthalmic Materials and Lab I  
**OD 116** Ophthalmic Dispensing I  
**OD 113A** Anatomy and Physiology of the Eye  
**OD 113C** Optics I  
**OD 112** Office Procedures, Ethics and Insurance

#### **Semester II**

**OD 123C** Contact Lenses  
**OD 123D** Seminar  
**OD 124** Ophthalmic Dispensing II  
**OD 123E** Optics II  
**OD 123F** Ophthalmic Materials and Lab II

### **Summer Session (6 weeks)**

**OD 115** Applied Laboratory

# Ornamental Horticulture Curriculum

## First Year

### Semester I

**ENG 113** Composition and Rhetoric  
**HRT 113A** Landscape Plant Materials  
**HRT 123A** Herbaceous and Tropical Plants  
**HRT 213** Greenhouse Horticulture  
**MTH 123E** Applied Mathematics II  
**PSY 111** Freshman Orientation

### Semester II

**BUS 113A** Elementary Accounting I  
**AGR 123B** Horticulture  
**HRT 123B** Floral Design I  
**HRT 123C** Landscape Maintenance  
**MTH 113C** Computers and Information Processing  
**HPE 111** Health Concepts

## Second Year

### Semester III

**MGT 113S** Small Business Operations  
**HRT 213A** Nursery Operation  
**HRT 213C** Floral Design II  
**HRT 213E** Greenhouse Crop Production  
**Social/Behavioral Science** Elective  
**Speech** Elective

### Semester IV

**BIO 124B** Botany  
**HRT 214** Fundamentals of Design and Landscaping  
**HRT 223** Ornamental Crop Production  
**HRT 223D** Landscape Development  
**HRT 223P** Horticulture Pest Control and Chemicals

## *(Designated Landscaping Certificate)*

### Semester I

**HRT 113A** Landscape Plant Materials  
**HRT 123A** Herbaceous and Tropical Plants  
**HRT 213A** Nursery Operation  
**HRT 214** Fundamentals of Design

### Semester II

**HRT 123C** Landscape Maintenance  
**HRT 223** Ornamental Crop Production  
**HRT 223D** Landscape Development  
**HRT 223P** Horticulture Pest Control & Chemicals  
Approved Elective\*

### Summer Session I

**HRT 113S** Seminar/Cooperative Training

## *(Designated Greenhouse Certificate)*

### Semester I

**HRT 113A** Landscape Plant Materials  
**HRT 123A** Herbaceous and Tropical Plants  
**HRT 213** Greenhouse Horticulture  
**HRT 213A** Nursery Operation  
Elective

### Semester II

**HRT 213E** Greenhouse Crop Production  
**HRT 223** Ornamental Crop Production  
**HRT 223P** Horticulture Pest Controls & Chemicals  
Approved Elective\*

### Summer Session I

**HRT 113S** Seminar/Cooperative Training

\*Approved Electives: AGR 123B, BIO 124B, CS 113C, HRT 123C, HRT 223D, MGT 113S, MGT 223.

# Postal Management Curriculum

## First Year

### Semester I

**ENG 113** Composition and Rhetoric  
**MTH 123E** Applied Mathematics  
**MGT 113B** Principles of Management  
**PMT 113** Introduction to Postal Service  
**PMT 113A** Mail Processing  
**PSY 111** Freshman Orientation

### Semester II

**ENG 123B** Technical Report Writing  
**SPH 223A** Business and Professional Speaking  
**MGT 223B** Public Relations  
**PMT 123A** Postal Customer Service  
**PMT 123** Postal Rules and Regulations  
**HPE 111** Health Concepts

## Second Year

### Semester III

**GOV 213** American Government  
**CS 113C** Computer Literacy  
**MGT 113C** Human Relations  
**PMT 213** Postal Accounting and Finance Procedures  
**PMT 213S** Seminar I—Training and Employee Development  
or Approved Elective

### Semester IV

**GOV 223** American State Government  
Approved Elective (MGT 223E suggested)  
**PMT 223S** Seminar II—Postal Problems and Analysis or Approved Elective  
**PMT 223** Postal Management and Supervision  
**PMT 223A** Employee and Labor Relations

*Approved Electives: SOC 213, BUS 213L, MGT 223, OFT 113M, Accounting, Typewriting, MGT 223E, HST 213, HST 223, ECO 213, ECO 223, ENG 123, Computers\*\*; SPN 114, SPN 124.*

*\*A postal internship includes twenty hours of supervised work experience each week, with a one-hour related weekly seminar. Students are limited to only one internship course per semester.*

*\*\*See program director for advisement.*

## (Designated Postal Management Certificate)

### First Year

#### Semester I

**PMT 113** Introduction to the Postal Service  
**PMT 113A** Mail Processing  
**MGT 113B** Principles of Management

#### Semester II

**PMT 123** Postal Rules and Regulations  
**MGT 113C** Human Relations

### Second Year

#### Semester III

**PMT 213** Postal Accounting and Finance Procedures  
**CS 113C** Computer Literacy

#### Semester IV

**PMT 223** Postal Management and Supervision  
**PMT 223A** Employee and Labor Relations  
**MGT 223E** Ethics in Business Management

# Radiologic Technology Curriculum\*\*

## First Year

### Semester I (16 weeks)

**PSY 111** Freshman Orientation  
**ENG 113\*** Composition and Rhetoric  
**PHY 113** Physics Problems  
**XRT 111** Methods of Patient Care  
**XRT 113** Radiologic Technology I  
**XRT 113C** Clinical Education I  
**XRT 113B** Human Structure and Function I

### Semester II (XRT courses: 18 wks.)

**PHY 123** Physics Problems  
**XRT 123A** Radiologic Technology II  
**XRT 123C** Clinical Education II  
**XRT 123B** Human Structure and Function II  
**HPE 111** Health Concepts of Physical Fitness

### Summer Session (13 weeks)

**XRT 116S** Clinical Education III  
**XRT 222A** Pathology

## Second Year

### Semester III (16 weeks)

**XRT 211** Clinical Education IV  
**XRT 213C** Radiologic Technology III  
**XRT 213A** Radiobiology and Protection  
**XRT 213B** Imaging  
**CS 123T** Microcomputers

### Semester IV (XRT courses: 18 wks)

**ENG 123B\*\*\*** Technical Report Writing  
**XRT 221** Clinical Education V  
**XRT 221A** Department Administration  
**XRT 222** Quality Assurance  
**XRT 223A** Radiologic Technology IV  
**MTH 113C** Computers and Information Processing

### Summer Session (13 weeks)

**XRT 216S** Clinical Education VI  
**XRT 212S** Seminar

*\*Student placement in English is based upon the results of tests and subjects completed before admission.*

*\*\*Pending approval from the Texas Higher Education Coordinating Board.*

*\*\*\*May substitute ENG 123*

*The TJC cheerleading team adds excitement and spirit to many of the TJC games.*

# Real Estate Management Curriculum

## First Year

### Semester I

**ENG 113** Composition and Rhetoric  
**CS 113C** Computer Literacy  
**REM 113\*** Principles of Real Estate  
**REM 113D\*** Real Estate Math  
**REM 113E\*** Real Estate Marketing  
**PSY 111** Freshman Orientation

### Semester II

**DFT 123R** Drafting for Real Estate  
**REM 123\*** Real Estate Law  
**REM 123A\*** Real Estate Finance  
**REM 123L\*** Real Estate Law Contracts  
**ENG 123B** Technical Report Writing  
**HPE 111** Health Concepts

## Second Year

### Semester III

**REM 123B\*** Real Estate Appraisal I  
**REM 113B** Introduction to Land Records  
or Approved REM Elective  
**REM 213C** Real Estate Internship  
or Approved Elective  
**REM 213L** Oil and Gas Law  
**SPH 223A** Business and Professional Speaking  
**MTH 123E** Applied Mathematics

### Semester IV

**ECO 213** Principles of Economics  
**REM 223C** Real Estate Internship  
or Approved Elective  
**REM 223B** Real Estate Brokerage  
or Approved Elective  
**REM 223** Property Management  
**BUS 214** Principles of Financial Accounting  
or  
**BUS 113A** Elementary Accounting I

*Approved Electives: REM 223A, REM 213B, REM 223D, REM 223F, REM 213D, CS 113V.*

*\*Denotes core Real Estate courses as designed by the Texas Real Estate Commission.*

## *(Designated Real Estate Certificate)*

### Semester I

**REM 113** Principles of Real Estate  
**REM 113D** Real Estate Math  
**REM 113E** Real Estate Marketing  
**REM 113B** Introduction to Land Records  
**REM** Approved Elective

### Semester II

**REM 123** Real Estate Law  
**REM 123A** Real Estate Finance  
**REM 123B** Real Estate Appraisal I  
**REM 123L** Real Estate Law-Contracts  
**REM** Approved Elective or  
Approved **CS** Elective

*Approved Electives: All REM courses, CS 113C, CS 113V, CS 123T.*

# Recreation: Tennis Teaching Curriculum

## First Year

### Semester I

**ENG 113** Composition and Rhetoric  
**BUS 113A\*** Elementary Accounting I  
**REC 113S** Tennis Seminar  
**REC 112L\*\*** Tennis Teaching Lab I  
**REC 123A** Scientific Approach to Tennis Teaching  
**PSY 111** Freshman Orientation

### Semester II

**REC 113** Individual Tennis Instruction  
**ENG 123** Composition and Rhetoric  
**BUS 123A\*** Elementary Accounting II  
**REC 122L\*\*** Tennis Teaching Lab II  
**REC 123G** Group Dynamics Tennis Instruction  
**REC 123S** Tennis Seminar II  
**HPE 111** Health Concepts

### Summer Session

**REC 114S** Summer Tennis Experience (Lab)  
or  
**REC 112S** Summer Tennis Experience

## Second Year

### Semester III

**BUS 113B** Introduction to Business  
**SPH 113A** Speech  
**REC 213C** Tennis Camp and Club Management  
**REC 212L\*\*** Tennis Teaching Lab II  
**REC 213S** Tennis Seminar III  
**Social/Behavioral Science** Elective

### Semester IV

**BUS 213L** Business Law  
**CS 113C** Computer Literacy  
**REC 223E** Contemporary Concepts in Tennis Instruction  
**REC 222L\*\*** Tennis Teaching Lab IV  
**REC 223S** Tennis Seminar IV  
**MTH 123E** Applied Mathematics

*\*BUS 214 may be substituted for BUS 113A and BUS 123A.*

*\*\*Must be taken concurrently with a Tennis Seminar.*

*A math of higher level may be substituted in place of MTH 123E.*

# Respiratory Therapy Technology Curriculum\*\* (Cardiopulmonary Technology)

*(Certification Option)*

### Semester I

**RT 112** Cardiopulmonary Anatomy and Physiology I  
**RT 113** Basic Skills  
**RT 114** Clinical Orientation  
**RT 114A** Technology I  
**CS 123T** Microcomputers  
**PSY 111** Freshman Orientation

### Semester II

**RT 121** Pediatric Care  
**RT 122** Pharmacology  
**RT 123** Clinical Laboratory  
**RT 123A** Pathology  
**RT 124** Technology II  
**BIO 114D** Anatomy and Physiology

### Summer Session I

**RT 112C** Clinical Experience I  
**RT 112L** Seminar and New Technology

### Summer Session II

**RT 122C** Clinical Experience II  
**RT 122L** Seminar and New Technology II

*\*Student placement in mathematics is based upon the results of tests and subjects completed before admission.*

## CRTT-RRT Transition Curriculum\*\*

### Prerequisites to Second Year:

Must be a graduate of a traditional College-Based AMA and JRCRTE Accredited Certification Program.

**BIO 114D** Anatomy and Physiology

**CS 123T** Microcomputers

## Second Year

### Semester III

**RT 213** Clinical Practice I

**RT 213A** Advanced Cardiopulmonary Topics

**RT 214** Technology III

**BIO 114A** Microbiology

**Social/Behavioral Science** Elective approved  
by program director

### Semester IV

**RT 213B** Seminar and Care Planning

**RT 223** Clinical Practice II

**RT 223A** Applied Cardiopulmonary Pathology

**BIO 124D** Anatomy and Physiology

**CHM 113D** Elementary Chemistry

**HPE 111** Health Concepts of Physical Fitness

### Summer Session I

**ENG 113** Composition and Rhetoric

*\*\*Pending approval from the Texas Higher Education Coordinating Board.*

## Surveying Curriculum

## First Year

### Semester I

**MTH 123E** Applied Mathematics

**PSY 111** Freshman Orientation

**SUR 113** Introduction to Surveying

**SUR 113A** Surveying Measurements Practice

**SUR 113B** Surveying Calculations

**CS 113C** Computer Literacy

### Semester II

**ENG 113** Composition and Rhetoric

**HPE 111** Health Concepts

**DFT 113G** Computer-Aided Drafting

**SUR 123** Land Surveying

**SUR 123A** Land Surveying Practice

**SUR 123B** Surveying Calculations II

## Second Year

### Semester III

**DFT 223** Advanced Computer-Aided Drafting II  
or

**DFT 223B** Map Drafting

**MTH 113T** Applied Trigonometry

**Behavioral** or **Social Science** Elective

**SUR 213** Topographic Surveying and Mapping

**SUR 213A** Field Mapping Practice

**SUR 223B** Legal Principles I

### Semester IV

**ENG 123B** Technical Report Writing  
Approved Elective

**SPH 223A** Business and Professional Speaking

**SUR 223** Route Surveying

**SUR 223A** Route Surveying Practice

**SUR 223D** Legal Principles II

*Approved Electives: SUR 113C, SUR 123C, SUR 213C, SUR 223C, DFT 123R, DFT 223G, DFT 223B, REM 113, REM 113B, REM 213, MGT 113C, MGT 113B, Government, History, Economics, Geology, Psychology, Sociology, Physics and Mathematics.*

## *(Designated Surveying Certificate)*

### **Semester I**

- SUR 113** Introduction to Surveying
- SUR 113A** Surveying Measurements Practice
- SUR 113B** Surveying Calculations I
- SUR 213** Topographic Surveying and Mapping
- SUR 231A** Field Mapping Practice
- SUR 223B** Legal Principles I

### **Semester II**

- SUR 123** Land Surveying
- SUR 123A** Land Surveying Practice
- SUR 123B** Surveying Calculations II
- SUR 223** Route Surveying
- SUR 223A** Route Surveying Practice
- SUR 223D** Legal Principles II

## **Welding Technology Curriculum**

### **First Year**

#### **Semester I**

- WLD 113B** Introduction to Oxy-Acetylene Welding
- WLD 113C** Introduction to Arc Welding
- EGR 113** Engineering Design Graphics I
- MTH 123E** Applied Mathematics or Higher Mathematics
- Approved Elective\*\*
- PSY 111** Freshman Orientation

#### **Semester II**

- WLD 123B** Advanced Oxy-Acetylene Welding
- WLD 123C** Advanced Arc Welding
- DFT 123B** Computer-Aided Machine Drafting
- Social or Behavioral Science** Elective
- Approved Elective\*\*
- HPE 111** Health Concepts

### **Second Year**

#### **Semester III**

- WLD 213A** Introduction to Pipe Welding
- WLD 213B** Introduction to M.I.G. and T.I.G. Welding
- ENG 113** Composition and Rhetoric
- MGT 213B** Personnel Management
- CS 113C** Computer Literacy

#### **Semester IV**

- WLD 223A** Advanced Pipe Welding
- WLD 223B** Advanced M.I.T. and T.I.G. Welding
- ENG 123B** Technical Report Writing
- SPH 223A** Business and Professional Speaking
- Approved Elective\*\*

*\*\*Approved Electives: Government, History, MTH 113T, MTH 113, BUS 113B, DFT 213P, DFT 213R, DFT 213S, RMG 223E, Lab Science, AC 213W, Psychology, Sociology, Economics and Geology.*

## *(Designated Welding Certificate)*

### **Semester I**

- WLD 113B** Introduction to Oxy-Acetylene Welding
- WLD 113C** Introduction to Arc Welding
- WLD 213B** Introduction to M.I.G. and T.I.G. Welding
- MTH 123E** Applied Mathematics or Higher Mathematics
- EGR 113** Engineering Design Graphics I
- WLD 213A** Introduction to Pipe Welding

### **Semester II**

- WLD 123B** Advanced Oxy-Acetylene Welding
- WLD 123C** Advanced Arc Welding
- WLD 223B** Advanced M.I.G. and T.I.G. Welding
- DFT 123B** Computer-Aided Machine Drafting
- WLD 223A** Advanced Pipe Welding

## Additional Degrees

An additional associate degree may be conferred if all requirements for both degrees have been satisfactorily completed and at least 30 additional semester hours credit have been earned above the one requiring the most hours.

An associate degree and a certificate of proficiency may both be awarded if the student has completed all requirements for both a degree and a certificate and has at least 16 hours additional credit above the requirement for the degree.

## Student Responsibility

Each student is responsible for seeking advice, for knowing and meeting the requirements for the degree program of his or her interest, for enrolling in courses appropriate for that degree program and for taking courses in the proper sequence to ensure orderly and timely progress toward the degree.

The College awards the associate in arts degree and the associate in applied science degree to students who complete both the general and specific requirements as set forth for the particular program desired and who make proper application to the registrar for the degree.

## Graduation Under a Particular Catalog

To receive a degree from Tyler Junior College, a student must fulfill degree requirements as set forth in a catalog under which he/she is entitled to graduate.

**A student is entitled to graduate under the current catalog or any other catalog in force when the student was enrolled, but the catalog must be within the last five catalogs.**

## Dates of Graduation

Degrees will be dated the semester for which they are applied. Students who meet graduation requirements may be awarded degrees or certificates three times a year—in May, August and December. A commencement ceremony is held at the close of the spring semester. Students wishing to participate in this ceremony must apply for their degree in the spring semester.

## Graduation Application Deadlines

It will be the responsibility of the students to apply for the appropriate degree or certificate for which they are eligible. Graduation fees must be paid at the time of application for degree or certificate. The deadline for applying for a degree or certificate for the spring semester will be March 1. The deadline for applying for a degree or certificate at the end of summer terms will be August 1. The deadline for applying for a degree or certificate at the end of the fall semester will be October 1.

*TJC athletic programs such as basketball provide athletes with an opportunity to learn and give fans a chance to see some of the most exciting sporting events around.*

# Continuing Education/ Community Services

Tyler Junior College is dedicated to presenting dynamic and flexible educational programs to the community throughout its service area. The College is committed to "lifelong learning." Lifelong learning goes beyond initial career preparation, traditional concepts of full-time study and program degree completion and encourages education renewal. Further, the College seeks to provide lifelong learning for people of *all* ages to develop personal and professional potential, upgrade job-related skills, and prepare for informed participation in the civic, cultural, and political life of the community.

The most recent addition to the continuing education program is the Tyler

Junior College **Regional Training and Development Complex (RTDC)** located at 1530 S SW Loop 323 in Tyler. The complex is devoted to offering critically needed training leading to immediate employment according to the needs of business, industry, and governmental agencies. Instruction at RTDC lends itself to quick start-up training for workers to improve deficient basic academic skills and condensed block-time classes, rather than the traditional semester schedule. Additionally, services such as onsite registration and fee collection, a bookstore, Learning Resource Center, snack bar/concession area, 300 seat conference room, convenient parking, and campus security are provided. The RTDC is also the home

*The Regional Training and Development Complex, an 84,000-square-foot facility at 1530 S SW Loop 323, houses TJC's continuing education, the Small Business Development Center and Tyler Area Business Incubator.*

of the Small Business Development Center, the Tyler Area Business Incubator, and the East Texas Regional Fire Academy.

Therefore, in accordance with its stated objectives, Tyler Junior College offers a large variety of non-credit educational courses specifically designed for persons who desire to improve their technical, professional, cultural or social learning beyond their present level of education. Most classes are designed to provide opportunities for individuals to continue in the academic or technical areas, but students may enroll in classes for creative activity, cultural endeavor or recreational activity.

Basically, continuing education is a non-credit program that offers:

1. Adult vocational education for individuals wanting to upgrade their present skills enabling them to explore new occupational fields.
2. Community service for individuals and groups seeking to enhance the quality of living in the community through cultural and enrichment studies by providing opportunities to explore new activities for personal growth and enjoyment.
3. Resources for business, industry, labor, government and professional groups needing to supplement their own training and development programs. Training programs are tailor-made and, if desired, offered "in-house" to meet specific job upgrading and mobility needs of individual organizations.

Classes are offered during the day or the evening and are provided when a sufficient number of students are enrolled. Non-credit courses are open to interested persons without regard to eligibility for admission to college-credit programs.

Tyler Junior College will award the Continuing Education Unit (CEU) to persons who participate in approved, non-credit continuing education activities administered by Tyler Junior College. One CEU is equal to 10 contact hours of

participation in an organized continuing education experience under responsible sponsorship, capable direction and qualified instruction. In no instance should the award of CEU be equated with college credit applicable toward a degree.

For more information concerning continuing education programs, contact the continuing education office at the Regional Training and Development Complex, 214-597-1536. The registrar's office on the main campus may also be contacted at 214-531-2519.

## **Small Business Development Center**

The Small Business Development Center (SBDC) represents a partnership between the Small Business Administration and Tyler Junior College.

The SBDC serves as a focal point for linking together resources of the federal, state, and local governments with the resources of the educational system and the private sector. The SBDC focuses on providing indepth quality assistance to small businesses in all areas which promote growth, expansion, innovation, increased productivity and management improvement. The overall objective of the SBDC is to further economic development through the provision of management and technical assistance to existing and prospective small businesses.

The SBDC offers free counseling, referral services and a variety of small business training programs and seminars designed for entrepreneurial, management and technical skill development. The SBDC also acts as a clearing house for resource information and materials to provide practical solutions to business needs and problems.

*"An individual who has knowledge, plus creativity and initiative, can unlock any doors to new opportunities. Helping students to discover, develop and/or enhance these qualities within themselves is my primary goal."*

**Shirley Bishop**

*Instructor, Sociology  
B.A., Wiley College  
M.S., East Texas State University*

# What You Can Expect

## Course Descriptions

### **Agriculture**

A student majoring in agriculture should see a Tyler Junior College faculty advisor for help in completing a degree plan.

#### **AGR 114 (Formerly AGR 113)**

##### **General Animal Husbandry (3-3)**

Livestock and livestock industry, reproduction, nutrition, management and marketing of beef cattle, horses, swine and sheep; with labs that include breeds, market classes and judging.

#### **AGR 113B Dairying (2-2)**

The dairy industry, dairy products, basic principles and practices of modern dairy farm management, breeding, feeding and milk harvesting with lab stressing breeds, judging, sire selection and equipment.

#### **AGR 113E Introduction to Agricultural Economics (3-0)**

Characteristics of economic systems and basic economic concepts including organization and management of agriculture businesses, finance, marketing and government farm programs.

#### **AGR 114A General Entomology (3-2)**

Principal orders of insects, their anatomy and physiology, life cycle and economic importance as well as insecticides and alternative control methods for agricultural pests.

#### **AGR 124 (Formerly AGR 123)**

##### **Fundamentals of Crop Production (3-2)**

Structure and function of crop plants, classification, distribution, cultural practices, fertilization, harvesting, marketing and survey of major world crops while stressing importance of crop production in world affairs.

#### **AGR 123B Horticulture (2-3)**

Structure and growth of horticultural plants, selection, propagation, fertilization, care, harvesting of fruits, nuts and vegetables together with the care and use of ornamentals in home landscape.

#### **AGR 123D Wildlife Management (3-0)**

Wildlife resources of the United States with special reference to Texas while emphasizing the interrelationship of plants and animals in our environment with plans and methods of rehabilitation and increase of the desirable species.

#### **AGR 213 Livestock Evaluation (3-3)**

Origin, history and breed characteristics of livestock, breed organizations, performance testing and selection, live animal evaluation and the development of livestock judging techniques.

#### **AGR 223A Farm Shop (1-4)**

Basic skills in arc and oxyacetylene welding, soldering, hot and cold metal work, sheetmetal work, cutting metal and brazing along with concrete construction, farm plumbing and fitting of farm tools.

### **Air Conditioning and Refrigeration 7221**

Students successfully completing this program receive the associate in applied science degree.

The curriculum is designed to prepare the student to assist in planning, installing, operating and maintaining air conditioning equipment. The required technical information is presented and related skills are developed which will enable the graduate to function efficiently when working with engineers, system designers, skilled craftsmen, salespersons and others in the field.

#### **AC 113 Introduction to Air Conditioning and Refrigeration (3-3)**

An introductory course designed to acquaint the student with practical heating and cooling problems, terminology and the study of psychrometric principles.

**AC 113A Fundamentals of Refrigeration (3-3)**

An introduction to terminology, laws of refrigeration, processes and procedures associated with refrigeration applications.

**Prerequisite:** Taken concurrently with AC 113 or consent of the instructor.

**AC 113D Fundamentals of Electricity (2-2)**

Air conditioning circuits, electron theory, AC theory, single phase and three phase power distribution, capacitance, electric motors and motor controls.

**AC 113S Solar Systems Design and Installation (2-4)**

Demonstration and hands-on in the design, installation and maintenance of residential solar heating systems.

**AC 113W Air Conditioning Welding Procedures (3-3)**

Designed to provide entry-level skills including basic shielded metal arc welding and welding of dissimilar metals.

**AC 123A Commercial Refrigeration (3-3)**

Refrigeration machines, their component parts and accessories, installation, maintenance and servicing procedures.

**Prerequisites:** AC 113A, 113D, 123B, or consent of the instructor.

**AC 123B Blueprint Reading (3-0)**

A study of blueprints used in the construction industry and the use of blueprints to determine location and installation of heating and air conditioning equipment.

**AC 123D Automatic Controls I (2-2)**

Automatic controls, control systems, component parts and related equipment.

**Prerequisite:** AC 113D or consent of the instructor.

**AC 213A Heating (2-4)**

Operation, installation, and service of residential and light commercial gas, electric, hydronic, and heat pump systems.

**Prerequisite:** AC 113D, 123B, or consent of the instructor.

**AC 213C Automatic Controls II (2-2)**

An advanced study of automatic controls, modular controls, activator controls, sequencer and step controls and advanced wiring diagrams and schematics.

**Prerequisite:** AC 123A, 123D or consent of the instructor.

**AC 213D Air Conditioning Systems Design (3-3)**

A study of psychrometric principles and application of heat load theory for equipment sizing.

**Prerequisite:** AC 123A or consent of the instructor.

**AC 213I Internship (1-20)**

A course designed to enable the student to get real-world work experience with air conditioning and refrigeration contractors while seeking a college degree.

**Prerequisites:** AC 113, 113A, 113D.

**AC 223B Installation and Maintenance of Air Conditioning Systems (2-4)**

Hands-on experience in the installation, maintenance, and service of residential and light commercial air conditioning and heating systems.

**Prerequisite:** AC 113A, 123B, 213D or consent of the instructor.

**AC 223H Heat Pumps (3-3)**

The student will learn the components, sequence and modes of operation and will get "hands-on" experience installing, servicing, charging, and troubleshooting heat pumps.

**Prerequisite:** AC 213A, 213C.

**AC 223M Automotive Air Conditioning (3-3)**

Students will learn the components and the sequence of operation, and will get laboratory experience servicing, repairing, and troubleshooting automotive air conditioning systems.

**Prerequisites:** AC 113, 113A, 113D.

**AC 223P Major Home Appliances (3-3)**

A course designed to enable students to identify the components, to understand the sequence of operation, and to service and repair clothes washers and dryers, dishwashers, microwave ovens, conventional ovens, freezers, refrigerators, and ice makers.

**Prerequisites:** AC 113, 113A, 113D.

**AC 223T System Troubleshooting (3-3)**

An advanced course in which the student will apply troubleshooting principles and use test instruments to diagnose air conditioning and refrigeration component and system problems and to conduct performance tests.

**Prerequisites:** AC 123A, 213C.

## Art

A student majoring in art should see a Tyler Junior College faculty advisor for help in completing a course plan. Students planning to transfer art credit toward a bachelor's degree are required to prepare and retain a portfolio of their work to facilitate their transfer.

### **ART 113A Art Appreciation (3-0)**

A humanities course open to all featuring principles of design from the layman's point of view, a general introduction to selected works of visual art in drawing, painting and sculpture for a deeper appreciation of the creative process.

### **ART 113D Design I (3-3)**

The art elements and principles with emphasis upon two-dimensional designs using a wide range of media and techniques.

### **ART 113E Drawing I (3-3)**

Still lifes, landscapes and architectural subjects with emphasis upon drawing skills including line, value, proportion and perspective through the use of a wide variety of drawing media and techniques.

### **ART 114B Art for Pre-School and Elementary School (3-3)**

Preschool and elementary art explored through a wide variety of actual techniques and media with both two- and three-dimensional design projects; including art appreciation, critique, and curriculum formation.

### **ART 123D Design II (3-3)**

Three dimensional design concepts.

### **ART 123E Drawing II (3-3)**

The head and human figure using various media and techniques including basic skeletal and muscular structure of the human figure as related to drawing.

### **ART 213 History of Art I (3-0)**

Painting, sculpture, architecture and crafts from prehistoric time to the end of the Middle Ages through the use of critical and analytical slide-illustrated lectures and text study.

### **ART 213C Ceramics I (3-3)**

Basic ceramic process, materials and techniques, plus hand building, glazing and firing procedure with an introduction to the use of the potter's wheel.

### **ART 213L Weaving I (3-3)**

Introductory weaving, exploratory studies in the use of textiles as a form of art, the use of simple hand looms and introduction to operation of the floor loom.

### **ART 213O Painting I (3-3)**

An introduction to the problems of painting and composition in oil and/or acrylic media including color and value mixing charts, simple objects, still lifes and landscapes done in an objective and representational manner.

### **ART 223 History of Art II (3-0)**

Painting, sculpture, architecture, and crafts from early Renaissance time to the present through critical and analytical slide-illustrated lectures and text study.

### **ART 223C Ceramics II (3-3)**

Problems in ceramics with personal and professional development in forming and decorating techniques as well as mastery of potter's wheel and glaze calculation.

### **ART 223L Weaving II (3-3)**

A continuation of ART 213L.

### **ART 223O Painting II (3-3)**

A continuation of ART 213O with emphasis on more creative and experimental areas of painting styles with a wide range of subjects and techniques including abstraction and non-objective art.

### **ART 223W Water Color Painting (3-3)**

An introduction to the water color medium as a means of artistic expression in the interpretation of still lifes and landscapes done in a representational manner.

---

*"I enjoy the atmosphere  
and the small classes  
available here."*

**Robert Jeulius**

*English literature major*

## **Astronomy**

A student majoring in astronomy should see a Tyler Junior College faculty advisor for help in completing a degree plan.

### **AST 114 Introduction to Astronomy I (3-3)**

An introduction to historical and observational astronomy focusing specifically on the members of our solar system and on basic observation skills and knowledge.

### **AST 124 Introduction to Astronomy II (3-3)**

An introduction to modern astronomy and basic observational techniques focusing on principles of stellar processes, types and evolution, galactic structures and cosmology and methods and techniques of modern astronomical observation.

## **Bank Management 5626**

Students successfully completing this program receive the associate in applied science degree in bank management. The curriculum provides the student with the basics of the banking industry as well as indepth knowledge in specific banking and finance functions.

The banking community assists the educational opportunity by recommending qualified teachers and selecting appropriate textbooks for all courses. This degree program is recommended for students interested in a career in a financial institution or those already employed who need updated or expanded skills.

### **BM 113 Principles of Banking (3-0)**

The fundamentals of bank functions in a descriptive fashion.

### **BM 113A Bank Accounting (3-0)**

Bank accounting principles as applied to typical bank financial statements and the analysis and interpretation and use of financial data in a variety of applications.

### **BM 113B Savings and Time Deposit Banking (3-0)**

The historical development of savings institutions and an awareness of the basic economic function of the saving process.

### **BM 113C Deposit Operations (3-0)**

Bank operations relative to deposit-taking activities and management of deposited funds.

### **BM 113S Commercial Lending (3-0)**

Loan policy, credit investigation, credit techniques and other analysis studies directed toward the executive level.

### **BM 123A Financial Planning for Bankers (3-0)**

The fundamental concepts of planning designed to train bankers to be professional financial planners and to provide them with knowledge of its application to the current banking environment.

### **BM 123B Law and Banking Applications (3-0)**

An introduction to laws pertaining to secure transactions, letters of credit and the bank collection process.

### **BM 123C Commercial Bank Management (3-0)**

A complete introduction to the handling of day-to-day bank activities including the formulation of objectives and policies, management of assets and liabilities and administration of deposits and loans.

### **BM 123S Money and Banking (3-0)**

Basic monetary theory, economic stabilization, types of spending, gold, limitations of bank control and government policy.

### **BM 213B Trust Business (3-0)**

Services rendered by institutions engaged in the trust business and the distinction between business and legal aspects of trust functions.

### **BM 213D Trust Management (3-0)**

Specific topics concerning the trust department.

### **BM 213E Commercial Banking (3-0)**

Topics and issues which bankers must be prepared to address and discuss in the quest for solutions and responses.

**BM 223 Consumer Lending (3-0)**

Establishing credit, obtaining and checking credit information, servicing the loan and collecting the amounts due.

**BM 223A Analyzing Financial Statements (3-0)**

A review of basic accounting and a study of financial statements and financial statement analysis.

**BM 223C Professional Development Training (1-20)**

Requires on-the-job training and provides for the development of the student's banking and management skills in handling job situations. Provides for professional growth.

**BM 223D Consumer Credit Analysis (3-0)**

Designed for individuals who understand the basics of consumer lending and its function within a bank but need specific training on the aspects of making a consumer loan.

**BM 223E Law and Banking Principles (3-0)**

Banker's guide to law and legal issues with special emphasis on the Uniform Commercial Code.

**BM 223G Marketing for Bankers (3-0)**

The basics of public relations, both internal and external.

**BM 223H Bank Investments and Funds Management (3-0)**

Principles from which a student can derive an adequate philosophy of funds management and the differences between practices in large banks and smaller banks.

## ★ TJC Trivia ★

The first campus newspaper, published in 1927, was called the *Apache Pow Wow*. The name was shortened to the *Pow Wow* in 1948 and later became the *Tyler Junior College News*.

## Bible

Bible courses for college credit at Tyler Junior College are taught in the Baptist Bible chair, Wesley Foundation Methodist Bible chair, the Church of Christ Bible chair and the Association of Baptist Students Bible chair.

The granting of college credit for such courses is on the following basis:

1. All such courses must be based upon comprehensive syllabi approved by Tyler Junior College.

2. Such courses may not be taught from a sectarian viewpoint but must be historical or literary in nature.

3. The teacher of such courses must meet the same standards of academic preparation as required of teachers in other academic disciplines of the College.

4. A maximum of 12 semester hours will be accepted toward a degree.

A student majoring in Bible should see a Tyler Junior College faculty advisor for help in completing a course plan.

**BIB 111 Selected Studies in the Old Testament (1-0)**

A study involving either an Old Testament book or theme.

**BIB 111A Selected Studies in the New Testament (1-0)**

A study involving either a New Testament book or theme.

**BIB 111C An Introduction to Christianity (3-0)**

A study of theological terms, great Bible themes and a comparison of Christianity with other religions.

**BIB 113 Survey of the Old Testament (3-0)**

The history, literature and teachings of the Old Testament.

**BIB 113G, 123G, 213G, 223G Bible Topics (3-0)**

Different topics each semester. May repeat for credit as topic changes.

**BIB 123 Survey of the New Testament (3-0)**

The history, literature and teachings of the New Testament.

**BIB 213 Life and Teachings of Jesus (3-0)**

The life and teachings of Jesus Christ from the perspective of writers of the Gospels.

**BIB 223 Life and Letters of Paul (3-0)**

The ministry and thoughts of Paul found in the Acts of the Apostles and in his letters.

**BIB 223A World Religions (3-0)**

An interpretation of the fundamental insights, concepts and customs of the major religions of the world.

## Biology

A student majoring in biology should see a Tyler Junior College faculty advisor for help in completing a degree plan.

**BIO 114A Microbiology (3-3)**

Characteristics and activities of microorganisms and their relation to health and disease.

**BIO 114C Introductory Biology I (3-3)**

Concepts of biology relating to the cell, classification, evolution and ecology as well as plants and invertebrates. For the non-science major.

**BIO 114D Anatomy and Physiology (3-3)**

Anatomy and physiology of the human body oriented toward the allied health sciences.

**BIO 114M Biology I (3-3)**

Concepts of biology relating to the cell, energy transformations, evolution, ecology tissues and organ systems common to plants and invertebrate animals. For the science major.

**BIO 124B General Botany (3-3)**

Introduction to the plant kingdom with emphasis on the importance of plants to man including principles of heredity and evolution.

**BIO 124C Introductory Biology II (3-3)**

Emphasizes the development, structure and function of organ systems in man.

**Prerequisite:** BIO 114C recommended.

**BIO 124D Anatomy and Physiology (3-3)**

A continuation of Biology 114D.

**Prerequisite:** Biology 114D.

**BIO 124M Biology II (3-3)**

Vertebrate systems emphasizing man as well as principles of heredity and evolution. For the science major.

**Prerequisite:** BIO 114M recommended.

**BIO 213 Environmental Biology (2-3)**

Introduction to basic ecological principles, biotic interrelationships in aquatic and terrestrial communities and environmental issues that have national and global effects. Field trips required.

**BIO 223F Native Plants (2-3)**

Study of plants native to East Texas with special concentration on the wildflowers while lab and field work emphasizes plant family characteristics. Field collections required.

**BIO 224 Comparative Vertebrate Anatomy (3-4)**

Comparative study of morphology, physiology and phylogeny of vertebrate organ systems. Recommended for biology, pre-medical and pre-dental majors.

**Prerequisite:** Biology 114M and 124M or 124B.

**BIO 224G Introduction to Genetics (3-3)**

Principles of molecular and classical genetics, the function and transmission of hereditary material, population genetics and genetic engineering.

**Prerequisite:** One year of biology.

## Business

**BUS 113A Elementary Accounting I (3-0)**

Presents the double-entry system for the accounting cycle of a business organization with an emphasis on general and special journals, ledgers, financial statements and payroll.

### **BUS 113B Introduction to Business (3-0)**

Provides an over-all picture of business operations, develops a business vocabulary and includes an analysis of the specialized fields within the business organization and of the role of business in modern society. This is also offered through instructional television.

### **BUS 123A Elementary Accounting II (3-0)**

A continuation of BUS 113A. Emphasis is given to payables, receivables, inventories, asset valuation, partnerships, corporations, and cash flows. Practice set required.

**Prerequisite:** BUS 113A.

### **BUS 213C Computer Applications of Elementary Accounting (3-1)**

A "hands-on" study of a commercial, business accounting software system, Dac Easy Accounting.

**Prerequisites:** BUS 113A or 214 or consent of program director.

### **BUS 213L Business Law (3-0)**

Emphasizes the principles and elements of contracts, sales and warranties, legal aspects of commercial papers, principal-agent relationships, labor law and government-business relationships.

### **BUS 214 Principles of Financial Accounting (3-3)**

A study of financial accounting including the double-entry bookkeeping system, accounting cycle, adjusting closing and reversing entries, receivables/payables, depreciation, stockholder's equity and financial statements. Practice set required.

**Prerequisite:** CS 113V or consent of program director.

### **BUS 224 Principles of Managerial Accounting (3-3)**

Emphasis on managerial analysis and decision making concepts including price level changes, statement analysis, manufacturing cost analysis, planning concepts and systems and investment planning.

**Prerequisite:** BUS 214 and CS 113V.

## **Chemistry**

Students that have not studied chemistry in high school are advised to consider completing CHM 113B, Basic Chemistry prior to enrolling in CHM 114, General Chemistry, CHM 113D, Elementary Chemistry, or CHM 114H, Fundamentals of Chemistry.

A student majoring in chemistry should see a Tyler Junior College faculty advisor for assistance in completing a degree plan.

### **CHM 113B Basic Chemistry (3-0)**

Fundamental principles of chemistry and related mathematics for students with little or no chemistry or science background. Will not be counted in lieu of other chemistry courses listed.

### **CHM 113D Elementary Chemistry (3-2)**

Elementary inorganic, organic and bio-chemistry suited for persons interested in health science programs.

**Note:** Neither Chemistry 114I-124I, 114H-124H nor 113D is substituted for Chemistry 114-124 in meeting prerequisites in scientific curricula.

### **CHM 114 General Chemistry (3-4)**

Serves as prerequisite requirement for engineering, medicine, dentistry and other professional courses requiring advance work in chemistry. Lab work includes an introduction to quantitative analysis.

### **CHM 114H Fundamentals of Chemistry (3-3)**

Elementary inorganic and organic chemistry, especially suited for persons interested in the health professions.

### **CHM 114I Introductory Chemistry (3-3)**

Introduction and non-technical survey of inorganic chemistry with emphasis on role of chemistry in problems of contemporary society. Suited for non-science majors.

### **CHM 124 General Chemistry (3-4)**

Continuation of Chemistry 114. Equilibrium, acid-base concepts, oxidation-reduction systems, reaction rates, electro-chemistry and selected topics in nuclear chemistry. Lab work includes an introduction to volumetric and qualitative analysis.

**Prerequisite:** Chemistry 114.

**CHM 124H Fundamentals of Organic and Biochemistry (3-3)**

Continuation of Chemistry 114H with emphasis on organic and biochemistry.

**Prerequisite:** Chemistry 114H.

**CHM 124I Introductory Chemistry (3-3)**

Continuation of Chemistry 114I. Survey of organic and biochemistry.

**Prerequisite:** Chemistry 114I or 114.

**CHM 214 Organic Chemistry (3-4)**

Chemistry of compounds of carbon emphasizing energy, mechanism of reaction, synthesis, structure of organic molecules, stereochemistry and molecular conformations with lab work including an introduction to gas chromatography.

**Prerequisite:** Chemistry 124.

**CHM 224 Organic Chemistry (3-4)**

Continuation of Chemistry 214 with lab work covering the use of infrared spectroscopy.

**Prerequisite:** Chemistry 214.

## Child Development 5222

The child development curriculum combines lecture, laboratory and on-the-job training for a career in the area of child development. Students successfully completing the one-year program will gain entry level skills and are awarded the certificate of proficiency. Students successfully completing the two-year program will receive an educational foundation adequate to allow them to provide child development activities and/or advance toward becoming the director of a child development facility. Two year graduates will be awarded the associate in applied science degree in child development.

**CD 113 Introduction to Child Development (3-3)**

Students will gain an understanding of the history, philosophy and ethics of child development. This will include types of child development facilities as well as the laws and standards which govern them. Emphasis will be placed on the responsibilities of personnel in this field.

**CD 113A Survey of Child Care Management (3-0)**

An introduction to the mechanics of managing a child care facility which will include center scheduling, curriculum, lesson plans, teaching techniques, behavioral management and assessment of students and staff.

**CD 113B Curriculum and Materials in the Child Care Facility (3-3)**

The principles of curriculum development appropriate for educating preschool children. Students will participate in planning age-appropriate materials and activities including beginning mathematics, language, social studies and science concepts.

**CD 113C Health Care and Safety (3-2)**

A study of personal and community health which emphasizes protection against communicable diseases and accidents. Fundamental first aid, CPR, vision and hearing screening, safety and accident prevention will be covered.

**CD 123 The Family and the Community (2-2)**

The role of a child development center as it relates to the home environment, the interaction between parents and children as well as the relationships of the family to their community will be studied. Hypothetical records will be interpreted and case studies of young children will be developed.

**CD 123B Creative Activities (2-4)**

A continuation of CD 113B which includes a study of activities relating to conceptual learning, recreation, arts, crafts, music, dance, children's literature, storytelling and learning center activities.

**Prerequisite:** CD 113B.

**CD 123C Child Health and Nutrition (3-2)**

Health and nutrition as they contribute to and affect a child's growth and development.

**CD 113S & 123S Cooperative Training (3-37) (5 weeks)**

Seminar and on-the-job training. A training plan will be developed each semester for each student.

**Prerequisite:** First two semesters completed.

**CD 213 The Special Child (3-0)**

The differences in special needs children will be studied with emphasis on their special needs and how best to meet these needs.

**CD 213A Preschool Theory and Application (3-1)**

Various learning processes relating to the nature and conditions of learning and motivation will be studied to provide the knowledge necessary to access the preschool student's learning needs and develop appropriate learning activities.

**Prerequisite:** CD 113A.

**CD 223 Child Care Issues (2-4)**

An in-depth study of current issues relating to child development. Each student will develop and report on a research project.

**CD 223A Child Care Facility Management (3-0)**

Management theories and their application to a child care facility.

## **Computer-Aided Drafting 8622**

The curriculum in drafting is designed to qualify the student for professional work in the many areas of drafting. Upon completion of the required two-year plan, the student receives an associate in applied science degree.

**DFT 113A Mechanical Drawing I (2-4)**

(See EGR 113)

**DFT 113B Illustration Drawing (3-3)**

Freehand sketching and instrument drawing are emphasized in the preparation of pictorial drawings, charts and graphs.

**DFT 113G Introduction to Computer-Aided Drafting I (3-3)**

Introduction to the commands and functions of modern computer-aided drafting systems. Emphasis on applying the system to practical drafting and design problems.

**DFT 123B Computer-Aided Machine Drafting (3-3)**

An advanced mechanical drafting which uses CAD to draw a complete set of drawings from detail drawings to completed assembly drawing.

**Prerequisite:** EGR 113.

**DFT 123E Computer-Aided Electronics Drafting (3-3)**

Basic computer-aided drafting for electrical and electronics drafting covering theory of electronics, schematics, printed circuit boards, wiring diagrams, and integrated circuits.

**Prerequisite:** DFT 113G.

**DFT 123R Drafting for Real Estate Studies (3-0)**

Interpretation of architectural plans and specifications including on-site measurements to determine square footage and cost projection of buildings with the mapping portion including site plans and lease maps, with concentration on lettering, symbols and drafting scales.

**DFT 213A Architectural Drafting I (3-3)**

Computer-aided applications for plans of a single story residence. The study includes site plan, floor plans, foundation plan, elevations, details, and schedules.

**Prerequisite:** DFT 113G Computer-Aided Machine Drafting.

**DFT 213D Descriptive Geometry (See EGR 123).****DFT 213F Drafting for Electronics Technicians (3-3)**

Drafting techniques applied to electronics technology including sketching, functional block diagrams, schematic symbols and diagrams, printed circuit board design and computer-aided drafting (CAD).

**DFT 213P Computer-Aided Pipe Drafting (3-3)**

Computer-aided applications to pipe drafting, the study includes terminology, valves, fittings, vessels, symbols, isometrics, flow diagrams, plot plans, and elevations.

**Prerequisite:** DFT 113G.

### **DFT 213S Computer-Aided Structural Drafting (3-3)**

Design and fabrication detailing of structural steel frameworks and components using CAD. Included are structural shapes, bolted and welded connections, beams, columns, trusses, bracing, and frameworks.

**Prerequisite:** DFT 113G.

### **DFT 223A Computer-Aided Architectural Drafting II (3-3)**

Computer-aided drafting applications for a set of plans for a light commercial structure. Areas of study include site plan, floor plan, foundation plan, elevations, details, and building schedules.

**Prerequisite:** DFT 213A.

### **DFT 223B Map Drafting (3-3)**

The preparation of lease, township, topographic, highway and ownership maps are covered. Inking and calculations from surveyor's notes are included.

### **DFT 223C Plane Surveying (3-3)**

Care and use of surveying and mapping equipment with lab problems including topography, traverse closures, profiles and borrow pit calculations.

### **DFT 223G Advanced Computer-Aided Drafting II (3-3)**

Advanced computer-aided drafting in which the student's basic knowledge of computer software and operations will be utilized to complete computer-aided problems.

**Prerequisite:** DFT 113G.

### **DFT 223P Advanced Computer-Aided Pipe Drafting (3-3)**

Computer-aided applications for making isometric pipe spool drawings with emphasis on solutions to equipment location placement and theory for the advanced piping student.

**Prerequisite:** DFT 213P.

---

*"I came to TJC because it is convenient, and I got a scholarship."*

**Jenni Bailey**

*government and pre-law major*

## **Computer Science 6021**

The College offers a one-year program leading to a certificate of proficiency and three two-year programs leading to associate in applied science degrees and an associate in arts degree with a concentration in computer science.

The one-year program leading to a certificate of proficiency prepares the student for employment in the fields of computer operations, data preparation and data entry.

The two-year programs lead to an associate in applied science degree in which the student may choose the programming option or microcomputer option.

The other two-year degree, Associate in Arts degree with a Concentration in Computer Science on page 34, prepares the student for advancement to an upper-level university.

A student seeking a four-year degree should see a faculty advisor for academic advisement.

### **CS 113A Introduction to Computers (3-0)**

Provides a thorough introduction to the history, concepts and terminology involving computers. BASIC language included. This course is also offered through instructional television.

### **CS 113C Computer Literacy (3-3)**

Introductory "hands-on" course using microcomputers to study system commands and major software packages. Includes history of computers.

### **CS 113K Introduction to Computer Operations (3-3)**

Computer operations ranging from microcomputers to large systems with "hands on" provided.

### **CS 113L Introduction to Computer Programming Logic (3-0)**

Introduction to the concepts and terminology involving structured programming techniques.

### **CS 113M DOS/Data Entry (3-0)**

Essential PC DOS COMMANDS and Data Entry concepts and skills.

**Prerequisite:** Knowledge of keyboard recommended.

**CS 113P Computer Programming: PASCAL (3-3)**

A study of algorithmic computer solutions and the PASCAL programming language.

**CS 113V Business Computer Applications (3-3)**

A study of essential DOS commands, word processing, electronic spread-sheet, database, and basic language. Includes history, business uses, and applications of computers.

**CS 123B Computer Operating Systems (3-3)**

Establishes marketable skills in advanced computer operation concepts and procedures.

**Prerequisite:** CS 113K.

**CS 123C Management Computer Use (3-0)**

Acquaints students with management theories and practices as related to a computerized environment.

**CS 123E Computer Programming: Assembly Language (3-3)**

A detailed study of IBM mainframe assembly language programming and debugging techniques.

**Prerequisites:** MTH 123E (or equivalent) or acceptable ACT or SAT math scores, CS 113L or 113P or consent of the instructor.

**CS 123L Advanced Computer Programming Logic (3-0)**

An advanced study of structured programming logic.

**Prerequisite:** CS 113L or consent of the instructor.

**CS 123M Data Entry II (3-3)**

Builds marketable, professional skills of speed, accuracy and validation of data.

**Prerequisite:** CS 113M.

**CS 123T Lotus 1-2-3 (3-0)**

Introductory study of professional business software, LOTUS 1-2-3.

**CS 123V Computer Programming: C (3-3)**

A study of high-level programming using C language.

**Prerequisite:** MTH 123E (or equivalent) or acceptable ACT or SAT math score, CS 113L or 113P or consent of instructor.

**CS 213A Computer Programming: COBOL (3-3)**

A high-level language using recent structured techniques.

**Prerequisite:** MTH 123E (or equivalent) or acceptable ACT or SAT math score, CS 113L or 113P or consent of instructor.

**CS 213B Systems Analysis (3-0)**

Introduction to essential principles of the systems development cycle and the tools and techniques which can be applied in each phase of the cycle.

**Prerequisite:** CS 113A or consent of instructor.

**CS 213F Computer Programming: QUICK BASIC (3-3)**

Develops beginning programming skills as commonly implemented in business and scientific environments.

**Prerequisite:** MTH 123E (or equivalent) or acceptable ACT or SAT math score, CS 113L or 113P or consent of instructor.

**CS 213H Extended DOS (3-3)**

Disk operating system (PC DOS) concentrating on extended DOS commands.

**CS 213R Computer Programming: RPG II (3-3)**

A study of the use of RPG II Language.

**Prerequisite:** MTH 123E (or equivalent) or acceptable ACT or SAT math score, at least one previous language or consent of the instructor.

**CS 223A Advanced Computer Programming: COBOL (3-3)**

File maintenance, structures and utilities using COBOL languages.

**Prerequisite:** CS 213A or consent of the instructor.

**CS 223C Computer Programming: FORTRAN (3-3)**

A study of high-level, math-oriented language.

**Prerequisite:** MTH 123E (or equivalent) or acceptable ACT or SAT math score, CS 113L or 113P or consent of instructor.

**CS 223G Advanced Computer Programming: BASIC Language (3-3)**

Advanced programming skills with major emphasis on interactive business applications.

**Prerequisite:** CS 213F or consent of the instructor.

**CS 223J Data base Concepts with Programming (3-3)**

Data Base concepts including programming.

**Prerequisite:** CS 113C and 113L or 113P or consent of the instructor.

**CS 223V Professional Development Seminar (1-20)**

Open to computer science majors. Provides on-the-job training and assists the student in adapting computer skills and principles to job situations.

**CS 113Y, 123Y, 213Y and 223Y Special Topics (3-0)**

Topics will be at the discretion of the program director and will reflect current practices and equipment in the computing field. May be repeated for credit when topic changes.

## **Criminal Justice 7021**

Students successfully completing this program receive the associate in applied science degree and will be eligible to sit for the Texas peace officer licensing examination.

**CJ 113 Introduction to Criminal Justice (3-0)**

Provides an overview of the United States and European criminal justice systems.

**CJ 113B Police Systems and Practices (3-0)**

The police profession, organization of law enforcement systems, the police role, ethics, police community interaction and current and future issues.

**CJ 113C Probation and Parole (3-0)**

Introduces the student to criminal corrections and its place in the criminal justice system.

**CJ 113E Crime in America (3-0)**

American crime problems in historical perspective, social and public policy factors affecting crime, impact and crime trends, social characteristics of specific crimes and prevention of crimes.

**CJ 123B Police Role in Crime and Delinquency (3-0)**

A study of juvenile behavior to provide insight into the conditions that are believed to cause deviant acts by juveniles.

**CJ 123C Patrol Administration (3-0)**

Introduces the student to an overview of basic patrol procedures used in crime prevention and police field operations.

**CJ 123D Criminology (3-0)**

Presents theories, causes of crime and criminal typologies.

**CJ 213A Criminal Investigation (3-0)**

Investigative theory, collection and preservation of evidence, sources of information, interview and interrogation, use of forensic sciences and case and trial preparation.

**CJ 213B Legal Aspects of Law Enforcement (3-0)**

Police authority, responsibilities, constitutional restraints, laws of arrest, search and seizure, and police liability.

**CJ 213C Criminalistics (3-1)**

Introduces the student to the forensic laboratory with emphasis placed on identification, collection and preservation of evidence.

**CJ 213D Correctional Systems and Practices (3-0)**

Corrections in the criminal justice system, organization of correctional systems, correctional role, institutional operations, alternatives to institutionalization, treatment and rehabilitation and current and future issues.

**CJ 213E Texas Peace Officer Law (3-2)**

Laws directly related to police field work; including traffic, intoxicated drivers, penal code, elements of crimes, the family code, alcoholic beverage code and civil liability.

**Prerequisite:** Twelve semester hours of credit in criminal justice, and consent of the program director.

**CJ 223B Traffic Planning and Administration (3-0)**

Introduces the student to the problems of traffic control using the Texas motor vehicle laws as a guide.

**CJ 223C The Courts and Criminal Procedure (3-0)**

The judiciary in the criminal justice system, structure of the American court system, prosecution, right to counsel, pre-trial release, grand juries, adjudication process, types and rules of evidence, and sentencing.

**CJ 223D Fundamentals of Criminal Law (3-0)**

A study of the nature of criminal law, philosophical and historical development, major definitions and concepts, classification of elements of crimes and penalties using Texas statutes as illustrations, and criminal responsibility.

**CJ 223E Police Defensive Tactics (3-3)**

Practice in the techniques of arrest, prisoner searches and the use of batons and firearms. CJ major medically qualified with no felony convictions.

**CJ 223F Texas Peace Officer Procedures (3-2)**

Techniques and procedures used by police officers on patrol; including controlled substance identification, handling abnormal persons, traffic collision investigation, notetaking and report writing, vehicle operation, traffic direction, crowd control and jail operations.

**Prerequisite:** Texas peace officer law CJ 213E or may be taken concurrently.

**CJ 223H Community Resources in Corrections (3-0)**

An introductory study of the role of the community in corrections, community programs for adults and juveniles, administration of community programs, legal issues and future trends in community treatment.

**CJ 223J Texas Peace Officer Skills (3-3)**

Demonstration and practice of the skills expected of a police officer. Includes patrol, traffic stops, use of force, mechanics of arrest, firearms safety and emergency medical care.

**Prerequisite:** Texas peace officer law CJ 213E and Texas peace officer procedures CJ 223F; or may be taken concurrently.

**CJ 223K Criminal Justice Internship (1-20)**

Field program designed to provide observation and actual work experience in the various public and private agencies in which a student is assigned.

**Dance**

A student majoring in dance should see a Tyler Junior College faculty advisor for help in completing a course plan.

**DNC 111C Introduction to Dance (0-3)**

An introduction to the art of dance through participation and instruction in a variety of dance activities and techniques.

**DNC 121C Introduction to Dance (0-3)**

A continuation of DNC 111C.

**DNC 211C Appreciation of Dance (0-3)**

Basic fundamentals and interpretations of dance with the principles and applications applied to the interpretation of modern and conventional dance.

**DNC 221C Appreciation of Dance (0-3)**

A continuation of DNC 211C.

**DNC 112T Tap (2-1)**

Instruction and participation in tap dancing as part of the performing arts as well as an exploration of tap techniques with focus on style, rhythm and dynamics.

**DNC 122T Tap (2-1)**

A continuation of DNC 112T. Introduces concepts of group and solo work.

**DNC 113 Modern Dance (2-1)**

Instruction and participation in modern dancing as part of the performing arts; includes exploring individual potential using self-awareness techniques in the areas of structure and alignment, breathing and relaxation and imaging and improvisation.

**DNC 113A Modern Dance (2-1)**

A continuation of DNC 113. Introduces concepts of partnering along with solo group work.

**Prerequisite:** Dance 113.

### **DNC 123 Jazz (2-1)**

Instruction and participation in jazz dancing as part of the performing arts as well as an exploration of jazz technique with focus on style, rhythm and dynamics.

### **DNC 123A Jazz (2-1)**

A continuation of DNC 123. Introduces concepts of solo and group work.

**Prerequisite:** Dance 123.

### **DNC 213 Ballet (2-1)**

Instruction and participation in ballet as part of the performing arts, plus exploration of ballet technique with emphasis on a long series of movements, beats, adagio, jumps, etc., while stressing clarity of movement as well as precision in execution.

### **DNC 213A Ballet (2-1)**

A continuation of DNC 213. Introduces variations from the classical and neo-classical repertoire.

**Prerequisite:** DNC 213.

### **DNC 213B Intermediate Ballet (2-1)**

A continuation of the development of ballet technique including more complicated exercises at the barre and centre floor while stressing precision of movement.

**Prerequisite:** DNC 213A.

### **DNC 213C Intermediate Ballet (2-1)**

Begins pointe for women and specialized beats and tours for men while developing individual proficiency and technical virtuosity.

**Prerequisite:** DNC 213B.

## **Dental Hygiene 8034**

The purpose of the dental hygiene program is to prepare competent dental hygienists to meet the oral health care needs of the public. Through basic education in the dental hygiene program, students acquire knowledge and proficiency to become functioning members of the dental health care delivery team.

The program provides 24 months of theoretical and clinical training at the college level leading to the associate in applied science degree in dental hygiene.

Since enrollment in this program is limited to 24 places each year, those

applying for admission must make application directly to the dental hygiene program office. Criteria for admission and applications for admission are available from the director of the dental hygiene program.

Priority consideration is given to those applicants whose college transcripts show completion of 12 semester hours of college academic courses with a GPA of 2.5 or higher.

All required courses of the associate degree curriculum must be completed with a "C" or better. Having **not** received a "C" or better **in any prerequisite course**, the student may not progress until the deficiency has been removed.

Graduates who successfully pass the Dental Hygiene National Board examination are eligible to take state licensing exams in states where they plan to practice.

Science courses taken after application and acceptance to the Tyler Junior College dental hygiene program are expected to be taken at Tyler Junior College. Approval must be granted by the program coordinator and instructional division dean for enrollment in a science course at another college or university. Transfer credit for science courses completed at other colleges and universities, prior to application and acceptance at Tyler Junior College will require individual consideration.

### **DH 112 Introduction to**

### **Dental Hygiene (6.4-6.4) (5 weeks)**

A study of the role of the dental hygienist in preventive dentistry.

**Prerequisite:** Admittance to program.

### **DH 113 Oral Anatomy**

### **and Physiology (3-2)**

Normal clinical appearance and functions of anatomical structures of the oral cavity, head and neck.

**Prerequisite:** Admittance to program.

### **DH 113D Oral Histology**

### **and Embryology (3-0)**

Microanatomy of oral cavities, development and function.

**Prerequisite:** Admittance to program.

**DH 114 Dental Hygiene Radiography (3-3)**

Radiographic techniques, processing and mounting and radiation safety procedures.

**Prerequisite:** Admittance to program.

**DH 114C Dental Hygiene Clinic I (3-6)**

Theory and principles of instrumentation, current practices in infection control and hazard communication complying with OSHA guidelines.

**Prerequisite:** Admittance to program..

**DH 122 Dental Materials (2-2)**

Identification, properties, manipulation, application and maintenance of materials used in dentistry.

**Prerequisite:** Admittance to program.

**DH 122A Pathology (2-0)**

Basic pathology relevant to dental hygiene practice.

**Prerequisite:** BIO 114D, 124D.

**DH 122B Oral Pathology (2-0)**

A study of diseases affecting the oral cavity.

**Prerequisite:** DH 113.

**DH 123C Dental Hygiene Clinic II (2-8)**

Study of treatment considerations for patients with special needs. Beginning clinical practice on patients.

**Prerequisite:** DH 114C.

**DH 212 Pharmacology (2-0)**

Concepts of pharmacology in relation to dentistry.

**Prerequisite:** DH 122A, 122B.

**DH 212D Clinical Nutrition (2-0)**

Nutrition in dentistry including instruction in computing kilocalorie requirements for basal metabolism, activity, specific dynamic action and percentages of fat in the diet.

**Prerequisite:** CHM 113D.

**DH 212P Periodontology**

(6.4-6.4) (5 weeks)

A study of the etiology and characteristics of periodontal disease with correlation of clinical instrumentation.

**Prerequisite:** DH 123C.

**DH 213C Dental Hygiene Clinic III (2-12)**

Continuation of study on treatment considerations for patients with special needs with emphasis on maintenance and recall. Instrumentation and treatment planning for clinically difficult patients.

**Prerequisite:** DH 123C.

**DH 213H Community Dental Health (3-1)**

Promotion of dental health in the prevention of dental disease and public health methods.

**Prerequisite:** DH 123C.

**DH 221S Seminar (1-0)**

A study of practice management skills with emphasis on communicating with dental patients.

**Prerequisite:** Enrollment in second year DH courses.

**DH 223C Dental Hygiene Clinic IV (2-12)**

Maintenance of clinical skills with emphasis on ethical and legal concepts relating to the dental hygienist. A study of state practice acts regulating dental hygiene.

**Prerequisite:** DH 213C.

**DH 223H Community**

**Dental Health II (3-1)**

Implementation of community program plans and study of alternative practice settings in dental hygiene.

**Prerequisite:** DH 213H.

**Drafting**

(See Computer-Aided Drafting)

---

*"I have found that the teachers at TJC are interested in their students' success and are willing to help with any problems."*

**Renee Praytor**

## Economics

Students majoring in economics should see a faculty advisor for help in completing a course plan.

### **ECO 213 Principles of Economics (3-0)**

An examination of fundamental economic concepts and principles including macro-economic theory, national income, employment, monetary policy, fiscal policy and international trade. Sophomore standing suggested.

### **ECO 223 Economic Problems (3-0)**

A study of contemporary economic issues and problems including micro-economic theory, value and price determination, revenues and costs, market structure and income distribution. Sophomore standing suggested.

## Education

### **ED 111 Orientation to Education (1-0)**

An introduction to the teaching profession, to include information about teaching and administrative careers available, teaching field options, employment conditions and requirements for teacher certification (TASP). Recommended for all students who plan to seek careers in teaching.

## Electronics 8824

Electronics is a fast-growing and exciting high-tech industry, full of challenges as new technology emerges. As a knowledge-intensive, sunrise industry, electronics promises to be of increasing importance to the United States and to the world's economy. Recent advances in the semiconductor industry, microcomputer applications, artificial intelligence, robotics, sophisticated communications equipment and alternate energy sources have led to an increased need for technicians to maintain these high-technology systems. Electronics technicians design, prototype, install, maintain, troubleshoot and repair electronic equipment.

The electronics curriculum provides students the opportunity to specialize in digital/microprocessor electronics, industrial electronics, electronic tele-

communications or electrical power technology.

After successfully completing one of the two-year programs, the student receives the associate in applied science degree.

As microcomputers are employed in greater numbers in businesses, educational institutions, and homes, the need for microcomputer technicians has increased.

The microcomputer repair and maintenance curriculum is designed to prepare the student as a microcomputer technician, fully competent to perform field service duties in the repair and maintenance of microcomputers.

This curriculum is targeted toward the student who wishes to spend minimal time in "formal" training in order to quickly enter the job market with a salable skill. Using a cluster of twelve courses, of eight weeks duration each, the student emerges from the program with a certificate of proficiency.

### **ELC 112A Introduction to Digital Electronics (3-4) (8 weeks)**

Introduction to electrical fundamentals and basic logic devices. Fundamental logic operations and devices are discussed. Prototyping of digital circuits comprises the laboratory experiences developed through this course.

### **ELC 112T Tools and Instrumentation for PC Technicians (3-4) (8 weeks)**

A lecture and laboratory familiarization with the tools and electrical instrumentation used by the PC technician. Also, handling and care of sensitive electronic circuits is presented.

### **ELC 112P Introduction to PC Architecture (3-4) (8 weeks)**

An introduction to the basics of PC architecture and the circuits which make up the various modular systems of the PC. Assembly and disassembly of the PC as well as terminology is stressed in this course.

### **ELC 112B Introduction to Digital Electronics II (3-4) (8 weeks)**

A continuation of ELC 112A including logic circuit equivalents, semiconductor logic devices, and measurement techniques.

**Prerequisite:** ELC 112A.

**ELC 112C Introduction to Troubleshooting (3-4) (8 weeks)**

An introduction to the basics of troubleshooting techniques including familiarization with schematics, data manuals, block diagrams, instrumentation techniques. Basic troubleshooting skills will be developed in laboratory exercises with simple digital circuits.

**Prerequisite:** ELC 112T.

**ELC 112H Personal Computer Hardware (3-4) (8 weeks)**

An exploration of the various hardware and add in components of the PC. Emphasis is placed on selection criteria, configurations, and applicability of hardware components.

**Prerequisite:** ELC 112P.

**ELC 122S Service and Maintenance Procedures (3-4) (8 weeks)**

Shop techniques and customer relations are emphasized in this course along with estimations, communications, and various repair/replacement philosophies.

**Prerequisite:** ELC 112C and 112H.

**ELC 122C Personal Computer Troubleshooting (3-4) (8 weeks)**

A modular approach to diagnosis and repair of the PC. Instruction covers use of instrumentation, diagnostic software, and service manuals.

**Prerequisites:** ELC 112C and 112H.

**ELC 122H Personal Computer Systems (3-4) (8 weeks)**

A lecture and laboratory investigation of the dedicated PC workstation and the various hardware options which must be considered by the PC technician when servicing these stations. Also covered are the unique requirements of dedicated workstations.

**Prerequisite:** ELC 112H.

**ELC 122E Troubleshooting Peripheral Equipment (3-4) (8 weeks)**

The fundamentals of diagnosing and repairing troubles in peripheral equipment used with PC's such as printers, plotters, modems, and digitizers.

**Prerequisite:** ELC 122C.

**ELC 122A Application Software (3-4) (8 weeks)**

PC software and installation procedures are covered in this course, as well as the hardware implications of setup procedures for various software packages. Also covered is the consideration of software in the diagnosis of PC troubles.

**Prerequisite:** ELC 122H.

**ELC 122W Professional Development Seminar (1-20) (8 weeks)**

An industry internship for the advanced student of PC repair. Student will work in an approved industrial worksite under the supervision of both employer and instructor.

**Prerequisites:** ELC 122C, 122H and 122S.

**ELC 113 Introduction to Digital Circuits (3-3)**

An introduction to digital electronic circuits including logic gates and flip-flops with an emphasis on the proper utilization of laboratory equipment, prototyping and troubleshooting.

**ELC 113L Introduction to DC and Digital Circuits (3-3)**

An introduction to analog electronic circuits including resistors, coils and capacitors in DC and AC circuits with an emphasis on the proper utilization of laboratory equipment, prototyping and troubleshooting.

**Prerequisite:** MTH 113H or concurrent enrollment.

**ELC 113M Introduction to Electronics Technology (3-3)**

An introduction to electronics technology including career opportunities, laboratory instrumentation, electronic circuit construction techniques, physical properties of electronic components, schematic diagrams and troubleshooting techniques.

**ELC 123 Microprocessors and Digital Systems (3-3)**

Advanced digital concepts and an introduction to microprocessor system architecture and microcomputer system design.

**Prerequisite:** ELC 113.

**ELC 123A Industrial Electronics and Motor Control (3-3)**

Industrial electronics including magnetism, transformers, motors, motor control, generators, servos, solenoids, relays and three phase AC circuits.

**Prerequisite:** ELC 113L.

**ELC 123K Introduction to Computer Hardware (3-0)**

Explores fundamental computer hardware and its relationship to software and logic. For hobbyists and CS students. (Formerly CS 213C)

**ELC 123L Semiconductor Devices and Circuits (3-3)**

Semiconductor devices and circuits including diodes, transistors, industrial control devices and the proper utilization of laboratory equipment in troubleshooting solid-state circuits.

**Prerequisite:** ELC 113L.

**ELC 123S Software Development for Microprocessors (3-3)**

Machine and assembly language programming for microprocessors with an emphasis on problem solving, diagnostics and troubleshooting techniques.

**ELC 213A Microprocessor Applications (3-3)**

Microprocessor systems architecture including design, prototyping and troubleshooting of a microcomputer system.

**Prerequisites:** ELC 123 and 123S.

**ELC 213B Laser/Opto-Electronics (3-3)**

Technology essential to develop, assemble, operate, test and maintain lasers and other optical devices for industry use, including fiber optics.

**Prerequisite:** ELC 123L.

**ELC 213C Linear Integrated Circuits (3-3)**

Linear integrated circuits and circuit design techniques including microelectronics, operational amplifiers and integrated circuit timer applications, prototyping and troubleshooting.

**Prerequisite:** ELC 123L.

**ELC 213D Microcomputer Maintenance (3-3)**

Repair and maintenance of home and office microcomputers and peripheral devices with an emphasis on efficient field-service troubleshooting techniques.

**ELC 213F Commercial FCC License Preparation I (3-3)**

Preparation for the General Radiotelephone Operator License exam administered by the Federal Communications Commission.

**ELC 213G Electrical Power Generation (3-3)**

Electrical power generation and transmission including energy sources, power generating plants and transmission systems.

**ELC 213P Electrical Power Measurements (3-3)**

Electrical measurement instrumentation including techniques used in monitoring and maintaining electrical power systems.

**ELC 213T Electronic Communications (3-3)**

The concepts and circuits of electronic communications systems including transmitters, receivers, antenna systems and propagation.

**Prerequisite:** ELC 123L.

**ELC 223A Microprocessor Interfacing (3-3)**

Hardware and software interfacing techniques used in interfacing microcomputers to peripheral devices.

**Prerequisite:** ELC 213A.

**ELC 223B Troubleshooting Electronic Communication Systems (3-3)**

Localizing and replacing defective components in malfunctioning communications equipment using a systematic approach with an emphasis on test equipment utilization.

**Prerequisite:** ELC 213T.

**ELC 223D Troubleshooting Digital Systems (3-3)**

Localizing and replacing defective components in malfunctioning digital equipment using a systematic approach with an emphasis on test equipment utilization.

**Prerequisite:** ELC 213A.

### **ELC 223F Commercial FCC License Preparation II (3-3)**

A continuation of ELC 213F including FCC rules/regulations, electronic theory and practice exams.

**Prerequisite:** ELC 213F.

### **ELC 223G Electrical Power Distribution (3-3)**

The design, operation and technical detail of modern power distribution systems including protection devices, systems load analysis, rates and power economics.

### **ELC 223M Microwave Technology (3-3)**

Microwave concepts including transmitters, transmission lines, antennas, propagation, receivers, microwave measurements and radar.

**Prerequisite:** ELC 213T.

### **ELC 223P Automatic Control of Electrical Power Systems (3-3)**

Automatic control of electrical power systems including industrial electronic devices and microprocessor interfacing applications.

### **ELC 223R Robotics and Automated Systems (3-3)**

The concepts of automation and robotics including industrial applications, computer-integrated manufacturing and artificial intelligence.

**Prerequisites:** ELC 213A and 213C.

### **ELC 223S Electrical Power Signaling Techniques (3-3)**

Electronic communication techniques employed by the electrical power industry including powerline carrier technology, load management and data communication.

### **ELC 223T Telecommunications (3-3)**

Modern telecommunication systems including telephone switching, cable television and satellite communications systems.

**Prerequisite:** ELC 213T.

## **Emergency Medical Technology 8040**

The emergency medical technology program offers courses for state certification and for a two-year associate degree in applied science.

The student will be eligible to apply for certification as an emergency medical technician, emergency medical technician-intermediate, and emergency medical technician-paramedic. Certification at the state level may be achieved without completion of the requirements for degree. All courses are approved by the certifying organization, the Texas Department of Health Bureau of Emergency Management.

All courses of the emergency medical technology curriculum must be completed with a "C" or better to be eligible to take the state exam or progress to the next level course.

Enrollment in this program is limited. Those applying for admission must make application with the program director.

### **EMT 114 Emergency Medical Procedures I (3-5)**

Basic emergency care with emphasis on skills-development. Lectures include multiple trauma and acute intervention as applicable to EMT situations. Clinical time includes a minimum number of ambulance runs and hospital training as required by state law.

### **EMT 121 Clinical Practice I (0-6)**

Laboratory experience in emergency medical settings under the general supervision of the program director. Must be taken concurrently with EMT 124.

### **EMT 123 Mathematics for EMT (3-0)**

The application of mathematics to problem solving in emergency medical technology, including the metric system, ratios and proportions, dilution calculations, percentages, IV calculations and oxygen administration calculations.

### **EMT 124 Emergency Medical Procedures II (3-3)**

Advanced emergency skills, shock and respiratory management.

**EMT 211 Clinical Practice II (0-6)**

Continuation of EMT 121. Must be taken concurrently with EMT 214.

**EMT 213 Basic Pharmacology (3-0)**

Entry-level aspects of emergency medical technology related pharmacology.

**EMT 214 Emergency Medical Procedures III (3-3)**

Advanced pulmonary, medical and trauma related emergencies, including disaster management.

**EMT 222 Advanced Clinical Experience (0-12)**

Clinical applications for sophomore emergency medical technician students. Must be taken concurrently with EMT 224.

**EMT 224 Emergency Medical Procedures IV (3-3)**

Paramedic emergency medical procedures relating to human systems to include the respiratory system, cardiovascular system and management of the emotionally disturbed.

**EMT 224A Emergency Care (3-3)**

Emergency medical techniques applicable to related health professions; CPR, medical aids to breathing, bandaging, splinting, traction, lifting and moving and vital signs. (Meets ECA requirements)

## Engineering

The engineering program at Tyler Junior College is designed to meet the needs of the first two years of a four- or five-year engineering degree program.

Colleges and universities no longer allow advanced algebra and college trigonometry to apply toward a degree in engineering. In order for a student to follow a four-year program for a degree in these fields, it is desirable that the student take Calculus I with analytic geometry (Mathematics 213A) the first semester of the freshman year.

It is recommended that all engineering majors, except those with an unusually strong background in high school mathematics, take college algebra (Mathematics 113A) and plane trigonometry (Mathematics 113B) during the

summer prior to the first semester of the freshman year. This should be done to provide an adequate background for calculus with analytic geometry.

A grade of "C" or better must be earned in order to continue in sequential mathematics courses.

**EGR 111 Introduction to Engineering (1-0)**

Fields and opportunities within the scope of professional work.

**EGR 113 Engineering Design Graphics I (3-3)**

An introduction to the theory and practice of sketching, working drawings, pictorial drawings, dimensioning, and computer graphics while stressing line values, lettering, and industrial applications. (Replaces DFT 113A and EGR 112)

**EGR 121 Engineering Analysis (1-0)**

Analyzing and solving engineering problems including computational methods and devices.

**EGR 123 Engineering Design Graphics II (3-3)**

A study of the problem solving principles of orthographic projection and descriptive geometry. (Replaces DFT 213D and EGR 122).

**Prerequisite:** EGR 113.

**EGR 213 Engineering Mechanics I (Statics) (3-0)**

Newton's laws as applied to introductory rigid body statics and analysis of structures, frames and beams.

**Prerequisite:** Credit or registration for Mathematics 213B and Physics 124A.

**EGR 223A Engineering Mechanics II (Dynamics) (3-0)**

Newton's laws, work-energy, impulse momentum methods applied to kinematics and dynamics of particles, systems of particles and rigid bodies.

**Prerequisite:** Engineering 213 and Mathematics 213B.

## English

A student majoring in English should see a Tyler Junior College faculty advisor for help in completing a course plan.

### **ENG 011W Writing Laboratory (1-2)**

Designed to identify deficiencies and improve writing skills necessary for college-level academic work.

### **ENG 013E Developmental English I (3-0)**

Written communication with emphasis on fundamentals of basic grammar and usage, sentence structure, and paragraph development using standard American English.

*(Required of students who do not present qualifying ACT/SATTSWE/TASP or local English placement test scores.)*

### **ENG 023E Developmental English II (3-0)**

Review of basic sentence skills taught in English 013E but with emphasis on writing logically developed short essays in standard American English.

*(Required of students who do not present qualifying ACT/SATTSWE/TASP or local English placement test scores.)*

### **ENG 013P Spelling and Phonics (3-0)**

Emphasizes mastery of the most commonly misspelled words, spelling and syllabication rules, consonant and vowel spellings, dictionary usage and pronunciation symbols.

### **ENG 113 Composition and Rhetoric (3-0)**

Directed study of rhetorical principles through reading types of composition while developing the student's ability to think for himself and to express his thoughts in correct, clear language. May be taken through instructional television.

**Prerequisite:** Qualifying ACT/SATTSWE/TASP or local English placement test scores.

### **ENG 123 Composition and Rhetoric (3-0)**

A continuation of writing principles emphasizing critical and analytical thinking through the study of literature as well as directed study in techniques of writing a research paper.

**Prerequisite:** ENG 113.

### **ENG 123B Technical Report Writing (3-0)**

(Formerly listed as English 223B)

Technique of verbal efficiency in business letters, job applications and resumes and various types of engineering and scientific reports with methods of gathering and organizing of material to be presented in oral and/or written form. Required in technological and engineering plans.

**Prerequisite:** English 113.

### **ENG 213 World Literature (3-0)**

A study of the masterpieces of Western world literature from Homer through the Renaissance.

**Prerequisite:** English 123.

### **ENG 213A Survey of Short Fiction (3-0)**

A course of short fiction selections with emphasis on analytical compositions, advanced composition and literature.

**Prerequisite:** English 123.

### **ENG 213B English Literature (3-0)**

A survey of the major works, writers, and themes of English literature beginning with Anglo-Saxon poetry and continuing through the eighteenth century emphasizing extensive reading and class discussions.

**Prerequisite:** English 123.

### **ENG 213E English Literature II (3-0)**

A survey of the major works, writers, and themes of English literature beginning with the Romantic period and continuing to the twentieth century emphasizing extensive reading and class discussions.

**Prerequisite:** English 123.

### **ENG 213L American Literature (3-0)**

A survey of representative writers and literary trends from the Colonial Period through the Romantic Period.

**Prerequisite:** English 123.

### **ENG 213S Selected Studies in Literature (3-0)**

Intensive reading in single areas unified by theme or disciplinary content with topic made available each semester prior to registration.

**Prerequisite:** English 123.

**ENG 223 World Literature (3-0)**

A study of the masterpieces of Western world literature from the Neoclassic Period to the twentieth century, advanced composition and formal research paper.

**Prerequisite:** English 123.

**ENG 223L American Literature (3-0)**

A survey of representative writers and literary trends from the Period of Realism to the present.

**Prerequisite:** English 123.

**ENG 223S Selected Studies in Literature (3-0)**

Intensive reading in single areas unified by genre or major author with topic made available each semester prior to registration.

**Prerequisite:** English 123.

## **Farm and Ranch Management 5025**

Many of the agriculture operations in the East Texas area are a combination of farming and ranching. This two-year program is designed for the student who is interested in farming and ranching or agricultural business as a career.

Both technical knowledge and management skills will be emphasized to prepare the graduate for a career in farm and ranch management, agriculture sales, agriculture marketing or agriculture management.

Students successfully completing this two-year program are awarded the associate in applied science degree.

Those completing all farm and ranch management courses listed in the curriculum with a minimum of a "C" average are awarded a certificate of proficiency.

**RMG 113 Principles of Soil Management (3-6)**

Methods and problems in pasture management, care of pastures, hay production and types of soil and its relationship to grasses and legumes.

**RMG 113A Principles of Animal Husbandry (3-6)**

Types and breeds, market classes, grade of farm animals and phases of feeding, breeding and production.

**RMG 113C Farm Buildings and Construction (2-4)**

Construction of farm buildings, fences, corrals, feedlots and basic skills in farm carpentry which include design, planning and construction.

**RMG 116S Ranch Training On-The-Job (3-37)**

Required work on a ranch or in an agribusiness firm during six weeks of the summer on a co-op basis between the College and employer.

**Prerequisite:** Students must have completed a minimum of 9 semester hours in farm and ranch management courses.

**RMG 123A Agriculture Economics and Finance (3-0)**

National economic problems relating to farms and ranches, making loans and methods of determining loan needs.

**RMG 123D Farm Power Machinery (2-4)**

Operation and service of farm equipment and proper crop production using power equipment.

**RMG 123F Principles of Feed Production (3-6)**

Production, harvesting and storage of cereal and feed grains, fiber crops, forage crops and pasture grasses both summer and winter.

**RMG 123G Farm and Ranch Appraising (2-2)**

Principles and methods of appraising farm and ranch property, land, buildings, equipment and machinery.

**RMG 213A Livestock Rations and Application (3-6)**

Feed materials, relative values and adaptability for livestock, nutrient requirements, balancing, formulating rations and methods of feeding animals.

**RMG 214 Farm Shop (3-6)**

Practice in farm machinery repair, maintenance, welding, metal work and general farm shop.

**RMG 223 Animal Health (3-6)**

Farm animal health including parasites, diseases of livestock, handling diseased animals, basic anatomy and physiology.

**RMG 223A Farm and Ranch Records (3-0)**

Principles of farm bookkeeping with each student developing farm and ranch accounts.

**RMG 223B Principles of Beef Cattle Production (3-6)**

Beef production as relating to farm and ranch marketing problems, beef cattle systems, handling, fitting, showing and breed associations.

**RMG 223C Principles of Agricultural Marketing (3-3)**

Basic knowledge of market grades, market trends, types of markets, cattle futures market and selling techniques of classes of livestock.

**RMG 223D Principles of Livestock Reproduction (3-6)**

Reproductive processes in farm animals, collection and storage of semen and causes of sterilization in males and females.

**RMG 223E Farm Shop II (1-4)**

Special topics welding course in which content may vary and may be repeated but the course will only apply once toward graduation.

## **Fashion Merchandising and Retailing 5623**

The fashion merchandising and retailing curriculum provides a business and creative approach to the operations unique to the retail industry. It combines lecture and laboratory and the option to get on-the-job training for a career in retailing.

This program is designed to meet the needs of students preparing for careers in retailing as well as men and women who are actively engaged in the industry and need to sharpen their skills.

Upon successful completion of this two year curriculum, the student will receive an associate in applied science degree.

**FMR 113 Introduction to Retailing (3-0)**

An overview of the fashion industry including a study of the people, procedures and concepts unique to the fashion business; industry vocabulary stressed.

**FMR 113B Fashion, Color, Line and Design (3-0)**

Covers principles and elements of fashion design and reviews the historical fashion changes.

**FMR 113C Fashion Textiles (3-0)**

Studies the properties and performance of textiles normally used in apparel and reviews the principles of marketing and distributing textile products.

**FMR 123 Fashion Marketing (3-0)**

Analysis of the marketing task and the examination of the major policies that underlie the activities of marketing institutions.

**FMR 123B Fashion Apparel: Manufacturing and Design (3-1)**

Includes a study of apparel design and manufacture, industry terminology, American and foreign designers and quality at different price levels.

**FMR 123C Sales Promotion (2-2)**

Study of the fundamentals of advertising and the relationship of publicity to the promotion of retailing events and to the sale of merchandise. Store layout and floor merchandising are covered in detail.

**FMR 213 Visual Merchandising (2-2)**

Methods and techniques relating to window and in store display to promote the sale of merchandise. Other visual merchandising areas of study include fashion show production and cataloging.

**FMR 213A Professional Development Training I (1-20)**

A seminar meeting one classroom hour per week to discuss the student's experiences in the required 20-hour-a-week approved job; serves as laboratory work.

**FMR 223 Retail Buying (3-0)**

A detailed study of the organizational structure of buying, the fundamentals of effective purchasing and the buyer's role in planning.

**FMR 223A Professional Development Training II (1-20)**

A seminar meeting one classroom hour per week to discuss the student's experiences in the required 20-hour-a-week approved job; serves as laboratory work.

**FMR 223B Retail Mathematics (3-0)**

Mathematical functions required of a buyer and retail terms used in the market. Course should be taken concurrently with FMR 223.

## **Fire Protection Technology 6821**

This two-year program leads to the associate in applied science degree in fire protection technology, is in accordance with public law and sets forth approved or certified courses as approved by the Commission on Fire Protection. This commission is composed of representatives of the Texas Education Agency and the Coordinating Board.

**FPT 113 Fundamentals of Fire Protection (3-0)**

Introduces the student to the history and philosophy of fire protection.

**FPT 113A Industrial Fire Protection I (3-0)**

Introduces the student to the concerns and safeguards of fire protection programs in industry.

**FPT 113B Fire Safety Education (3-0)**

Surveys the physical, chemical and electrical hazards in fire protection including related laws, codes and problems.

**FPT 113C Advanced Fire Loss Statistical Systems (3-0)**

A study of storing, retrieving and using data related to fire loss statistics.

**FPT 113D Fire Insurance Fundamentals (3-0)**

The relationship between fire defenses, fire losses and insurance rates.

### **★ TJC Trivia ★**

The colonial architectural style of Jenkins Hall and other older buildings on campus is patterned after the University of Virginia because of a suggestion from Hampson Gary, a benefactor of the College.

**FPT 113E Legal Aspects of Fire Protection (3-0)**

A review of the legal rights, duties and responsibilities of a fire department in carrying out its duties.

**FPT 113F Fire Service Communications (3-0)**

The installation, operation and testing of fire alarm systems and types of communications by modern fire departments.

**FPT 113G Urban Fire Problem Analysis (3-0)**

The assessment and analysis methods used to study urban fire problems.

**FPT 113H Fire Science Chemistry (3-0)**

Provides the student with a basic understanding of organic and inorganic chemistry.

**FPT 123 Fire Protection Systems (3-0)**

A study of standards for fire hazard protection systems.

**FPT 123A Fire Prevention (3-0)**

The objectives, principles, techniques and procedures of fire prevention programs.

**FPT 123B Industrial Fire Protection II (3-0)**

Examines the problems and programs of industrial fire protection.

**FPT 123H Fire Science Chemistry II (3-0)**

A continuation of FPT 113H with emphasis on hazardous chemicals.

**Prerequisite:** FPT 113H.

**FPT 213 Fire Administration I (3-0)**

A study of fire department management and related problems.

**FPT 213A Building Codes and Construction (3-0)**

A study of building and construction with emphasis on fire-resistant materials.

**FPT 213B Fire and Arson Investigation (3-0)**

A study of arson investigation techniques and related criminal procedures.

**FPT 223 Hazardous Materials I (3-0)**

Examines the behavior of various materials that burn or react violently.

**FPT 223A Fire Administration II (3-0)**

Examines training, preparation of budgets, insurance rates and related topics.

**FPT 223B Fire Fighting Tactics and Strategy (3-0)**

Emphasis on preplanning studies and decision-making in conflagration problems.

**FPT 223C Hazardous Materials II (3-0)**

Examines storing, handling and fire fighting techniques associated with hazardous materials.

**Prerequisite:** FPT 113H.

**FPT 223D Arson Investigation II (3-0)**

Techniques of fire investigations, fire patterns identification, crime scene investigation, motives of arsonists, the proper handling and submission of evidence.

**Prerequisite:** Arson Investigation I or consent of program director.

## Foreign Language

A student majoring in foreign language should see a foreign language director for help in completing a course plan.

### French

**FR 113 Conversational French (3-0)**

An introduction to French language and culture through conversational patterns using audio-visual materials with emphasis on oral performance; for beginning students.

**FR 123 Conversational French (3-0)**

A continuation of FR 113.

**Prerequisite:** FR 113 or equivalent.

**FR 114 Elementary French I (3-2)**

An audio-lingual approach to the French language and culture including the fundamentals of grammar with an emphasis on oral performance; for beginning students.

**FR 124 Elementary French II (3-2)**

Continuation of FR 114.

**Prerequisite:** FR 114 or equivalent units.

**FR 211 Language Practicum (1-0)**

Additional individualized study to build vocabulary orally with written reinforcement; may be repeated with change of topic.

**Prerequisite:** FR 113, 114 or with consent of program director.

**FR 213 Intermediate French I (3-0)**

An intensive review of French grammar through readings in history, language and culture with audio cassettes and film; emphasis on oral language skills; conducted mainly in French.

**Prerequisite:** FR 124 or equivalent units.

**FR 223 Intermediate French II (3-0)**

Continuation of FR 213.

**Prerequisite:** FR 213 or equivalent units.

### German

**GER 114 Elementary German I (3-2)**

The audio-lingual approach with extensive use of audio and video cassettes to teach all facets of the language in a cultural setting; for beginning students.

**GER 124 Elementary German II (3-2)**

A continuation of GER 114.

**Prerequisite:** GER 114 or equivalent units.

### Spanish

**SPN 113 Conversational Spanish (3-0)**

An introduction to the Spanish language and Hispanic culture through conversational patterns using audio-visual materials with an emphasis on oral performance; for beginning students.

**SPN 123 Conversational Spanish (3-0)**

A continuation of SPN 113.

**Prerequisite:** SPN 113 or consent of program director.

**SPN 114 Elementary Spanish I (3-2)**

The audio-lingual approach with extensive use of audio and video cassettes to teach all facets of the language in a cultural setting; for beginning students.

**SPN 124 Elementary Spanish II (3-2)**

A continuation of SPN 114.

**Prerequisite:** SPN 114 or equivalent units.

**SPN 211 Language Practicum (1-0)**

Additional individualized study to build vocabulary orally with written reinforcement; may be repeated with change in topic.

**Prerequisite:** SPN 113, 114 or consent of program director.

**SPN 213 Intermediate Spanish (3-0)**

Advanced Spanish grammar, vocabulary building and review of all verb forms for composition in an audio-video format; conducted mainly in Spanish.

**Prerequisite:** SPN 124 or equivalent units.

**SPN 223 Intermediate Spanish II (3-0)**

A continuation of SPN 213 and including a novel of a major Hispanic author along with a more in-depth look at verbal patterns.

**Prerequisite:** SPN 213 or equivalent units.

## General Business

This program is designed for the individual who wishes to establish a firm educational foundation in the area of general business. It is directed at the new student who desires an applied, practical course of study leading to employment in the general business world. It is also particularly suited to the returning student who desires retraining in business. See the general business degree plan in this catalog.

Students who successfully complete the two-year program are eligible for the associate in applied science degree in general business

## Geography

A student majoring in geography should see a Tyler Junior College faculty advisor for help in completing a course plan.

**GGR 223 World Geography (3-0)**

Studies the earth, its climatic regions, the relation of human activities to physical environments and major cultural divisions; special emphasis on selected regions and countries.

## Geology

A student majoring in geology should see a Tyler Junior College faculty advisor for help in completing a degree plan. Other geology courses offered on demand: mineralogy, petrology, geomorphology and invertebrate paleontology.

**GEO 114 General Geology (3-3)**

Reviews physical geology processes modifying the earth's surface, materials and features of the earth's crust with lab work in map reading, identification of rocks and minerals.

**GEO 114E Environmental Geology (3-3)**

A study of the interrelation of man and his geologic environment; includes current topics related to the conservation and utilization of natural resources.

**GEO 114T Earth Science (3-3)**

Studies physical geologic processes modifying the earth's surface and historically retraces the physical and life history of the earth. Lab work includes the study of minerals, rock and fossils.

**This course will NOT substitute for Geology 114 or 124.**

**GEO 124 General Geology (3-0)**

Historical geology: history of the earth through geologic times revealed by rocks and fossils and the origin and development of plant and animal life.

## Government

A student majoring in government should see a Tyler Junior College faculty advisor for help in completing a course plan.

**GOV 213 American Government (3-0)**

A functional study of the American constitutional governmental system, of the origins, developments and present-day problems of the national government and of the rights, privileges and obligations of citizenship. Sophomore standing suggested. This course is also offered through instructional television.

### **GOV 223 American State Government (3-0)**

Areas of study indicate the nature, organization and general principles of state and local governments within the United States and Texas constitutional framework with particular attention to these forms in Texas. Satisfies the state requirements for teacher certification. Sophomore standing is suggested. This course is also offered through instructional television.

## **Graphic Arts/ Photography 6238**

Students successfully completing this program receive the associate in applied science degree.

This is a two year, post secondary, technical program designed to meet the needs of the student desiring to enter the field of visual communications, graphic arts and commercial photography.

### **GAP 113 Basic Photography (2-4)**

Basic requirements of black and white photography, camera use, film development and print making. Students may not receive credit for both GAP 113 and JRN 123P.

### **GAP 113A Basic Graphics (2-4)**

Basic principles of graphic design and layout including artwork and images for graphic reproduction.

### **GAP 113B Introduction to Photography I (3-0)**

A non-laboratory course covering basic 35mm camera and equipment usage, subject composition and basic photographic techniques. Students may not receive credit for graduation for both GAP 113B and GAP 113.

### **GAP 113C Introduction to Graphic Arts (3-0)**

A non-laboratory course covering the equipment, processes, elements and phases of graphic arts.

### **GAP 113D Introduction to Photography II (3-0)**

A non-laboratory course exploring advanced 35mm camera and equipment use techniques and subject composition. Students may not receive credit for graduation for both GAP 113D and GAP 123.

**Prerequisite:** GAP 113B or consent of the program director.

### **GAP 113E Video Camera Techniques (2-4)**

Basic video camera techniques including video and audio planning.

### **GAP 113F Airbrush Techniques (2-4)**

Basic airbrush techniques, procedures and equipment.

### **GAP 113G Computer Graphics I (2-4)**

Entry-level computer-generated graphics for the graphic reproduction industry.

### **GAP 113H Silk Screen and Sign Painting (2-4)**

Basic skills and techniques of silk screen printing and sign painting using the graphic arts process.

### **GAP 113J Computer Typesetting (2-4)**

Basic graphic arts typesetting using the computer.

### **GAP 123 Advanced Photography (2-4)**

Advanced applications in exposure and process control of black and white negatives and prints.

**Prerequisite:** GAP 113 or consent of the program director.

### **GAP 123B Reproduction Layout and Design (2-4)**

Principles of planning design and layout preparation of images used in photo-conversion for graphic arts.

**Prerequisite:** GAP 113A or consent of the program director.

### **GAP 123G Computer Graphics II (2-4)**

Advanced computer-generated graphics.

**Prerequisite:** GAP 113G or consent of the program director.

**GAP 213 Commercial Photography (2-4)**

Commercial photography with emphasis on fashion, architecture, industry and advertising using large format cameras.

**Prerequisite:** GAP 123 or consent of the program director.

**GAP 213A Photographic Reproduction (2-4)**

Methods of converting camera-ready images to the printed page.

**Prerequisite:** Concurrent enrollment in GAP 113A or consent of program director.

**GAP 213C Color Photography I (2-4)**

Concentrated practice in exposing and processing transparencies and color negatives with emphasis on color printing.

**Prerequisite:** GAP 123 or consent of the program director.

**GAP 223 Portrait Photography (2-4)**

Lighting, posing and composition techniques used in studio, outdoor and environmental portraiture.

**Prerequisite:** GAP 123 or consent of the program director.

**GAP 223A Graphic Reproduction (2-4)**

Color registration printing and general shop operations as applied to four-color printing.

**Prerequisites:** GAP 113A and 213A or consent of the program director.

**GAP 223B Commercial Advertising Techniques (2-4)**

Modern commercial advertising techniques employed with four-color separation.

**Prerequisites:** GAP 113A and 213A or consent of the program director.

**GAP 223C Color Photography II (2-4)**

Color sensitometric evaluation procedures used in color negative printing and direct and indirect printing via transparencies.

**Prerequisite:** GAP 213C or consent of the program director.

**GAP 223D Commercial Photography II (2-4)**

Additional experience in the use of the large format camera and completion and presentation of a portfolio.

**Prerequisite:** Student must have completed at least 24 hours of GAP courses before enrolling.

## Health and Physical Education

A student majoring in health and/or physical education should see a Tyler Junior College faculty advisor for help in completing a course plan.

The purpose of the health and physical education division is to provide a comprehensive curriculum and teaching strategies designed to enhance the total health-related fitness of students. Additionally, the curriculum provides a "core curriculum" for students who plan to become professionals in vocations related to physical education.

The curriculum stresses student development, problem-solving skills and independence. HPE 111 is required for all degrees.

**HPE 111 Health Concepts of Physical Fitness (1-2)**

Practical concepts of health-related fitness including benefits of proper nutrition, exercise, personal well-being, and adverse effects of drug abuse; individual fitness assessments and development of a personal well-being program required of all students.

### Health and Physical Education activity courses are offered in these areas:

**HPE 111A Organized Athletics (0-3)**

First semester, freshman year of extracurricular activities, such as varsity football, basketball, tennis, Apache Band, Apache Belles and cheerleaders.

**HPE 111S Non-Swimmers (0-3)**

A beginning level swimming class designed for students who are not able to swim; successful students will achieve at least the A.R.C. Beginning Swim level.

**HPE 111X Body Mechanics and Physical Fitness (1-2)**

Designed to continue the personal well-being and physical fitness program developed in HPE 111 Health Concepts of Physical Fitness (prerequisite).

**HPE 121A Organized Athletics (0-3)**

Second semester, freshman year of extracurricular activities, such as varsity football, basketball, tennis, and Apache Band, Apache Belles and cheerleaders.

**HPE 121S Intermediate Swimming (0-3)**

Designed for students with some deep water swimming ability; focuses on basic stroke improvement; successful students will achieve at least the A.R.C. Intermediate Swim level.

**HPE 211A Organized Athletics (0-3)**

First semester, sophomore year of extra-curricular activities such as varsity football, basketball, tennis, Apache Band, Apache Belles and cheerleaders.

**HPE 211E Beginning Tennis (0-3)**

Introduction to tennis; teaches scoring, rules, and basic strokes.

**HPE 211F Adaptive Physical Education (0-3)**

Designed for students with unique physical needs, such as multiple sclerosis, blindness, physician restrictions.

**HPE 211H Beginning Scuba Diving (0-3)**

Leads to YMCA certification which will enable the rental of scuba gear.

**HPE 211I Beginning Softball (0-3)**

Introduction to softball; teaches fundamentals of fielding and batting.

**HPE 211J Beginning Badminton (0-3)**

Introduction to badminton; teaches rules, scoring, grips, strokes, and doubles play.

**HPE 211K Beginning Basketball (0-3)**

Fundamentals of shooting, dribbling, passing, defensive position, basic offensive plays.

**HPE 211L Beginning Weight Training (0-3)**

Introduction to weight lifting, covering basic safety, proper execution of lifts, basic anatomy and principles of muscular strength development.

**HPE 211M Beginning Archery (0-3)**

Introduces the archery tackle; presents fundamentals of holding the bow, drawing the bow, gripping the string and scoring.

**HPE 211N Beginning Soccer (0-3)**

Introduction to soccer covering position, basic rules, and basic ball skills.

**HPE 211P Speedball (0-3)**

Introduction of the game of speedball which is a combination of soccer and team handball.

**HPE 211Q Beginning Golf (0-3)**

Introduction to golf; covers grips, clubs, and proper swing.

**HPE 211R Beginning Aerobic Dance (0-3)**

Introduction to aerobic dance, covers basic fitness concepts, exercise and dance steps; includes physical assessments.

**HPE 211S Swim Conditioning (0-3)**

Designed for students who are using swimming to achieve physical fitness; covers basic physical fitness concepts, and assumes at least A.R.C. Intermediate Swimming level.

**HPE 211V Beginning Volleyball (0-3)**

Introduction to volleyball; teaches fundamentals of serving, passing, blocking, alignment of players, and rules.

**HPE 211W Beginning Racquetball (0-3)**

Introduction to racquetball; covers grip, rules, scoring, strokes, and shots.

**HPE 211Y Beginning Bowling (0-3)**

Introduction to bowling; covers rules, scoring, grips, approaches, deliveries, and beginning aiming techniques.

**HPE 211Z Martial Arts (0-3)**

Introduction to a martial art form.

**HPE 212S Emergency Water Safety (1-2)**

Replaces or is the equivalent of American Red Cross Lifesaving Course. Covers swimming instruction, assists with personal safety, and active prevention; American Red Cross certification is possible. A prerequisite to the swimming instructor course.

**HPE 221A Organized Athletics (0-3)**

Second semester, sophomore year of extracurricular activities such as varsity football, basketball, tennis, Apache Band, Apache Belles and cheerleaders.

**HPE 221E Intermediate Tennis (0-3)**

Assumes student possesses scoring, rules, and stroke ability; covers stroke improvement, and strategy.

**HPE 221F Adaptive Physical Education (0-3)**

Continuation of HPE 211F, based upon the needs of the student and physical ability.

**HPE 221H Intermediate Scuba Diving (0-3)**

The successful student will receive advanced YMCA certification. The class requires HPE 211H or equivalent as a prerequisite.

**HPE 221I Intermediate Softball (0-3)**

Assumes ability to field and bat; further develop abilities to field, bat, and throw, and also learn scoring and strategy.

**HPE 221J Intermediate Badminton (0-3)**

Assumes ability to score and perform basic strokes; leads to improvement of strokes, and development of advanced strokes and strategies of play.

**HPE 221K Intermediate Basketball (0-3)**

Improves shooting, dribbling and passing; develops offensive and defensive strategies and skills.

**HPE 221L Intermediate Weight Training (0-3)**

Assumes basic knowledge of safety and lifting techniques; builds on these skills and expands lifting program developed in HPE 211L.

**HPE 221M Intermediate Archery (0-3)**

Improve basic techniques of archery, practice different classifications of target archery rounds.

**HPE 221N Intermediate Soccer (0-3)**

Assumes knowledge of rules, position, basic ball skills; will further develop ball skills and strategy.

**HPE 221Q Intermediate Golf (0-3)**

Assumes knowledge of grips, swing, clubs; will further improve swing, develop shot and ball placement capabilities.

**HPE 221R Intermediate Aerobic Dance (0-3)**

Assumes basic knowledge of fitness concepts, exercise, and dance steps, and adds more choreographic skills.

**HPE 221V Intermediate Volleyball (0-3)**

Assumes ability to serve, pass, and block; builds on these skills and introduces advanced alignments for offensive and defensive strategies.

**HPE 221W Intermediate Racquetball (0-3)**

Assumes current ability to score and execute basic shots; leads to further development of shots and teaches refereeing of matches and strategy.

**HPE 221Z Martial Arts(0-3)**

Advanced study and development of skill in a martial art form.

**HPE 222S Swimming Instructor (1-2)**

American Red Cross certification course requiring Emergency Water Safety or its equivalent; certifies students to instruct in the American Red Cross Progressive Swim Program. The class requires HPE 212S or equivalent as a prerequisite.

**Health and Physical Education Theory Courses:****HPE 113A Theory of Football and Track (3-0)**

Analysis of coaching football and track through lectures, demonstration, practice and reading of present-day literature and textbooks of the sports.

**HPE 123A Theory of Basketball and Baseball (3-0)**

Analysis of coaching basketball and baseball through lectures, demonstrations, practice and reading of present-day literature and textbooks of the sports.

**HPE 113H Introduction to Physical Education (3-0)**

Orientation to the field of health, physical education and recreation.

**HPE 123H Personal Health (3-0)**

A presentation of current scientific and technical information related to health with emphasis on developing a functional attitude about consumer health, nutrition, mental health, tobacco, alcohol and drugs, family life, environmental health and disease.

**HPE 213A First Aid (3-0)**

American Red Cross First Aid and/or CPR certifications with emphasis on recognizing and avoiding hazards, rendering intelligent assistance in emergencies, developing skills for immediate and temporary care of the victim.

**HPE 223D Drug Use and Abuse (3-0)**

The study of use and abuse of drugs in today's society with emphasis on physiological, sociological and psychological factors.

**HPE 223E Community Health (3-0)**

A presentation of current scientific and technical information related to community services and public health agencies.

**HPE 213F Sports Officiating (3-0)**

Emphasis on officiating basketball, football and other sports.

## History

Students majoring in history should see a faculty advisor for help in completing a course plan.

**HST 113A Western Civilization in Medieval Times (3-0)**

A standard western civilization survey of the cultural, political and institutional development of the nations of Europe from antiquity to the Renaissance.

**HST 123A Western Civilization in Modern Times (3-0)**

A continuation of HST 113A including standard western civilization-cultural development of the nations of Europe from the Renaissance to modern times.

**HST 213 History of the United States (3-0)**

A general survey of the history of the United States from 1492 to 1865. This course is also offered through instructional television.

**HST 223 History of the United States (3-0)**

A general survey of the history of the United States from Reconstruction to the present time. This course is also offered through instructional television.

**HST 223A The Civil War and Reconstruction (3-0)**

Studies the causes, course and results of the war while emphasizing the Confederacy, military campaigns and Reconstruction; may be substituted for either HST 213 or HST 223.

**Prerequisite:** 3 hours of history

**HST 223T Texas History (3-0)**

A survey of the history of Texas from the Spanish period to the present while emphasizing Anglo-American settlement, the revolution, the republic and later development.

## Home Economics

A student majoring in home economics should see a Tyler Junior College faculty advisor for help in completing a course plan.

**HE 113A Principles of Food Selection and Preparation (2-4)**

Selection and preparation of foods, nutritive values and cost of foods.

**HE 113B Fashion Fundamentals (3-2)**

Color and design applied to selection and planning of apparel.

**HE 113C Textiles (3-2)**

A study of fibers, fabrics and finishes for application in choices of clothing fabrics and home furnishings.

**HE 113S Clothing Construction I (2-2)**

Construction techniques for home furnishings and apparel.

**HE 123A Meal Management (2-4)**

A course for majors in home economics or hotel and restaurant management about planning, managing and serving meals.

**HE 123B Clothing Construction II (2-4)**

Selection, construction and alteration of apparel.

**HE 123C Nutrition (3-0)**

Principles of human nutrition applied to the family, community nutrition problems, chemistry, physiology and economics of nutrition.

**HE 123D Intermediate Food Preparation (2-2)**

Selection and preparation of gourmet and foreign foods.

**HE 123F Gourmet Food Preparation (2-2)**

Continuation of HE 123D with emphasis on gourmet food preparation.

**HE 123P Consumer Science (3-0)**

Consumer goods and services related to the home, family purchases, advertising, commodity information, merchandise standardization, branding, grading and marketing.

**HE 123S Social Fundamentals (3-0)**

Introductions, correspondence, table manners, dating problems, weddings and informal and formal entertaining.

**HE 123I Interior Design I (3-0)**

Home furnishings and solutions to problems of interior decoration.

## Humanities

**HUM 113 Introduction to the Humanities (3-0)**

An interdisciplinary, multi-perspective assessment of cultural, philosophical and aesthetic factors critical to the formulation of the values that have shaped the historical development of the individual and of society.

## Journalism

A student majoring in journalism should see a faculty advisor for help in completing a course plan.

**JRN 113 Mass Communication (3-0)**

An introduction to mass communication and the mass media.

**JRN 113C Introduction to Reporting (3-2)**

Fundamentals of writing and information gathering for the mass media; develops the student's news sense and judgment; includes lab practice in gathering and writing news.

**JRN 113E Survey of Radio/Television (3-0)**

A study of the development, regulation, economics, social responsibilities and industry practices in broadcasting and cable communication, non-broadcast television, new technology and other communication systems.

**JRN 121M Magazine Layout (1-1)**

An introduction to magazine design and layout with practical experience on the *TJC Touchstone* magazine. This course has no prerequisites and is open to non-journalism majors. Lab fee required.

**JRN 123 Introduction to Advertising (3-0)**

An introductory survey of the basics of advertising for print and electronic media.

**JRN 123E Radio and Television News Writing (3-2)**

The preparation of news copy for radio and television, news style for electronic media, spot news, feature reporting, interviewing and assembling a newscast; includes lab practice in writing news.

**JRN 123P Photojournalism (2-3)**

A beginning course about reporting with the camera, basic black and white press photography instruction emphasizing 120 and 35mm cameras, picture composition, developing and printing. Students may not receive credit for both JRN 123P and GAP 113.

**JRN 213 General Reporting (3-2)**

The study and practice of newswriting and reporting; includes lab practice in gathering and writing news.

**Prerequisite:** JRN 113.

**JRN 223 Editing (3-2)**

Theory and practice in newswriting, copy editing, headline writing and layout; includes lab practice.

**Prerequisite:** JRN 113 or 213.

## Legal Assistant 5828

Students successfully completing this program receive the associate in applied science degree and will be well prepared for a career as a legal assistant. The National Association of Legal Assistants, Inc., has defined the legal assistant:

"Under the supervision of a lawyer, the legal assistant shall apply knowledge of law and legal procedures in rendering direct assistance to lawyers, clients and courts; design, develop and modify procedures, techniques, services and processes; prepare and interpret legal documents; detail procedures for

practicing in certain fields of law; research, select, assess, compile and use information from the law library and other references; and analyze and handle procedural problems that involve independent decisions."

#### **LA 111E Legal Ethics (1-0)**

The moral responsibilities and duties which a member of the legal profession owes to the public, to the court, to professional brethren and to clients.

#### **LA 113A Introduction to the Legal System (3-0)**

Comprehensive study of the legal system and the role of the legal assistant within the system.

#### **LA 123 Legal Writing (3-0)**

Understanding of purpose and preparation of legal memoranda, proper forms for legal citations, drafting of intra-office memoranda and other legal documents.

**Prerequisite:** LA 123R Legal Research.

#### **LA 123A Legal Interviewing and Human Relations (3-0)**

Provides training in interviewing, negotiation and human relations concepts.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of program director.

#### **LA 123B Tax Law (3-0)**

Introduction to processes and procedures under the Internal Revenue Code.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

#### **LA 123C Criminal Law (3-0)**

Provides understanding of the provisions of the State Criminal Code and other statutory provisions relating to criminal acts and details the operation of the court system under various criminal offenses.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of program director.

#### **LA 123D Family Law (3-0)**

Comprehensive study of family law which includes the use of family court forms, preparation of pleadings and proposed decrees, drafting of property settlement agreements and the use of interviewing checklists.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of program director.

#### **LA 123R Legal Research (3-3)**

The major techniques and tools of legal research.

#### **LA 213A Torts and Insurance (3-0)**

Primary legal principles of tort and insurance law.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of program director.

#### **LA 213B Wills, Estate Probate (3-0)**

The legal concept of wills and trusts, the fundamental principles of law applicable to each, organization and jurisdiction of the probate court and an analysis of estate administration and fiduciary accounting.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

#### **LA 213C Constitutional Law (3-0)**

Provides working knowledge of the federal constitution, the federal system and the states and the supremacy of federal law.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

#### **LA 213W Workmen's Compensation (3-0)**

Applied study of the methods and means created by statutes for giving protection and security to the workmen and their dependents against injury and death occurring in the course of employment.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

#### **LA 223 Litigation (3-0)**

Principles of trial preparation for civil and criminal cases as well as how to draft pleadings, motions and other documents required in civil or criminal action.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

#### **LA 223A Law Office Management and Procedures (3-0)**

Principles and practices of law office management, legal accounting practices, civil and criminal procedures.

**Prerequisite:** Credit for or enrollment in LA 113A or consent of the program director.

**LA 223B Internship (1-20)**

Actual work experience in an attorney's office.

**Prerequisite:** Sophomore year or approval by program director and an approved law office.

**LA 223C Corporation and Commercial Law (3-0)**

Basic law of contracts, partnerships, corporations and the Uniform Commercial Code with emphasis on drafting documents appropriate to various business transactions.

**LA 223D Bankruptcy (3-0)**

A study of the Bankruptcy Act and the procedure for supervision by a federal court for dealing with insolvent debtors.

**LA 223R Advanced Legal Research (3-3)**

Advanced legal research methodologies/projects.

**Prerequisite:** LA 113A and 123R.

## Long Term Care Administration 8222

This program combines lecture, laboratory classes and on-the-job training in preparation to be licensed as a long term care facility administrator. Upon successful completion of this program, the student will be awarded a certificate of proficiency.

**LTC 113 Introduction to Long Term Care Administration (3-0)**

Organization, training, human relations, administration, management, policies and procedures of a long term care facility.

**LTC 113A Psychology of Patient Care (3-0)**

Needs and problems of the elderly, their families and staff as the elderly adjust to their new environment.

**LTC 113G Group Activities (3-0)**

Social needs, groups, leadership development and programs for the long term care resident.

**LTC 122 Long Term Care Administration Standards (2-0)**

A study of minimum standards used to license LTC facilities with differences noted between minimum standards for licensure and ICF standards for participation.

**LTC 123 Technology of Patient Care (3-0)**

Technical aspects related to patient care in a long term care facility.

**LTC 123A Long Term Care Administration Law (3-0)**

Business laws as related to administration of a long term care facility.

**LTC 213 Long Term Care Internship Seminar I (3-0)**

Functions and discussion of management problems of long term care facilities.

**LTC 213A Financial Management of Long Term Care Facility (3-0)**

Use of financial management in decision making in the long term care facility.

**LTC 213B Long Term Care Internship (0-20)**

On-the-job training 20 hours a week in a state-licensed facility under a state-licensed administrator.

**LTC 223 Long Term Care Internship Seminar II (3-0)**

Discussion of administrative problems in a long term care facility.

**LTC 223A Long Term Care Internship II (0-20)**

On-the-job training 20 hours a week in a state-licensed facility under a state-licensed administrator.

**LTC 224A Nutrition and Quantity Foods (3-3)**

Nutrition and food service management in a long term care facility.

---

*"I like the small classes that provide more personal interaction with the professor"*

**Sherry Wyman**  
English major

## Management 5621

The management curriculum is designed to give students the management courses needed for development of effective management skills. Its purpose is to provide a practical, comprehensive program covering the full spectrum of management activity.

This program is designed to meet the requirements of students preparing for careers in business management as well as men and women who are already actively engaged in business and industry.

The management major may elect to take a professional development seminar each semester which is designed for students who work a minimum of 20 hours each week in an approved job. The student also meets in a one-hour-per-week classroom seminar.

Upon completion of the management curriculum, the student will receive an associate in applied science degree.

### **MGT 113B Principles of Management (3-0)**

The basic principles of management including planning, organizing, staffing, leading and controlling.

### **MGT 113C Human Relations in Management (3-0)**

A study of individuals and group interaction emphasizing motivation, communication, leadership and job performance.

### **MGT 113S Small Business Management (3-0)**

The aspects of management and operations unique to a small business and factors influencing business success and failure.

### **MGT 123 Principles of Marketing (3-0)**

A general analysis of the economic and social aspects of the distribution of goods and services including a study of the marketing structure.

### **MGT 213 Advertising and Promotion (3-0)**

The fundamental concepts of advertising and various advertising problems.

### **MGT 213B Personnel Management (3-0)**

The study of personnel policies, administration, education and training, job classification

and analysis, labor supply and employment.

**Prerequisite:** MGT 113B.

### **MGT 223 Salesmanship (3-0)**

The basic principles of personal salesmanship including a study of methods, problems and duties of a salesperson.

### **MGT 223B Introduction to Public Relations (3-0)**

An introduction to techniques concerned with informing the public of organizational activities and policies and creating favorable public opinion.

**Prerequisite:** MGT 113B.

### **MGT 113A Professional Development Seminar I (1-20)**

Open to management majors; requires on-the-job training and provides development of the student in adapting management principles to job situations.

### **MGT 123A Professional Development Seminar II (1-20)**

Open to management majors; requires on-the-job training and provides development of the student in adapting management principles to job situations.

### **MGT 213A Professional Development Seminar III (1-20)**

Open to management majors; requires on-the-job training and provides development of the student in adapting management principles to job situations.

### **MGT 223A Professional Development Seminar IV (1-20)**

Open to management majors; requires on-the-job training and provides development of the student in adapting management principles to job situations.

### **MGT 223E Ethics in Business and Management (3-0)**

An issue driven course that analyzes ethical theory as applied to management decision making and business policy.

### **MGT 223S Supervision (3-0)**

Designed for practicing, newly appointed or potential supervisors who hold first-line or middle level supervisory positions. The focus is upon managerial functions of planning, organizing, staffing, directing and controlling as it relates to the daily job of the supervisor.

## Mathematics

The mathematics courses at Tyler Junior College have been carefully designed to meet the needs of students in specific areas of study, such as technology, liberal arts, business, elementary education, science, engineering and mathematics. A student may take mathematics courses at Tyler Junior College that are equivalent to the courses he/she would take during his/her first two years at a senior institution.

Four semesters are required for the completion of the calculus sequence. Students who do not have credit in MTH 113P and MTH 113B are advised to complete these courses during the summer preceding their freshman year.

**Note:** A grade of "C" or better must be made in each mathematics course in order to continue in any mathematics sequence.

A student majoring in mathematics should see a Tyler Junior College faculty advisor for help in completing a degree plan.

### **MTH 013M Developmental Math I (3-0)**

Whole numbers, fractions, decimals, ratio and proportion, percent, denominate numbers, signed numbers, linear equations, word problems, properties of exponents, operations with polynomials.

**Prerequisite:** Acceptable placement test score.

### **MTH 023M Developmental Math II (3-1)**

Review of arithmetic, operations with real numbers, solving equations and inequalities, exponents and polynomials, factoring, rational expressions, graphing linear equations, roots and radicals, word problems.

**Prerequisite:** MTH 013M or acceptable placement test score.

### **MTH 033M Developmental Math III (3-0)**

Linear equations and inequalities, exponents and polynomials, rational expressions, radicals and roots, quadratic equations, systems of linear equations, parabolas, relations and functions, review of plane geometry, applications.

**Prerequisite:** MTH 023M or acceptable placement test score.

### **MTH 041M Algebra Review (1-0)**

Review of algebra topics including quadratic equations and functions, rational expressions and systems of equations.

**Prerequisite:** Consent of program director.

### **MTH 113 Intermediate Algebra (3-0)**

Sets, linear equations and inequalities, polynomials, factoring, quadratic equations and inequalities, relations, functions, exponents and radicals, systems of equations.

**Prerequisite:** Acceptable placement test score.

### **MTH 113A College Algebra (3-0)**

Exponents, functions, inverse functions, exponential and logarithmic functions, theory of equations, systems of equations, matrices, inequalities, ratios, variations, progressions and binomial theorem.

**Prerequisite:** MTH 113 or MTH 033M or acceptable placement test score.

### **MTH 113B Trigonometry (3-0)**

Angular measure, functions of angles, radian measure, derivation of formulas, identities, solutions of triangles, equations, inverse functions and complex numbers.

**Prerequisite:** MTH 113A or MTH 113P or concurrent enrollment in MTH 113A or MTH 113P or acceptable placement test score.

### **MTH 113G Introduction to Modern Mathematics (3-0)**

Sets, topics from elementary number theory, rational numbers, decimals, real number system, systems of numeration, metric system and topics from consumer mathematics.

**Prerequisite:** MTH 113 or MTH 033M or acceptable placement test score.

### **MTH 113H Mathematics for Electronics (3-0)**

The application of mathematics to problem solving in electronics technology, including algebra, trigonometry, logarithms and vector analysis.

**Prerequisite:** MTH 023M or acceptable placement test score.

### **MTH 113K Finite Mathematics for Business (3-0)**

Relations, functions, graphing, equations, inequalities, matrices, permutations, combinations, probability and mathematics of finance.

**Prerequisite:** MTH 113A or acceptable placement test score.

### **MTH 113P Precalculus (3-0)**

Application of algebra and trigonometry to the study of elementary functions and their graphs including polynomial, rational, exponential, logarithmic and trigonometric functions.

**Prerequisite:** MTH 113 or MTH 033M or acceptable placement test score.

### **MTH 113T Applied Trigonometry (3-0)**

Rectangular coordinate system, trigonometric functions and graphs, fundamental trigonometric identities, solutions of right triangles, elementary vectors and applications.

**Prerequisite:** MTH 123E or MTH 033M or MTH 113 or acceptable placement test score.

### **MTH 123D Computing for Engineers (3-1)**

Algorithms, programs and computers in engineering applications with numerical analysis using FORTRAN language.

**Prerequisite:** Credit for registration for MTH 213B.

### **MTH 123E Applied Mathematics (3-0)**

Application of whole numbers, non-fractional equations, addition, subtraction, multiplication and division of fractions, fractional equations, graphing, literal fractions and formal rearrangement.

**Prerequisite:** MTH 023M or acceptable placement test score.

### **MTH 123G Introduction to Modern Mathematics II (3-0)**

Real numbers, linear equations and inequalities, functions and graphs, systems of linear equations, quadratic equations, complex and finite number systems and plane geometry.

**Prerequisite:** MTH 113G.

### **MTH 123K Mathematical Analysis for Business (3-0)**

Exponents and radicals, quadratic, exponential and logarithmic functions, graphing, sequences, differential and

integral calculus with applications.

**Prerequisite:** MTH 113K or consent of program director.

### **MTH 213A Calculus I with Analytic Geometry (3-1)**

The line, circle, algebraic curves, limits, continuity, the derivative, applications of the derivative, the differential, and the indefinite integral.

**Prerequisite:** MTH 113P and MTH 113B or acceptable placement test score.

### **MTH 213B Calculus II with Analytic Geometry (3-1)**

Indefinite integral, definite integral with applications including areas, volumes, centroids, work, arc length and fluid pressure, logarithmic and exponential functions, trigonometric and inverse trigonometric functions, hyperbolic functions, and techniques of integration.

**Prerequisite:** MTH 213A.

### **MTH 223 Differential Equations (3-0)**

Equations of the first order and degree, linear differential equations, operational methods, higher order equations, Laplace transforms and applications of differential equations.

**Prerequisite:** MTH 223C.

### **MTH 223C Calculus III with Analytic Geometry (3-1)**

Techniques on integration, polar coordinates, indeterminate forms, improper integrals, parametric equations, vectors in two and three dimensions, vector representation of lines and planes and vector valued functions.

**Prerequisite:** MTH 213B.

### **MTH 223D Calculus IV with Analytic Geometry (3-1)**

Taylor's formula, infinite series, differential calculus of functions of several variables, directional derivatives, gradients, multiple integration, Lagrange multipliers, introduction to vector calculus.

**Prerequisite:** MTH 223C.

### **MTH 223S Introduction to Statistics (3-0)**

Collection, tabulation and analysis of data, probability, normal and binomial distributions, linear regression and correlation, testing of hypothesis and utilization of computers in statistical application.

**Prerequisite:** MTH 113 or MTH 033M or acceptable placement test score.

## Medical Laboratory Technician 8028

Tyler Junior College offers a two-year program designed to provide understanding, proficiency and skill as a medical laboratory technician. Upon completion of the program, the student will be granted an associate in applied science degree.

The first year of the curriculum is devoted to a combination of liberal arts and clinical laboratory studies on the college campus. In addition to these studies in the second year, courses are included to provide supervised clinical laboratory work experience in hospitals and clinics. All medical laboratory courses must be taken in the proper sequence as listed in the *Catalog*.

Two summer sessions of six weeks each are scheduled in the program. The first summer session will be devoted to liberal arts studies and supervised clinical laboratory experience. During the fourth semester and the second summer session, students will be engaged full time in medical laboratories to gain additional knowledge and skills first-hand. They will be under the general supervision of the faculty employed by Tyler Junior College. Group lectures to enrich the learning processes of the students will be provided.

When a student has completed the program he/she should be able to perform in all areas of the clinical laboratory. A minimum grade of 75 "C" will be required on all medical laboratory technology courses.

Since enrollment in this program is necessarily limited, those applying for admission must make their application directly to the director of this program.

All required courses of the associate degree curriculum must be completed with a "C" or better. Having **not** received a "C" or better **in any prerequisite course**, the student may not progress until the deficiency has been removed.

Science courses taken after application and acceptance to the Tyler Junior College medical laboratory program are expected to be taken at Tyler Junior College. Approval must be granted by the program director and instructional division dean for enrollment in a science course at another college or university.

### **MED 113 Basic for Allied Health Science (3-9)**

Introduction to medical laboratory technology and study of hematology.

### **MED 123 Clinical Microbiology (3-9)**

Methods and equipment used in clinical bacteriology.

**Prerequisites:** MED 113, BIO 114A or permission of program director.

### **MED 123A Special Clinical Microbiology (3-6)**

Methods in parasitology and mycology.

**Prerequisites:** MED 113, BIO 114A or permission of program director.

### **MED 123S Clinical Practice I (8-10) (5 weeks)**

Methods in advanced hematology and urinalysis with laboratory applications and basic instruction in the use of computers.

### **MED 213A Medical Laboratory Techniques I (3-3)**

Clinical immunology with laboratory applications.

### **MED 213C Clinical Chemistry (3-6)**

Chemistry related to the clinical laboratory.

### **MED 216S Clinical Practice IV (0-40) (6 weeks)**

Clinical laboratory experience in areas of specialization under the supervision of College faculty.

### **MED 223A Medical Laboratory Technique II (3-6)**

Blood banking and coagulation techniques with laboratory application.

### **MED 226 Clinical Practice II (1-19)**

Clinical laboratory experience in A.M. training under the supervision of College faculty.

### **MED 226A Clinical Practice III (1-19)**

Clinical laboratory experience in P.M. training under the supervision of College faculty.

## Medical Office Management 5827

The medical office management program is designed to provide health care facilities with professionally trained individuals in management who will promote the smooth operation of an office or department within a health care agency.

These managers, during the course of overseeing the day-to-day operation, will practice effective human relations, maintain an efficient records management system and utilize a variety of office equipment that will facilitate in the administrative functions of the medical department/medical office.

Students who successfully complete this nine-month program and make application to the registrar's office will receive a certificate of proficiency.

### MOM 113 Medical Terminology I (3-0)

An introduction to the principles of medical terminology and the classes of word elements as building blocks for a medical vocabulary which includes medical terminology relating to specific systems of the body with emphasis on material found in medical records.

### MOM 113A Medical Office Procedures I (3-0)

Human relations and patient education, records management systems, telephone techniques, preparation for employment, development of an office procedures handbook, handling of correspondence and other applicable office procedures.

### MOM 123 Medical Terminology and Transcription (2-2)

Transcription and management of documents utilizing medical terminology unique to specific body systems.

**Prerequisite:** MOM 113.

### MOM 123A Medical Office Procedures II (3-0)

Bookkeeping systems, pegboard accounting, billing, collections, claims processing, direct claims resolution, insurance terminology, processing of insurance claims, profiles, HICPICS and general guidelines for answering patients' questions about insurance.

## Medical Records 5827

### MR 113 Medical Terminology I (3-0)

Word elements as building blocks for a medical vocabulary and terms relating to skin, muscle, bone, gastrointestinal, respiratory, heart and blood vessels with special emphasis upon spelling and pronunciation. (same as MOM 113)

### MR 123 Medical Terminology II (3-0)

Continued word elements as building blocks for a medical vocabulary and terms related to gynecology, maternal, urogenital, eye, ear, nerves, psychiatric, geriatrics, endocrine and supplementary terms with special emphasis on spelling and pronunciation.

## Mineral Land Management 5423

The objective is to provide the student with the fundamental knowledge needed to enable him/her to seek employment as a leasing agent for oil, gas and mineral rights. The program centers around an intensive study of land records as recorded in county court houses and the laws regulating land sales and leasing transactions. Students will also be introduced to map interpretations, boundary location, oil and gas laws and the basic information necessary for property appraisal. Also included are other courses which will assist in leasing transactions.

Students successfully completing the courses in this nine-month curriculum and who make application in the registrar's office will receive a certificate of proficiency.

### ★ TJC Trivia ★

Opening day enrollment at TJC included only ninety-three students and just nine faculty members.

## Mineral Lease Records Technology 5631

Mineral lease records personnel must see that legal contracts for land use are properly negotiated and that all scheduled payments are properly made. These two areas of responsibility require extensive sets of records and controls. Therefore, lease records personnel must be familiar with legal instruments, contracts, ledgers, indexes and various other records. Upon completion of this curriculum the student will be awarded an associate in applied science degree.

## Music

A student majoring in music should see a faculty advisor for help in completing a course plan.

Courses are offered for three types of students:

1. Those who desire to pursue a professional career in music after completing a standard four-year curriculum.
2. Those who desire to take individual private lessons in applied music.
3. Those who desire a cultural background in music.

### General Music Courses

#### MU 111 Italian Diction (1-2)

A detailed study of Italian diction as it is applied to vocal literature. The course includes pronunciation of Italian vowels, consonants, and semi-consonants, as well as familiarization with and memorization of the rules governing pronunciation. Examinations will include both written and oral portions.

#### MU 111A, 121A, 211A, 221A Accompanying Class (0-3)

Supervised experiences studying the principles, philosophy and techniques of vocal and instrumental accompanying.

#### MU 111E, 121E, 211E, 221E-02 Guitar Ensemble (1-2)

A select group of two to sixteen students which plays special arrangement for guitar "orchestra." Admission by audition.

#### MU 111F, 121F, 211F, 221F-01 Chamber Singers Small Ensemble (1-2)

A small group of select singers capable of performing both as an ensemble and as soloists performing traditional and contemporary madrigal and chamber vocal repertoire. Admission by audition.

#### MU 111H, 121H, 211H, 221H Harmony and Understanding (0-3)

A highly select vocal pop ensemble. Admission by audition.

#### MU 111I, 121I, 211I, 221I Instrumental Chamber Ensemble (1-2)

An advanced performance instrumental ensemble studying and performing wind and percussion chamber music from the Medieval Period to modern music. Admission by audition. Must be concurrently enrolled in band.

#### MU 111K Class Piano (1-2)

Three hours instruction per week with instructions for beginners in piano using a 12 place electronic piano lab. Fundamentals of proper piano technique, note reading within the great staff, major scales, playing in the keys of C, F, G and simple chording with no previous piano experience.

#### MU 121P Percussion Class (1-2)

A study of the basic techniques of playing all the percussion instruments with emphasis on the pedagogical aspect.

#### MU 111T, 121T Elementary Ear Training and Sight Singing (2-1)

Rhythmic, melodic and harmonic dictation in the major and minor modes, sight singing in the treble, bass and C clefs and must be taken concurrently with MU 113T and 123T respectively. Required of music and fine arts-music majors.

#### MU 112B, 122B, 212B, 222B Band (1-4)

The Apache Band is an elite performance ensemble open to all students of the College who qualify by audition. Performances include field and parade marching, concerts, athletic events and other campus activities.

**MU 112C, 122C, 212C, 222C****Concert Choir (1-3)**

A mixed chorus organized for the purpose of singing the more important works of vocal ensemble with members of this group engaging in a wide variety of public performances. Open to any student in the College; meets three hours per week.

**MU 112O, 122O, 212O, 222O****Symphony Orchestra (1-2)**

Open to advanced instrumental students who are given practical training in professional orchestral routine in the East Texas Orchestra. Admission by audition.

**MU 112S, 122S, 212S, 222S****Jazz Band (1-2)**

The Apache Jazz is an advanced performance ensemble open to students who qualify by audition. Must be currently enrolled in band. Performances include concerts, banquets and other campus events. Literature ranges from the "Big Band" music of the 1920's to modern jazz of the 1980's.

**Theory****MU 113A Music Fundamentals (3-0)**

An introduction to the elements of music including a study of the staff, clefs, key signatures, scales, time signatures, notation, meter and rhythm and application of theory to the keyboard. Also for those lacking a background in music theory or desiring an appropriate elective.

**MU 113B Music Appreciation (3-0)**

A foundation in enjoyment and understanding of music through the use of recorded music and song literature.

**MU 113E Music Curriculum for the Elementary School (3-0)**

A study of music content appropriate to elementary school children including vocal characteristics, reading concepts, and examination of recently published materials.

**Prerequisite:** MU 113A or permission of the instructor.

**MU 113L, 123L****Introduction to Music (3-1)**

A general survey of the development of the art of music designed to provide a basic understanding of the principal periods and styles of music literature, origins, folk music, plainsong, vocal and instrumental forms, jazz and 20th century music. No prerequisites for MU 113L, open to non-music majors but required of music majors.

**MU 113T, 123T****Elementary Harmony (3-1)**

A study of triads and their inversions, chord connections, keyboard harmony, cadences, simple nonharmonic tones, seventh chords and original part-writing exercises which must be taken concurrently with MU 111T and 121T respectively.

**Prerequisite:** Ability to read simple music notation. Required of music and fine arts-music majors.

**MU 121K Class Piano (1-2)**

Continuation of MU 111K with THREE hours instruction per week including ledger lines, dotted rhythm pattern, playing in the keys of D, A, Bb, and hand independence with solo literature including the simpler works of Bach and Mozart.

**Prerequisite:** Completion of MU 111K or approval of the instructor.

**MU 121V Brass Class (1-2)**

Basic techniques of playing trumpet, trombone, french horn, baritone, and tuba with emphasis on the pedagogical aspect.

**MU 121W, 221W****Musical Theatre Workshop (0-5)**

The study and performance of works from the music theatre repertoire with emphasis on all phases of techniques and procedures including participation in the musical production.

**MU 211T, 221T Advanced****Ear Training and Sight Singing (2-1)**

A continuation of dictation and sight singing studies, including the C clefs, modulation, chromatic intervals and must be taken concurrently with MU 213T and 223T respectively.

**Prerequisite:** MU 121T. Required of music majors.

### **MU 211W Woodwind Class (1-2)**

Basic techniques of playing clarinet, saxophone, oboe, bassoon, flute, and piccolo with emphasis on the pedagogical aspect.

### **MU 213T, 223T Advanced Harmony (3-1)**

A further study of harmony and the introduction to counterpoint, the ninth, eleventh and thirteenth chords, chromatically altered chords, modulation, the decorative material of harmony, modern harmony and must be taken concurrently with MU 211T and 221T respectively.

**Prerequisite:** MU 123T. Required of music majors.

### **Applied Music**

Music majors should enroll in private lessons in two areas each semester, depending upon their intended degree. Those who aim toward professional performance should take private lessons for a major for the maximum number of semester hours each semester. Those who aim toward teaching should take private lessons for a concentration of two semester hours each semester. All music majors should take, in addition to either a major or a concentration, a secondary private lesson for one semester hour credit each semester. In every case, one of the two private lessons each semester must be piano.

A student majoring in music should see a faculty advisor for help in completing a course plan.

Students may also take private instrumental and vocal instruction as an elective. Two semester hours credit would signify one hour of instruction per week. One semester hour would signify thirty minutes of instruction per week.

The fees per semester on applied music courses are found in the tuition and fees section of this *Catalog*.

**The College is not obligated to furnish instruments.**

**Vocal and instrumental instruction is available as follows:**

### **Voice**

The study of the art of singing in the *bel canto* style including breath control, breath support, vowel formation and other techniques of vocal production through vocal exercises tailored to the individual needs of each student and the study of art song literature from the English, Italian, German and French repertoires.

### **Piano, Organ**

Enables the student for a major or concentration to develop technical capabilities to a high degree as well as become well acquainted with repertoire from the Baroque period to the present day. Develops fluency in reading at the keyboard and a knowledge of some technical and theoretical fundamentals at the instrument for minors.

**Organ prerequisite:** Piano experience or permission from instructor.

### **Guitar**

Focuses on the classical technique as well as different positions, proper fingering, major and minor scales and sight reading with typical compositions by F. Carulli, M. Carcassi, L. Milan, and H. Villa-Lobos.

### **Electric Bass**

Covers basic music reading with emphasis on correct fingering, sight reading skill, scales and memorization of bass parts to "standard" tunes selected by the instructor. Elective only.

### **AMU 111B, 121B, 211B, 221B Trumpet, Baritone, Trombone, French Horn, Tuba—Secondary or Elective**

Applied music with private instruction.

### **AMU 111K, 121K, 211K, 221K Piano—Secondary or Elective**

Applied music with private instruction.

### **AMU 111O, 121O, 211O, 221O Organ—Secondary or Elective**

Applied music with private instruction.

### **AMU 111P, 121P, 211P, 221P Percussion—Secondary or Elective**

Applied music with private instruction.

**AMU 111S, 121S, 211S, 221S Violin, Cello, Double Bass, Harp, Guitar, Electric Bass—Secondary or Elective**  
Applied music with private instruction.

**AMU 111V, 121V, 211V, 221V Voice—Secondary or Elective**  
Applied music with private instruction.

**AMU 111W, 121W, 211W, 221W Flute, Clarinet, Oboe, Saxophone, Bassoon—Secondary or Elective**  
Applied music with private instruction.

**AMU 112B, 122B, 212B, 222B Trumpet, Baritone, Trombone, French Horn, Tuba—Concentration or Elective**  
Applied music with private instruction.

**AMU 112K, 122K, 212K, 222K Piano—Concentration or Elective**  
Applied music with private instruction.

**AMU 112O, 122O, 212O, 222O Organ—Concentration or Elective**  
Applied music with private instruction.

**AMU 112P, 122P, 212P, 222P Percussion—Concentration or Elective**  
Applied music with private instruction.

**AMU 112S, 122S, 212S, 222S Violin, Cello, Double Bass, Harp, Guitar, Electric Bass—Concentration or Elective**  
Applied music with private instruction.

**AMU 112V, 122V, 212V, 222V Voice—Concentration or Elective**  
Applied music with private instruction.

**AMU 112W, 122W, 212W, 222W Flute, Clarinet, Oboe, Saxophone, Bassoon—Concentration or Elective**  
Applied music with private instruction.

**AMU 113B, 123B, 213B, 223B Trumpet, Baritone, Trombone, French Horn, Tuba—Major**  
Applied music with private instruction.

**AMU 113K, 123K, 213K, 223K Piano Major**  
Applied music with private instruction.

**AMU 113O, 123O, 213O, 223O Organ Major**  
Applied music with private instruction.

**AMU 113P, 123P, 213P, 223P Percussion Major**  
Applied music with private instruction.

**AMU 113S, 123S, 213S, 223S Violin, Cello, Double Bass, Harp, Guitar—Major**  
Applied music with private instruction.

**AMU 113V, 123V, 213V, 223V Voice Major**  
Applied music with private instruction.

**AMU 113W, 123W, 213W, 223W Flute, Clarinet, Oboe, Saxophone, Bassoon—Major**  
Applied music with private instruction.

## **Nursing, Associate Degree (ADN) 8021**

The associate degree nursing program is a four semester and two summer sessions curriculum. The associate degree graduate, after adequate orientation, begins to practice as a staff nurse in a hospital or other health care facility. Through assessment of the individual, the graduate plans, implements and evaluates direct nursing care for individuals and/or groups with commonly recurring health problems. The graduate is able to monitor and direct peers and ancillary workers in the technical aspects of nursing care.

Having graduated from Tyler Junior College with an associate in applied science degree in nursing, the graduate is qualified to apply for the National Council Licensure Examination for Registered Nurses.

Since applicants must meet the admission criteria of the program, application must be made directly to the program director. Selection for enrollment is based on acceptance to the College, ACT or College Board (SAT) scores, reading level, math ability, prior educational achievement and health status.

All required courses of the associate degree curriculum must be completed with a "C" or better. Having **not** received a "C" or better **in any prerequisite course**, the student may not progress until the deficiency has been removed.

Science courses taken after application and acceptance to the Tyler Junior College associate degree nursing program are expected to be taken at Tyler Junior College. Approval must be granted by the program director and instructional division

dean for enrollment in a science course at another college or university.

Transfer credit for science courses completed at other colleges and universities, prior to application and acceptance at Tyler Junior College, will require individual consideration.

All science courses and PSY 223A must have been completed within seven years of the time required in the curriculum or must be repeated.

### **NSG 113N Introductory Nursing Nutrition (3-0)**

Principles of normal nutrition to meet the needs of the ill.

### **NSG 113P Nursing Pharmacology (3-0)**

Concepts of basic nursing pharmacology.

### **NSG 112A Special Topics (2-0)**

Theory of nursing process, nursing math, peri-operative care, eye, ear, oncology, grief and death and clinical application incorporated into NSG 117A.

**Prerequisites:** Acceptance to the ADN Program. Concurrent enrollment in NSG 117A\* and BIO 114D\*.

### **NSG 115 LVN Transition (3-5)**

Expansion of knowledge base and nursing skills through the study of the nursing process, therapeutic communication, fluid and electrolytes and selected medical-surgical conditions in adult patients.

**Prerequisites:** Acceptance to the ADN Program with approval based on special criteria, BIO 114D, 124D and eligibility for placement into second year nursing courses the following semester.

### **NSG 117A Nursing I (3-13)**

Nursing care of adults with medical-surgical disorders including stages of illnesses, activities of daily living, asepsis, pharmacology, communication skills and laboratory application of NSG 112A.

**Prerequisites:** Acceptance to the ADN Program. Concurrent enrollment in BIO 114D\* and NSG 112A\*.

---

*\*Concurrent enrollments are required unless previously completed with a "C" or better.*

### **NSG 129 Nursing II (5-13)**

Nursing care of adults with medical-surgical disorders of GI, MS, GU, respiratory and endocrine systems.

**Prerequisites:** NSG 112A, 117A and BIO 114D. Concurrent enrollment in BIO 124D\*.

### **NSG 225 Nursing III (5-17/8 weeks)**

Expansion of student skills through maternity and gynecologic nursing.

**Prerequisites:** First year and concurrent enrollment in BIO 114A\*.

### **NSG 225A Nursing IV (5-17/8 weeks)**

Care of children with medical-surgical problems.

**Prerequisite:** First year and concurrent enrollment in BIO 114A\*.

### **NSG 235 Nursing IV (5-17/8 weeks)**

Care of clients with common behavior deviations.

**Prerequisites:** First year, BIO 114A and concurrent enrollment in 3 hour elective\*.

### **NSG 235A Nursing VI (5-17/8 weeks)**

Incorporates care of clients with neuro and cardiac problems with role transition.

**Prerequisites:** First year, BIO 114A and concurrent enrollment in 3 hour elective\*.

## **Nursing, Vocational (VNE) 7821**

The vocational nursing program is designed to prepare qualified individuals to give direct nursing care to patients of all age groups and to promote development of the individual as a responsible member of society.

Successful completion of vocational nursing curriculum leads to a certificate of proficiency.

Graduates are prepared to provide care in all health care settings that require increasing levels of technical expertise. The preparation of the student is based on scientific principles and structured to provide a foundation of skills on which the vocational nurse may build. Educational experiences are focused on disease prevention and direct care of selected patients.

After successful completion of the one-year curriculum, graduates are eligible for

the State Board of Vocational Nursing Examiners examination. Only students who have completed a program of training approved by the State Board and who have successfully passed the state licensing examination are authorized to practice as licensed vocational nurses.

Enrollment in TJC's vocational nursing program is limited. Those applying for admission must make application directly to the director of the program.

The Admissions Committee selects the class on the basis of high school records, and test results.

A vocational nursing student must maintain a minimum of a "C" in every vocational nursing course in order to graduate.

Students who do not successfully complete one or more prerequisite courses in any semester may apply to repeat those courses the next time they are offered.

Any student who has withdrawn from the program after successfully completing one or two semesters may re-enter the program (after three semesters) by passing with a 76 percent or better the most current final examination for each nursing course completed prior to withdrawal and successfully completing a practicum in VNE 116 prior to re-admission.

Readmission to the program is dependent upon available space.

#### **VNE 113 Health Maintenance (3-0)**

Principles of good nutrition and basic concepts of mental health.

#### **VNE 113E Medical-Surgical Nursing I (evening) (3.4-0) (14 weeks)**

An orientation to nursing including professional ethics, legal aspects, introduction to drug classification and drug calculation. (48 clock hours).

#### **VNE 113F Nursing Care of Children (evening) (2.5-4.6)**

Disorders, diseases and normal growth and development from birth to adolescent. (40 class hours and 74 clinical hours).

**Prerequisite:** All Summer I and II and Fall semester courses.

#### **VNE 114 Science for VNE (4-1)**

Basic anatomical and physiological principles of human anatomy, pathogens and their implications in disease.

#### **VNE 114A Medical-Surgical Nursing I (4-2)**

Orientation to nursing, professional ethics, legal aspects, nursing process, drug classification and selected physiologic maladaptations.

#### **VNE 114E Long Term Care Nursing (evening) (2.6-11.1) (14 weeks)**

Introduction to the aging process including legal, ethical, occupational and leadership aspects of long term care nursing. (36 class hours and 156 clinical hours).

**Prerequisite:** All Summer, Fall and Spring semester courses.

#### **VNE 116 Essentials of Nursing (4-13)**

Basic knowledge and skills utilizing the nursing process as well as the calculation and administration of medications.

#### **VNE 116E Essentials of Nursing (evening) (11.4-0) (14 weeks)**

Basic knowledge and skills of nursing utilizing the nursing process. (160 clock hours).

#### **VNE 123 Nursing Care of Children (2.3-4.05)**

Disorders, diseases and normal growth and development from birth to adolescence.

**Prerequisite:** All fall semester courses.

#### **VNE 123A Maternity Nursing (2.3-4.05)**

Biopsycho-social aspects of client during prenatal and post partum periods.

**Prerequisite:** All fall semester courses.

#### **VNE 126E Medical-Surgical Nursing II (evening) (6-7.5)**

Continued use of the nursing process in selected physiologic maladaptations. (96 clock hours and 120 clinical hours).

**Prerequisite:** All Summer I and II semester courses.

#### **VNE 126F Medical-Surgical Nursing III (6-7.5)**

Continued use of the nursing process in selected physiologic maladaptations. (96 clock hours and 120 clinical hours).

**Prerequisite:** All Summer I and II semester courses.

### **VNE 128 Medical-Surgical Nursing II (4-20.8)**

Nursing process continued in selected physiologic maladaptations.

**Prerequisite:** All fall semester courses.

### **VNE 133E Maternity Nursing (evening) (2.5-4.6)**

Introduction to the bio-psycho-social aspects of the client during the pre-natal and post-partum periods. (40 class hours and 74 clinical hours).

**Prerequisite:** All Summer I and II and Fall semester courses.

### **VNE 136E Medical-Surgical Nursing IV (3.6-17.8)**

Continued use of the nursing process in selected physiologic maladaptations. (58 clock hours and 284 clinical hours).

**Prerequisite:** All Summer and Fall semester courses.

### **VNE 137 Long Term Care Nursing (3-17)**

The aging process along with the legal, ethical, occupational and leadership aspects of long term care nursing.

**Prerequisite:** All fall and spring semester courses.

### **VNE 137A Community Health Nursing (3-17)**

Nursing process in promotion of community health, mental illness and substance dependency problems.

**Prerequisite:** All fall and spring semester courses.

### **VNE 144F Community Health Nursing (evening) (2.6-11.1) (14 weeks)**

Application of the nursing process in the promotion of health in the community and factors influencing mental illness, including substance dependency problems. (36 class hours and 156 clinical hours).

**Prerequisite:** All Summer, Fall and Spring semester courses.

## **Office Technology 5824**

The two-year associate degree curriculum in office technology is designed to train students for employment as information managers in the automated business offices of today and the future. Leading-edge technology is emphasized with the latest software packages being used.

A fast-paced certificate program is offered to allow students to develop general office skills that will allow them to meet the employment needs of a business office in nine months.

### **OFT 112T Keyboarding (2-1)**

Use of the alphabetic, numeric, and symbol keys is taught utilizing a software package. The touch system of keyboarding will be emphasized along with speed and accuracy. Formatting simple business documents will be covered.

### **OFT 113F Office Procedures (3-0)**

Concepts of operating an automated office through the use of trained personnel, proper procedures and automated equipment.

### **OFT 113M Business Math/Calculators (3-0)**

Mathematical principles used in business are applied utilizing electronic calculators.

### **OFT 113R Business English (3-0)**

Grammar, punctuation, spelling and capitalization as applied in written business communications.

### **OFT 113T Beginning Typewriting (3-3)**

Mastery of the keyboard by the touch system, formatting business letters, manuscripts tables and other documents.

### **OFT 113W Word Processing (2-2)**

Word processing concepts and machine functions are developed using a specific software package. Creation, editing, and printing of business documents will be emphasized along with the special features of the software package being taught.

**Prerequisite:** OFT 112T or higher level of typewriting.

**OFT 123 Machine Transcription (2-2)**

Entry-level job skills for the production of mailable transcripts from machine dictation.

**Prerequisite:** OFT 113T or high school typing.

**OFT 123C Business Communications (3-0)**

Application of letter-writing principles to inquiries and replies, credit and sales letters, adjustments, collections and business reports.

**OFT 123T Intermediate Typewriting (3-3)**

Development of speed and accuracy along with the production of business documents.

**Prerequisite:** OFT 113T or high school typing.

**OFT 123W Word Processing I (2-2)**

Hands-on experience utilizing professional software package to produce business documents on an IBM or compatible personal computer.

**Prerequisite:** OFT 113T or high school typing.

**OFT 213A Specialized Software (2-2)**

Business applications are performed using an integrated software package. Students will prepare business documents which require the use of a word processing system, a spreadsheet, and a database.

**Prerequisite:** A word processing course or approval of the program director.

**OFT 213C Comparative Word Processing (3-0)**

Hands-on comparative analysis and use of word processing packages.

**Prerequisite:** Knowledge of keyboard recommended.

**OFT 213F Advanced Office Procedures (3-0)**

Skills needed to manage travel, organize meetings and conferences, manage records and keep accurate financial data.

**OFT 213W Word Processing II (2-2)**

A professional software package is used to produce form documents, boilerplate paragraphs, mailmerge letters and other business documents.

**Prerequisite:** OFT 113T or high school typing.

**OFT 213Y Special Topics (3-0)**

Topics that reflect the needs of the business community.

**OFT 223A Internship (1-20)**

On-the-job training in a business office.

**Prerequisite:** Sophomore year or approval of program director and division dean and an approved business office.

**OFT 223D Desktop Publishing (2-2)**

Concepts and practical applications are taught using a software package. Page layouts, repagination, merging of graphics and text, and utilization of different font styles are emphasized.

**Prerequisite:** A word processing course.

**OFT 223F Administrative Office Management (3-0)**

Develops an understanding of labor/management relations while stressing the service responsibility of the office to collect, process, store and retrieve information.

**OFT 223W Word Processing (3-1)**

Hands-on experience utilizing a software package frequently used by business organizations. Mailmerge, document storage and management, as well as advanced word processing functions will be emphasized.

**Prerequisite:** OFT 112T or higher level or typewriting.

**OFT 223Y Special Topics (3-0)**

Topics that reflect the needs of the business community.

*"I go to TJC because it's a good place to start."*

**What You Can Expect 119**

## Optician Technician 8037

The curriculum for optician technician represents a carefully planned balance of theory and practice in all aspects of the profession. The purpose of the program is to prepare the student to apply the science of optics to the making and fitting of lenses and devices; to aid in providing comfortable and efficient vision; to prepare the student to measure, adapt and fit eyeglasses or contact lenses to the human face for the aid of correction of visual or ocular abnormalities; and to train the student in the use of measuring devices, instruments, machines and hand tools.

All required courses of the optician technician curriculum must be completed with a "C" or better. Having **not** received a "C" or better in **any prerequisite course**, the student may not progress until the deficiency has been removed. Students successfully completing this one-year program are awarded a certificate of proficiency.

### OD 112 Office Procedures, Ethics and Insurance (2-0)

Retail office procedures, ethics, layout, laboratory, insurance programs and claim forms.

**Prerequisite:** Admittance to program.

### OD 113A Anatomy and Physiology of Eye (3-0)

Eye structure and function with emphasis on cornea and visual stimuli.

**Prerequisite:** Admittance to program.

### OD 113C Optics I (3-0)

Light behavior and effect lenses have on light.

**Prerequisite:** Admittance to program.

### OD 114 Ophthalmic Materials Lab I (4-8)

Ophthalmic terms, lens design and surface powers relating to refracting errors, grinding lens surface, computing lens curves and lens power measuring instruments.

**Prerequisite:** Admittance to program.

### OD 115 Applied

**Laboratory** (1-39) (6 weeks)

Supervised laboratory designed to provide the student with an integration of skills in a retail and applied laboratory setting.

**Prerequisite:** Successful completion of all first and second semester courses.

### OD 116 Ophthalmic Dispensing I (6-3)

Refractive errors, lens aberration and effects, safety lens, prisms, anatomy optics and bifocal fitting procedures.

**Prerequisite:** Admittance to program.

### OD 123C Contact Lenses (3-3)

Contact lens materials, fitting techniques and responsibilities.

**Prerequisite:** Successful completion of OD 114, 116, 113A and 113C.

### OD 123D Seminar (3-0)

Preparation for the State and National Certification Exam.

**Prerequisite:** Successful completion of all first semester courses.

### OD 123E Optics II (3-3)

Application of lens equations, optics of spheres, cylinders, prism, surface charts and tools.

**Prerequisite:** OD 113C.

### OD 123F Ophthalmic Materials and Lab II (3-3)

Advanced use of tools, machinery, hand edging, mounting lenses and quality control.

**Prerequisite:** OD 114.

### OD 124 Ophthalmic Dispensing II (3-6)

Dispensing procedures, technique for fitting frames and study of materials.

**Prerequisite:** OD 116.

## ★ TJC Trivia ★

The TJC football team wasn't always known as the Apaches. In 1928 the student body voted down the unofficial name of "Buccaneers" in favor of the new title.

## Ornamental Horticulture 5026

Ornamental horticulture describes a range of occupations dealing with the propagation and production of ornamental plants in both fields and greenhouses, and the sale and use of trees, shrubs, flowers, garden plants and turf.

Students completing this program of instruction can look forward to careers that improve and beautify our environment. This program leads to the associate of applied science degree.

### HRT 113A Landscape Plant Materials (3-3)

Identification, classification, characteristics and landscape use of shrubs, vines, ground covers, flowers and landscape trees.

### HRT 113S Seminar/Cooperative Training (1-33) (5 weeks)

A training plan will be developed for each student for their on-the-job training.

**Prerequisite:** Completion of 15 hours of HRT courses.

### HRT 123A Herbaceous and Tropical Plants (2-4)

Identification, culture, use of ornamental herbaceous plants in homes, indoor and outdoor gardens, shopping malls and other commercial buildings and conservatories.

### HRT 123B Floral Design I (2-4)

Basic principles of floral design using fresh flowers and other materials to create basic corsages, boutonniers, homecoming mums and floral arrangements.

### HRT 123C Landscape Maintenance (2-4)

Equipment and practices used in professional grounds maintenance programs, turfgrass establishment and maintenance of trees, shrubs and ground covers.

### HRT 213 Greenhouse Horticulture (2-4)

Construction and operation of horticulture production structures, such as greenhouses, hot beds and cold frames.

### HRT 213A Nursery Operations (3-3)

Layout, organization of staff and physical facilities used in wholesale, retail, field production, landscape and garden center nurseries in Texas; legal requirements for starting a nursery in Texas.

### HRT 213C Floral Design II (2-4)

Principles of floral arrangement design using silk, fresh, dried and cut flowers.

**Prerequisite:** HRT 123B or consent of program director.

### HRT 213E Greenhouse Crop Production (2-4)

Problems and problem solving techniques used in the greenhouse industry; actual production of bedding plants, foliage plants and floral crops.

### HRT 214 Fundamentals of Design and Landscaping

Basic principles, practices and concepts of landscape design, preparation of plan, specifications and cost estimates.

**Prerequisite:** HRT 113A or consent of program director.

### HRT 223D Landscape Development (2-4)

Planning of landscape operations, installation, care of plant materials, construction of landscape features, installation of drainage and irrigation systems.

### HRT 223P Horticulture Pest Controls and Chemicals (3-3)

Commercial methods of plant problem diagnosis and treatment, insect identification, plant diseases, appropriate treatments, chemicals and fertilizers used in horticulture industry.

### HRT 223 Ornamental Crop Production (2-4)

Advanced methods in nursery and greenhouse crop production, container grown plants, selected pot plant and field production.

## Philosophy

### **PHI 113 Introduction to Philosophy (3-0)**

A general introduction to philosophy designed to give basic knowledge of philosophy and understanding of the issues from which that history evolved.

### **PHI 213 Introduction to Ethics (3-0)**

A consideration of the basic principles of human life with critical examination of traditional and current theories of the nature of goodness, happiness, duty and freedom including readings from selected philosophies, past and present.

## Physics

Physics is the fundamental physical science. The study of physics provides background for engineering, industrial research and development, medicine, teachers of science and biological sciences.

Students majoring in physics who do not receive advance placement in MTH 113A and 113B are encouraged to take these courses in the summer so that they may enroll in MTH 213A in the first semester of the freshman year.

A student majoring in physics should see a Tyler Junior College faculty advisor for help in completing a course plan.

### **PHY 113 Physics Problems (3-0)**

General physics with emphasis on problem solving. Computational skills using basic algebra, trigonometry, and the electronic calculator will be an integral part of this course.

### **PHY 111 Physics Problems Laboratory (0-3)**

A lab designed in the field of mechanics, fluids, heat, vibrations, electricity and optics to illustrate real-world applications of concepts taught in Physics Problems 113.

### **PHY 113D Statics and Strength of Materials (3-0)**

Fundamentals of statics, resultant and equilibrant of forces, moments, friction, strength of materials, material properties, joint analysis, beams, columns, combined stresses and torque.

### **PHY 114B General Physics (3-3)**

Fundamentals of classical mechanics, heat and sound for premedical, biological science, pharmacy, architecture students and others needing technical courses in physics.

### **PHY 123 Physics Problems II (3-0)**

A continuation of PHY 113 with an emphasis on electricity, magnetism and modern physics.

**Prerequisite:** PHY 113.

### **PHY 124A Mechanics (3-3)**

A calculus-based course for students who intend to major in physics, chemistry, mathematics or engineering.

**Prerequisite:** Credit or registration for MTH 213A.

### **PHY 124B General Physics (3-3)**

A continuation of PHY 114B including electricity and magnetism, light and modern physics.

**Prerequisite:** PHY 114B.

### **PHY 214A Advanced Physics (3-3)**

Heat, wave-motion, optics and atomic phenomena.

**Prerequisite:** PHY 124A and credit or registration for MTH 213B.

### **PHY 224A Advanced Physics (3-3)**

Includes electricity and magnetism. Required of all engineering majors.

**Prerequisite:** PHY 124A and credit or registration for MTH 213B.

## Postal Management 9624

This program provides two years of courses in postal service leading to an associate in applied science degree.

The first two semesters are a detailed study of the theory and operations in postal service. These courses and other related courses may be taken by any student. During the last two semesters, two seminars and on-the-job training are required and only postal service employees may enroll for these two seminars.

Students are provided with a fundamental knowledge of various departments of the postal service and the guidelines of postal regulations and operational procedures.

**PMT 113 Introduction to the Postal Service (3-0)**

A history of the U.S. Postal Service and the structure of the service before the Postal Reorganization Act of 1970.

**PMT 113A Mail Processing (3-0)**

A detailed survey covering mail classification and rates, service standards, ODIS, distribution systems and objectives and responsibilities of mail processing.

**PMT 123 Postal Rules and Regulations (3-0)**

An investigation of the line activities of postal operations, regulations and the implementation of regulations.

**PMT 123A Postal Customer Service (3-0)**

Discusses customer relations, retailing postal products and how to manage professional window service operations.

**PMT 213 Postal Accounting and Finance Procedures (3-0)**

A review of postal accounting with emphasis on long- and short-range budget techniques.

**PMT 213S Training and Employee Development Seminar I (1-20)**

The techniques in job instruction training, principles of learning and persuasive devices to accomplish given objectives in postal training. (Seminars are not eligible for veteran's benefits.)

**PMT 223 Postal Management and Supervision (3-0)**

The supervisor's role in planning and staffing; organization principles and their relation to the daily tasks of postal managers.

**PMT 223A Employee and Labor Relations (3-0)**

Collective bargaining procedures, union/labor laws, arbitration, grievance procedures and contract construction.

**PMT 223S Postal Problems and Analysis Seminar II (1-20)**

The art and science of problem solving with a focus on employee and labor relations. (Seminars are not eligible for veteran's benefits.)

## Psychology

A student majoring in psychology should see a Tyler Junior College faculty advisor for help in completing a course plan.

**PSY 111 Freshman Orientation (1-0)**

Designed to help students adjust to college life with emphasis on developing effective study skills making wise educational choices and learning appropriate social and personality development. Required of full time beginning students. Offered each semester and in special summer sessions.

**PSY 013 Personal Development (3-0)**

Basic principles of psychology designed to help develop interpersonal and specific behavioral self-management skills that will enable students to gain control over personal development directly relating to academic achievement.

**PSY 213 Introductory Psychology (3-0)**

Basic principles of psychology relating to individual differences, intelligence, development of personality, growth, motivation drives, emotions and learning. This course is also offered through instructional television.

**PSY 213A Social Psychology (3-0)**

The study of individual behavior within the social environment.

**PSY 223 Applied Psychology (3-0)**

Basic psychological principles applied to adjustment and behavioral problems including a study of personality, attitudes, social relations and interactions as well as techniques for coping with stress and anxiety encountered in everyday situations of life and work.

**PSY 223A Child Growth and Development (3-0)**

The stages in the process and the physical, social, mental and emotional factors which influence growth and development of children up to adolescence.

## Radio/Television

(See also *R/TV courses listed in Journalism*)

### **RTV 113 Radio/Television Announcing (3-0)**

Students study principles of announcing, voice, articulation, pronunciation and delivery while gaining experience with various types of announcing.

### **RTV 123A Audio/Radio Production (2-2)**

Concepts and techniques of sound production including coordinating and directing processes. Emphasis on hands-on experience with equipment, sound sources and talent directing.

### **RTV 123B Television Production (3-3)**

Practical experience in operating television studio and control room equipment. Course will include pre-production and post-production training.

### **RTV 213 Practicum in Electronic Media (3-3)**

Lecture and lab instruction and hands-on practice using electronic media.

## Radiologic Technology 8033

Tyler Junior College offers a cooperative program with area medical facilities which is designed to provide skilled technicians in diagnostic medical radiography. The program is accredited by the Committee on Allied Health Education and Accreditation (CAHEA) in cooperation with the Joint Review Committee on Education in Radiologic Technology (JRCERT). Graduates of the program are eligible to apply for admission to sit for the certification exam administered by the American Registry of Radiologic Technologists (ARRT).

A balanced curriculum of general didactic and clinical courses offers the student an opportunity for cultural development as well as occupational competence. Clinical instruction is given at Medical Center Hospital, Mother Frances Hospital, the University of Texas Health Center and other assigned affiliates under the direction of radiologists, directors of radiology departments and clinical educators.

The minimum time for program completion is 24 months. A minimum grade of 75 will be required on all radiologic technology courses.

All required courses of the associate degree curriculum must be completed with a "C" or better. Having **not** received a "C" or better in **any prerequisite course**, the student may not progress until the deficiency has been removed.

Since enrollment in this program is necessarily limited, those seeking admission must make their application directly to the director of the program.

### **XRT 111 Methods of Patient Care (1-0)**

Includes nursing procedures and techniques used in general care of patients.

**Prerequisite:** Admittance to program.

### **XRT 113 Radiologic Technology I (3-4)**

An introduction to radiologic technology with laboratory sessions in an on-campus, energized laboratory.

**Prerequisite:** Admittance to program.

### **XRT 113B Human Structure and Function I (3-0)**

Basic structure and function of the human body.

**Prerequisite:** Admittance to program.

### **XRT 113C Clinical Education I (3-16)**

Clinical participation in routine radiographic, darkroom, office procedures and use and care of equipment.

**Prerequisite:** Admittance to program.

### **XRT 116S Clinical Education III (1-36)**

Continuation of Clinical Education II with completion of competencies involving general radiography.

**Prerequisite:** XRT 123C.

### **XRT 123A Radiologic Technology II (3-4)**

A continuation of Radiologic Technology I including positioning, radiographic exposure and medical terminology.

**Prerequisite:** XRT 113.

### **XRT 123B Human Structure and Function II (3-0)**

A continuation of Human Structure and Function I including transverse and topograph anatomy.

**Prerequisite:** XRT 113B.

**XRT 123C Clinical Education II (3-21)**

A continuation of Clinical Education I. Clinical rotations in general radiography and assistance with contrast media studies.

**Prerequisite:** XRT 113C.

**XRT 211 Clinical Education IV (1-27)**

A continuation of Clinical Education III with rotations in areas of specialization.

**Prerequisite:** XRT 116S.

**XRT 212S Seminar (3-0)**

Discussion of medical radiography subject areas and preparation of student for employment interviews.

**Prerequisite:** XRT 223A.

**XRT 213A Radiobiology and Protection (3-0)**

A study of radiation protection and radiation biology.

**Prerequisite:** PHY 123.

**XRT 213B Imaging (3-0)**

Methods of producing various diagnostic images.

**Prerequisite:** XRT 123A and 123B.

**XRT 213C Radiologic Technology III (3-0)**

A continuation of Rad Tech II including special procedures, pediatric radiography and advanced radiographic exposure.

**Prerequisite:** XRT 123A.

**XRT 216S Clinical Education VI (1-36)**

A continuation of Clinical Education V and completion of all competencies.

**Prerequisite:** XRT 221.

**XRT 221 Clinical Education V (1-27)**

A continuation of Clinical Education IV.

**Prerequisite:** XRT 211.

**XRT 221A Department Administration (1-0)**

Organization, function, supervision and financial arrangements of radiology department.

**Prerequisite:** Concurrent enrollment in XRT 222.

**XRT 222 Quality Assurance (2-0)**

An introduction to evaluation methods for assuring consistency in radiography.

**Prerequisite:** XRT 213C.

**XRT 222A Pathology (3-0)**

Concepts of disease as it relates to radiographic procedures.

**Prerequisite:** XRT 123A.

**XRT 223A Radiologic Technology IV (3-0)**

A continuation of Radiologic Technology III including advanced positioning, ethics, and the legal aspects of the profession.

**Prerequisite:** XRT 213C.

## Reading

**NOTE:** An exit-level test must be passed in each developmental reading course in order to continue in the reading sequence.

**RDG 011R Reading Laboratory (1-2)**

Designed to improve proficiency in reading comprehension, rate, word recognition and vocabulary development. (Taken concurrently with RDG 013R)

**RDG 013R Developmental Reading I (3-0)**

Improving **basic** reading skills through individualized development of word attack, comprehension, vocabulary and rate. (Required of students who do not present qualifying local reading placement test scores.)

**RDG 013S College Study Skills (3-0)**

Designed for the improvement of managing time, listening effectively, taking notes, concentrating, retaining information and taking examinations.

**RDG 023R Developmental Reading II (3-0)**

Improving **intermediate** reading skills through individualized development of word attack, comprehension, vocabulary and rate. (Required of students who do not present qualifying local reading placement test scores.)

**RDG 033R Developmental Reading III (3-0)**

A continuation of **intermediate** reading skills through individualized development of word attack, comprehension, vocabulary and rate.

**ENG 041E English Review (1-0)**

Review and practice in both recognizing various elements of effective writing and also composing original writing samples that effectively communicate a whole message to a specified audience for a stated purpose.

**Prerequisite:** Consent of program director.

**RDG 041R Reading Review (1-0)**

Review and practice of reading skills including study of vocabulary, main idea and support, author's intent, organization of ideas, critical reasoning, and study skills.

**Prerequisite:** Consent of program director.

**RDG 113D Advanced Reading (3-0)**

Emphasizes the increased development of speed and comprehension skills in reading.

## **Real Estate Management 5423**

Students successfully completing this program receive the associate in applied science degree.

The curriculum is designed with formal classroom study combined with case studies and actual work experience to give the student a sound background for a career in the real estate industry as a real estate salesman, petroleum landman, land title insurance agency, property insurance agent or a wide variety of other real estate oriented careers.

The program provides an opportunity for students to complete the educational requirements for the Texas Real Estate Salesman or Broker's License and/or the Fire and Casualty Local Recording Agent's License.

**REM 113 Principles of Real Estate (3-0)**

Survey course in real estate fundamentals including Fair Housing, Equal Credit Opportunity Act and Community Reinvestment Act; meets Real Estate Commission requirements.

**REM 113B Introduction to Land Records (3-0)**

A study of the history of Texas land titles including ownership interest, methods of conveying and limiting factors to ownership.

**REM 113D Real Estate Mathematics (3-0)**

A review of basic arithmetic skills as applied to real estate problems; meets Real Estate Commission requirements.

**REM 113E Real Estate Marketing (3-0)**

A study of the principles of marketing real estate including communication skills and the relationship of agent to buyer and seller; meets Real Estate Commission requirements.

**REM 123 Real Estate Law (3-0)**

A study of Texas real estate laws; meets Real Estate Commission requirements.

**REM 123A Real Estate Finance (3-0)**

An analysis of factors effecting mortgage money, sources of mortgage money, mortgage instruments and types of loans; meets Real Estate Commission requirements.

**REM 123B Real Estate Appraisal I (3-0)**

An understanding of the principles used in estimating the value of real property; meets Real Estate Commission requirements.

**REM 123L Real Estate Law Contracts (3-0)**

A study of joint lawyer-broker committee and the promulgated contracts; meets Real Estate Commission requirements.

**REM 213 Methods in Title Investigation (2-2)**

A discussion of the recording system, abstract plants and actual practice in using recorded instruments.

**Prerequisite:** REM 113B or consent of program director.

**REM 213B Fire and Casualty I (3-0)**

Covers fire and casualty insurance and general liability; meets requirements toward recording agents license.

**REM 213C-223C Real Estate Internship (1-20)**

For students enrolled in estate management program; provides work experience in real estate or related office.

**REM 213D Real Estate Appraisal II (3-0)**

The application of principles of Appraisal I and Advanced Methods of Appraisal for commercial and farm properties.

**Prerequisite:** REM 123B or consent of program director.

**REM 213E Land Title Problems (2-2)**

A determination of surface, mineral and royalty ownership and a correction of title defects by use of corrective instruments.

**REM 213L Oil and Gas Law (3-0)**

Introduces the legal principles involved in businesses related to oil and gas and with the general principles of substantive law concerning oil and gas jurisprudence.

**REM 223 Property Management (3-0)**

Stresses the management, maintenance, rehabilitation, purchase and sale of residential, commercial and industrial properties. Includes leases, rehabilitation, insurance, tax aspects, record keeping, public relations and advertising.

**REM 223A Real Estate Title Insurance, Abstracts, Escrow, and Closing Procedures (3-0)**

A case study of escrow and closing procedures including methods of title evidence.

**REM 223B Real Estate Brokerage (3-0)**

Covers management functions of a real estate firm and the laws of agency; meets Real Estate Commission requirements.

**REM 223D Fire and Casualty II (3-0)**

A continuation of Real Estate 213B; meets requirements for local recording agents license.

**Prerequisite:** REM 213B.

**REM 223E Contracts and Negotiable Instruments (3-0)**

Covers the mineral lease and negotiable instruments of the oil and gas industry.

**Prerequisite:** REM 213E or consent of program director.

**REM 223F Real Estate Investment and Taxation (3-0)**

The concepts of investing in real estate and analyzing the tax advantages; meets Real Estate Commission requirements.

**REM 223G Railroad Commission Filings (3-0)**

Study of the Railroad Commission's Oil and Gas Division with hands-on use of selected forms.

**Prerequisite:** REM 223E or consent of program director.

**REM 223L Land Records Management (3-0)**

A study of the necessary technology needed to meet the obligations in the oil and gas leases, agreements and contracts.

## Recreation: Tennis Teaching 9621

This program provides a two-year course to train students in teaching tennis, planning programs for tennis facilities, merchandising and operating pro shops and maintaining of tennis facilities. In addition, students are trained and prepared for certification testing.

Students spend approximately 15 hours a week working in tennis-related programs. Programs include lab work, on-campus tennis clinics, pro shops, private clubs, municipal tennis programs and the functions of team coaching. Training aids used in the tennis program are books, training films, video tape recorders, audio tape recorders, ball machines, stringing equipment and field trips to various tennis and sport facilities.

Upon graduation from this program, the student receives an associate in applied science degree with a major in tennis teaching.

**REC 112L Tennis Teaching Lab I(0-15)**

On-court teaching skills with an emphasis placed on individual lessons.

**REC 112S Summer Tennis Experience (2-0)**

Designed to train students for their approved, tennis-related summer work which includes responsibility for a journal of activities and an evaluation of the work assignment.

### **REC 113 Individual Tennis Instruction (3-0)**

A study of the uniqueness of the individual in tennis with detailed information on reasons and objectives explaining the participation of the individual in tennis and the understanding of procedure and application for private instruction as well as theory.

### **REC 113S Tennis Seminar I (3-0)**

A study of the methods and materials to coach tennis including principles for becoming a professional tennis coach, proper coaching methods, fundamentals of tennis and the philosophy of tennis.

### **REC 114S Summer Tennis Experience (1-39)**

Designed to train students for their approved, tennis-related summer work which includes responsibility for a journal of activities and evaluation of the work assigned.

### **REC 122L Tennis Teaching Lab II (0-15)**

Studies technical equipment such as teaching aids including ball machines, video recorder, audio recorder and tennis stringing equipment with a continuation of on-court skills.

### **REC 123A Scientific Approach to Tennis Teaching (3-0)**

An analysis of tennis from a scientific viewpoint with information based on recent information by research studies of prominent tennis physicists and biomechanics.

### **REC 123G Group Dynamics of Tennis Instruction (3-0)**

Designed to acquaint the tennis professional with the infinite variables in teaching, programming and handling groups.

### **REC 123S Tennis Seminar II (3-0)**

A study of planning, organizing and conducting activities for tennis programs including promotion, special events, clinics, junior development, ladies days, ladders, tournaments, leagues and social events as well as the construction of the overall program.

### **REC 213C Tennis Camp and Club Management (3-0)**

The process of managing by planning, directing, coordinating and controlling of tennis facilities, employees and participants.

### **REC 212L Tennis Teaching Lab III (0-15)**

Emphasis placed on the organization, planning and performance of group lessons with a continuation of court skills as well as off-court procedures of the tennis professional.

### **REC 213S Tennis Seminar III (3-0)**

An emphasis placed on sport medicine ranging from injury prevention exercises to diet and performance.

### **REC 222L Tennis Teaching Lab IV (0-15)**

A survey of tennis management at various clubs with the student contributing to creative and innovative lessons and programming as well as a continuation of court skills and off-court procedures of the tennis professional.

### **REC 223E Contemporary Concepts in Tennis Instruction (3-0)**

Further training of tennis instruction by a study of a selected reading list of tennis authors with a comparison and analysis of the similarities and differences of teaching and coaching styles and methodologies of the published works.

### **REC 223S Tennis Seminar IV (3-0)**

A study of essential elements and basic principles involved in the organization, supervision and operation of a tennis pro-shop including the design, lay-out and construction of various tennis facilities.

---

*"I like TJC because it's a small, local college where all of my friends go and it's also convenient to home."*

**Debbie Davis**

*business major*

## **Respiratory Therapy 8025**

### **(Cardiopulmonary Technology)**

Respiratory Therapy offers two programs which prepare individuals for an allied health specialty in clinical care and management of respiratory disorders. The 12-month program leads to a certificate of proficiency and qualifies the graduate to apply for the Certified Respiratory Therapy Technician board examination. The 22.5-month program graduates a student with an associate in applied science degree and qualifies the individual to apply for the Registered Respiratory Therapist board examination.

The curriculum for the certificate program is included in the registry curriculum which is expanded with academic courses. These didactic courses include biology, chemistry, mathematics and English. Respiratory therapy courses consist of classroom, laboratory and supervised hospital experiences. The certification and registry programs have full accreditation from the Joint Review Committee on Respiratory Therapy Education (JRCRTE).

Since enrollment in this program is limited, those applying for admission must make application with the program director.

Science courses taken after application and acceptance to the Tyler Junior College respiratory therapy program are expected to be taken at Tyler Junior College. Approval must be granted by the program director and instructional division dean for enrollment in a science course at another college or university.

Transfer credit for science courses completed at other colleges and universities, prior to application and acceptance at Tyler Junior College, will require individual consideration.

Persons who are certified respiratory technicians (CRTT) have an alternate means of becoming registry eligible. A CRTT with 62 credit hours which include courses in anatomy, physiology, chemistry, biology, microbiology, math and physics, may become eligible to sit the registry examination. The curriculum may be taken to obtain an associate in applied science degree. See the program director for details.

Selected respiratory courses are periodically offered in the evening.

All required courses of the Respiratory Therapy curriculum must be completed with a "C" or better. Having **not** received a "C" or better **in any prerequisite course**, the student may not progress until the deficiency has been removed.

#### **RT 112 Cardiopulmonary Anatomy and Physiology I (2-1)**

Aspects of the heart, lungs, kidneys and brain related to respiratory care practice.

**Prerequisite:** Admittance to program.

#### **RT 112C Clinical Experience I (0-32)**

A continuation of RT 123.

**Prerequisite:** RT 121, 122, 123, 123A and 124.

#### **RT 112L New Technology Seminar I (7-0)**

Integration of respiratory care procedures and theory applied to clinical situations and new respiratory care technology.

**Prerequisite:** RT 121, 122, 123, 123A and 124.

#### **RT 113 Basic Skills (3-0)**

Basic scientific concepts related to respiratory care.

**Prerequisite:** Program director approval.

#### **RT 114 Clinical Orientation (3-12)**

Theory, clinical application of basic respiratory care procedures and responsibilities.

**Prerequisite:** Admittance to program and concurrent enrollment in RT 114A.

#### **RT 114A Technology I (3-4)**

Theory and laboratory application of basic respiratory care procedures.

**Prerequisite:** Admittance to program and concurrent enrollment in RT 114.

#### **RT 121 Pediatric Care (1-0)**

Theory and application of respiratory care for pre-adult patients.

**Prerequisite:** RT 112, 114 and 114A.

#### **RT 122 Pharmacology**

Entry level aspects of respiratory care pharmacology, pulmonary rehabilitation and home care.

**Prerequisite:** Program director approval.

#### **RT 122C Clinical Experience II (0-32)**

A continuation of RT 112C.

**Prerequisite:** RT 121, 122, 123, 123A, 124, 112L and 112C.

## **RT 122L New Technology**

### **Seminar II (7-0)**

A continuation of RT 112L.

**Prerequisite:** RT 121, 122, 123, 123A, 124, 112L and 112C.

## **RT 123 Clinical Laboratory (0-16)**

A continuation of RT 114.

**Prerequisite:** RT 114, 114A and concurrent enrollment in RT 124.

## **RT 123A Pathology (3-0)**

Theory and application of respiratory care related to diseases.

**Prerequisite:** RT 112, 114 and 114A.

## **RT 124 Technology II (3-4)**

A continuation of RT 114A.

**Prerequisite:** RT 112, 114 and 114A.  
Concurrent enrollment in RT 123.

## **RT 213 Clinical Practice I (0-16)**

A continuation of RT 123 and 112S with emphasis on advanced-level application of respiratory care procedures.

**Prerequisite:** RT 123, 115S and 125S or graduate from certification program.  
Concurrent enrollment in RT 214 and RT 213A.

## **RT 213A Advanced**

### **Cardiopulmonary Topics (3-0)**

Advanced-level respiratory care topics.

**Prerequisite:** RT 122, 123A and 124.

## **RT 213B Seminar and Care Planning (3-0)**

Advanced-level respiratory care topics and care plans.

**Prerequisite:** RT 223.

## **RT 214 Technology III (3-3)**

Advanced technology.

**Prerequisite:** RT 112S and 124 or graduation from certification program.

## **RT 222 Clinical Practice II (0-8)**

A continuation of RT 213.

**Prerequisite:** RT 213, 214, 213A.

## **RT 223A Applied**

### **Cardiopulmonary Pathology (3-0)**

A continuation of RT 123A with advanced-level emphasis.

**Prerequisite:** RT 123A, 214, 213A.

# **Sociology**

A student majoring in sociology should see a Tyler Junior College faculty advisor for help in completing a course plan.

## **SOC 213 Introduction to Sociology (3-0)**

Basic concepts and principles of social behavior, relationships of culture and social interactions to human behavior and analysis of existing group structures and social organizations. This course is also offered through instructional television.

## **SOC 213A Marriage and Family (3-0)**

An overview of marriage and family life with an analysis of changing lifestyles and social relationships involved in dating and in interpersonal adjustments in marriage, divorce and remarriage.

## **SOC 223 Social Problems (3-0)**

An application of sociological concepts and methods to the analysis of current social problems including juvenile delinquency, alcoholism, suicide, family disorganization and crime.

## **SOC 223A Current Issues Sociology (3-0)**

An in-depth study of specific contemporary topics such as sociobiology, urban society, gerontology, death and dying or sex roles. The course topics may vary.

## **SOC 223B Introduction to Social Work (3-0)**

Development of the philosophy and practice of social work in the United States; survey of the fields and techniques of social work.

## **SOC 223D Medical Sociology (3-0)**

The study of theories relating to death and dying as applied to stress management, crisis management, the sick role, bereavement, and adjustment in the social setting.

## Speech/Theatre

A student majoring in speech or theatre should see a Tyler Junior College faculty advisor for help in completing a course plan.

### Speech Courses

#### SPH 111F, 121F, 211F, 221F (0-3)

Designed for students interested in speech and theatre activities including various events at festivals and tournaments and the opportunity for participation in these contests.

#### SPH 113C Voice and Diction and Phonetics (3-0)

The basic principles of diction including physiological description and practice in the use of the International Phonetic Alphabet with intensive practical experiences in voice development and special activities to meet individual vocal needs and professional objectives. Counts toward both a speech and theatre major.

#### SPH 123A Oral Interpretation (3-0)

Includes theory in understanding and interpreting the printed page plus practice in presentation of the various literary forms. Counts toward a speech and theatre major and offered every semester.

#### SPH 113 Public Speaking (3-0)

Principles and types of speeches and the importance of listening with practice in planning, organizing and delivering general speeches to improve informative, persuasive and entertainment skills. Offered every spring.

#### SPH 113A Introduction to Speech Communication (3-0)

Emphasis on the importance of both listening and speaking to help the student recognize elements necessary for communication in personal, small group and public speaking.

#### SPH 113B Speech for Prospective Teachers (3-0)

Covers the improvement in the prospective classroom and the teacher's command of the basics of good speech and understanding of the practical application of speech in teaching students. Students may not receive credit for both SPH 113A and 113B.

#### SPH 223A Business and Professional Speaking (3-0)

Types and techniques of speeches most common to business and professional people including theory and practice in business speech situations, personal conferences, job interviews, oral reports, sales talks and occasional speeches.

#### SPH 213I Interpersonal Communication (3-0)

Theories and exercises in verbal and nonverbal communication with focus on interpersonal relationships.

### Theatre Courses

#### THE 123B Fundamentals of Acting (2-4)

Covers theory and practice of acting with students gaining practical experience in development of vocal and physical techniques for actors.

#### THE 213B Acting II (2-4)

A continuation in the theory and practice of acting and practical experience in problems of creating characterization with emphasis on developing vocal and physical skills.

#### THE 113W-123W Theatre Workshop (3-0)

Emphasis on techniques and procedures in mounting productions in this theatre course covering all phases of theatre through actual participation culminating in a production.

## Surveying

Students successfully completing this program receive the associate in applied science degree.

Surveying at Tyler Junior College was initiated at the request of land surveyors in the East Texas area. The courses offered are designed to teach the students the basic elements of surveying theory and fulfill the required 32 hours of surveying courses for a professional license. Boundary surveying is emphasized and includes history, dendrology, evaluating property corners, measuring boundaries, describing land by metes and bounds, calculating land areas and using the Texas Coordinate System. Other phases of

surveying taught are mapping, route surveying, control surveying, GPS, and electronic data collection.

### **SUR 113 Introduction to Surveying (3-0)**

An overview of the surveying industry and introduction to surveying equipment; emphasis on leveling, measuring horizontal distances and topographic mapping.

**Prerequisite:** Concurrent enrollment in SUR 113A.

### **SUR 113A Surveying Measurements Practice (2-4)**

The methods of measurements, measurement equipment and recording of survey data in a field notebook.

**Prerequisite:** Concurrent enrollment in SUR 113.

### **SUR 113B Surveying Calculations I (3-0)**

Fundamentals of coordinate geometry and application to mapping; theory of mistakes and errors; introduction to Manual of Practice; and introduction to algebraic and reverse Polish notation calculators.

**Prerequisite:** Concurrent enrollment in SUR 113A.

### **SUR 113C Theory of Survey Measurement (3-0)**

This course is an overview of the surveying industry with emphasis on the use of calculators and computers in computations. For experienced surveyors only. Students may not receive credit for both SUR 113, its companion lab SUR 113A, and SUR 113C.

### **SUR 123 Land Surveying (3-0)**

Land history of Texas, public domain, public lands of the United States and boundary retracement.

**Prerequisite:** Concurrent enrollment in SUR 123A.

### **SUR 123A Land Surveying Practice (2-4)**

Theory and practical use of the EDM and theodolite surveying equipment, field to finish data collection with electronic data collector, and setting up a boundary traverse.

**Prerequisite:** Concurrent enrollment in SUR 123.

### **SUR 123B Surveying Calculations II (3-0)**

Application of coordinate geometry to survey traverses, introduction to error analysis, traverse adjustment and calculation of areas.

**Prerequisite:** Concurrent enrollment in SUR 123.

### **SUR 123C Application of Coordinate Geometry (3-0)**

Procedures of calculating areas, coordinate geometry, traverse adjustment and error analysis. For experienced surveyors only. Students may not receive credit for both SUR 123, its companion lab SUR 123A, and SUR 123C.

### **SUR 213 Topographic Surveying and Mapping (3-0)**

Theory and field methods for determining a true meridian through field astronomy, state plane coordinates, G.P.S. and mapping.

**Prerequisite:** Concurrent enrollment in SUR 213A.

### **SUR 213A Field Mapping Practice (2-4)**

A study of planimetric and topographic maps, polaris observations, solar observations, dendrology, photogrammetry, G.P.S. and triangulation station recovery.

**Prerequisite:** Concurrent enrollment in SUR 213.

### **SUR 213C Control Surveying (3-0)**

Control surveying, field astronomy, state plane coordinates and dendrology. For experienced surveyors only. Students may not receive credit for both SUR 213, its companion lab SUR 213A, and SUR 213C.

### **SUR 223 Route Surveying (3-0)**

Theory methods of surveying for highway routes, pipelines, utility and waterway construction and site stakeout.

**Prerequisite:** Concurrent enrollment in SUR 223A.

### **SUR 223A Route Surveying Practice (1-4)**

In depth field practice of surveying procedures for route construction, design, calculation and stakeout.

**Prerequisite:** Concurrent enrollment in SUR 223.

### **SUR 223B Legal Principles I (3-0)**

A study of location, conveyance, ownership and transfer of real property under the laws of the state of Texas; emphasis on record search and preparation of a deed record sketch.

### **SUR 223C Construction Survey (3-0)**

This course covers theory methods of surveying for highway routes, pipelines, utility lines and waterway construction. For experienced surveyors only. Students may not receive credit for both SUR 223, its companion lab SUR 223A, and SUR 223C.

### **SUR 223D Legal Principles II (3-0)**

Legal principles, retracement and boundary location with application of legal principles and rules of construction; writing survey reports and property descriptions; General Land Office research; and a review of boundary law cases.

## **Welding 6245**

Welding is a two-year, post-secondary program designed to qualify the student for entry-level code welding for industry.

Upon successful completion of the program the student will receive an associate in applied science degree.

### **WLD 113B Introduction to Oxy-Acetylene Welding (2-4)**

Requirements of oxy-acetylene welding including the use of equipment, safety, accessories, the welding of butt welds in all positions and flame cutting.

### **WLD 113C Introduction to Arc Welding (2-4)**

Requirements of arc welding including the use of equipment, safety, accessories, striking an arc, running beads in all positions and welding butt joints in all positions.

### **WLD 123B Advanced Oxy-Acetylene Welding (2-4)**

Employs advanced applications in flame cutting and oxy-acetylene welding and brazing, soft soldering, silver brazing and automatic flame cutting.

**Prerequisite:** WLD 113B or consent of instructor or dean.

### **WLD 123C Advanced Arc Welding (2-4)**

Advanced applications in arc welding of plate in all positions including multi-pass electric arc welding, welding cast iron and hard facing.

**Prerequisite:** WLD 113C or consent of instructor or dean.

### **WLD 213A Introduction to Pipe Welding (2-4)**

Requirements of pipe welding including the equipment usage, safety, pipe systems, pipe criteria, pipe layout, the welding of pipe in the horizontal and vertical position, metallurgy and weld defects.

**Prerequisite:** WLD 123C or consent of instructor or dean.

### **WLD 213B Introduction to M.I.G. and T.I.G. Welding (2-4)**

Requirements of gas-shielded metal-arc welding and gas-tungsten arc welding including the use of equipment, safety, accessories, the welding of the butt, "T," lap and outside corner joints in all positions.

**Prerequisite:** WLD 123C or consent of instructor or dean.

### **WLD 223A Advanced Pipe Welding (2-4)**

Advanced applications in arc welding of pipe in all positions including the 6G position (45 degrees), heat treatment and the use of the beveling machine.

**Prerequisite:** WLD 213A or consent of instructor or dean.

### **WLD 223B Advanced M.I.G. and T.I.G. Welding (2-4)**

Advanced applications in gas-shielded metal-arc welding and gas-tungsten arc welding in all positions including flux core, dual, shield, aluminum and stainless steel welding, welding symbols and plasma cutting.

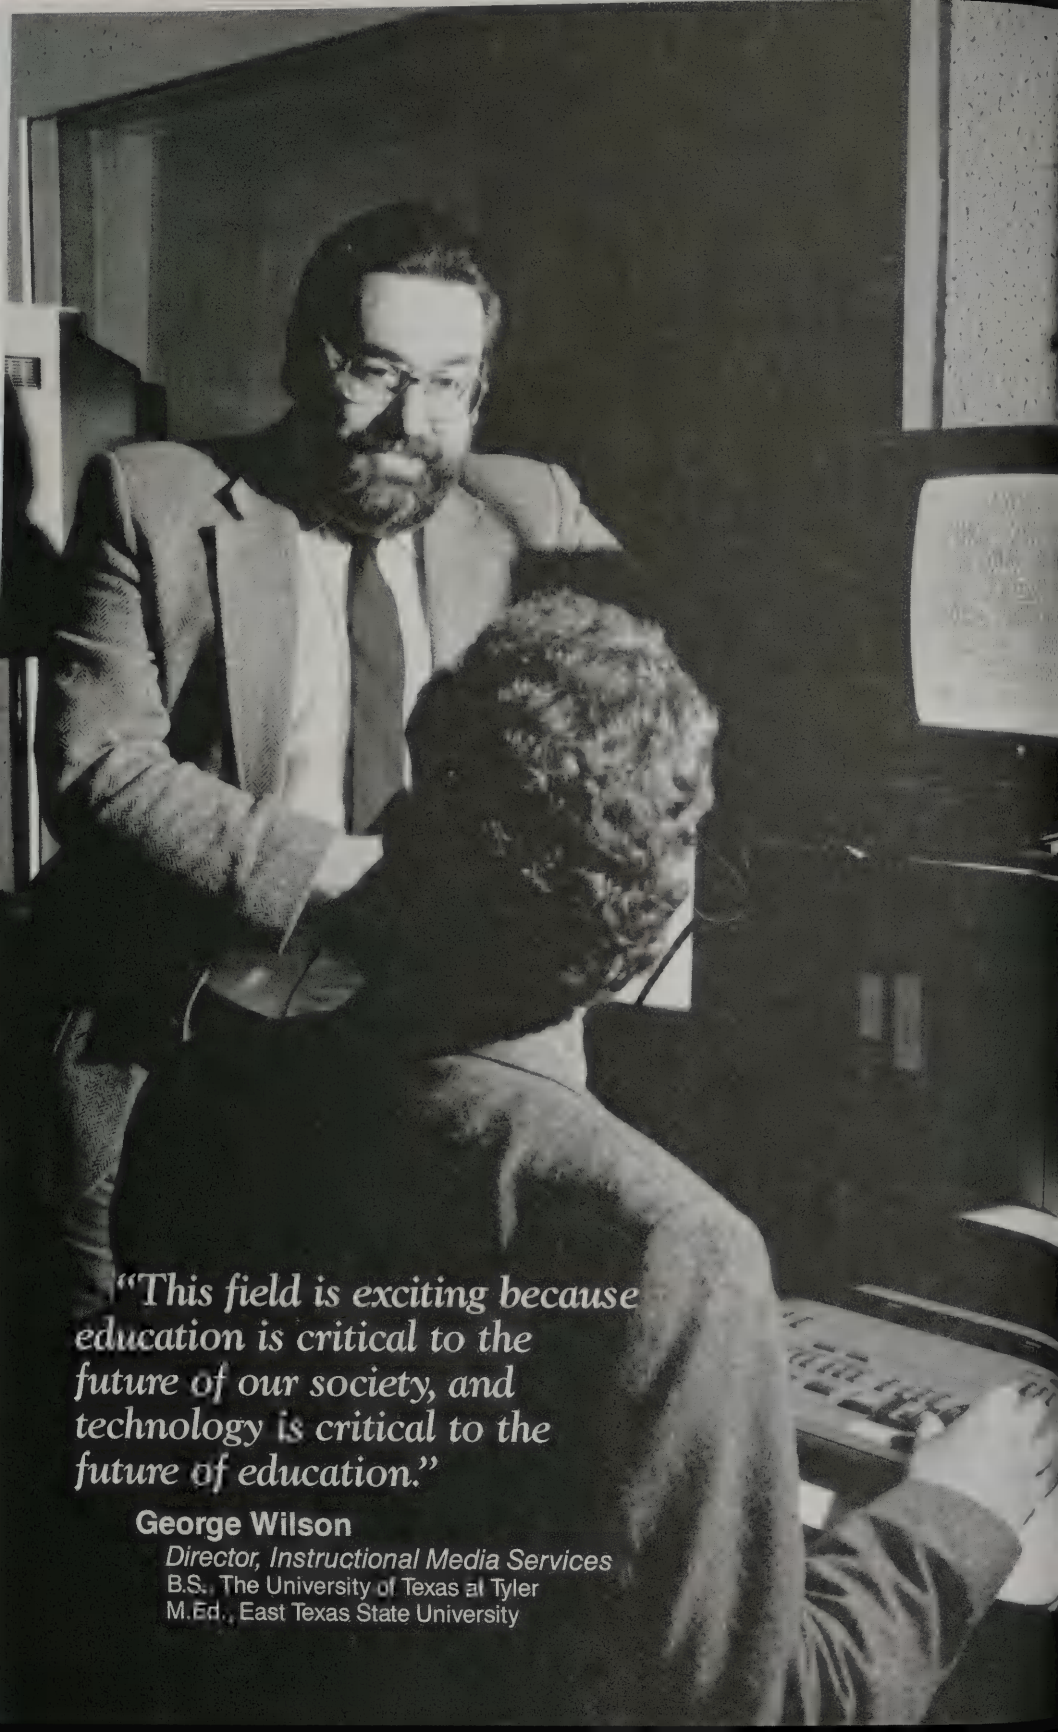

**Prerequisite:** WLD 213B or consent of instructor or dean.

A.B., Franklin and Marshall College  
M.A., Michigan State University

**Charline H. Wallis**

*Instructor/Director, Art*  
B.A., M.A., Stephen F. Austin  
State University

**Nancy A. Wardlow**

*Instructor, Radiologic Technology*  
B.S., Western Michigan University

**Nell F. Warren**

*Instructor, Management*  
B.B.A., Sam Houston State University

**Linda Watkins**

*Interim Assistant Dean, Humanities  
and Social Sciences*  
B.A., The University of Texas  
at Arlington  
M.S., East Texas State University

**Joy M. Watson**

*Instructor/Interim Director,  
Behavioral Sciences*  
B.A., M.A., East Texas State University

**Stanley H. Watson**

*Instructor, History*  
B.S., M.A., Stephen F. Austin  
State University

**Deborah Welch**

*Instructor, Fashion Merchandising  
and Retailing*  
B.S., M.A., Texas Woman's University

**John Richard Wheat**

*Instructor, Mathematics*  
B.S., Stephen F. Austin State University  
M.S., The University of Mississippi

**James David Wicks**

*Instructor/Director, Chemistry*  
B.S., M.S., Southwest Texas  
State University

**Anne Williams**

*Assistant Librarian Cataloging*  
B.A., M.L.S., Sam Houston State  
University

**Patti Williams**

*Instructor/Director, Surveying*  
A.A.S., Tyler Junior College

**Audrey J. Woods**

*Instructor, Physical Education*  
B.S., Texas Southern University  
M.Ed., East Texas State University

**Fred Worthen**

*Instructor/Director, Real Estate,  
Mineral Land Management, and  
Mineral Lease Records*  
B.A., Stephen F. Austin State University

**Delton Wright**

*Instructor, Physical Education/  
Assistant Football Coach*  
B.S., M.Ed., East Texas State University

**Jimmy D. Yancy**

*Instructor, English*  
B.A., M.A., Stephen F. Austin  
State University

**Radiance Young**

*Instructor, English*  
B.S., Sam Houston State University  
M.A., George Peabody College

**Linda K. Zeigler**

*Instructor/Director, Journalism;  
Director, Student Publications*  
B.S., M.J., The University of Texas  
at Austin

## Adjunct Faculty

**James A. Anderson, M.D.**

*Medical Director, Radiologic Technology*  
B.S., University of Wisconsin  
M.D., University of Wisconsin  
Medical School

**Ron Beals, M.D.**

*Medical Director, Emergency  
Medical Technology*  
B.A., Millikin University  
M.D., Creighton School of Medicine

**Virgil V. Gonzales, M.D.**

*Medical Director*  
*Medical Laboratory Technology*  
B.A., M.D., University of St. Thomas,  
Manila, Philippines

**William L. Moore, M.D.**

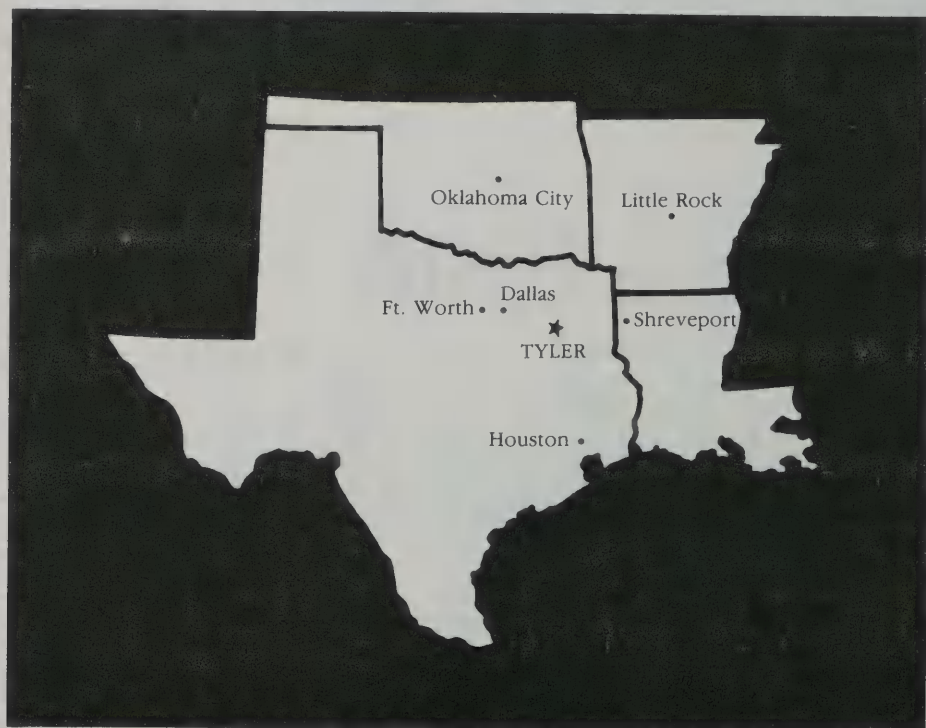

*Medical Director, Emergency  
Medical Technology*  
B.A., Baylor University  
M.D., University of Texas Medical  
School at Houston

**James M. Stocks, M.D.**

*Medical Director, Respiratory Therapy*  
B.S., Texas A&M University  
M.D., The University of Texas  
Southwestern Medical School at Dallas

# How To Find Us

*Tyler Junior College is located in Tyler, Texas, a progressive city of approximately 80,000. Tyler is not only well-known for its roses and azaleas, but also for its industry, modern medical facilities, shopping centers, symphony orchestra, civic theater, art museum and public recreational facilities.*

Spring Semester 1991

- January 7. General faculty meeting.
- January 8. Faculty and staff development day.
- January 9, 10. Registration for spring.
- January 10. Last day to register without paying a late fee.
- January 11. Faculty and staff development day.
- January 14. First day of class and late registration.
- January 17. Last day to change schedule, late registration ends and audit registration on space available basis.

- March 1. Last day to apply for a spring degree.
- March 11. Mid-semester grades due.
- March 22. Last day to drop course with automatic grade of "W".
- March 25-April 1. Spring holidays (inclusive).
- May 6-9. Final exams.
- May 10. Last day of spring semester.
- May 11. Commencement.
